Morning Agenda

9:00 – 10:15a  Opening Keynote Address
10:30 – 12:00p  State of Climate Action Planning in California

Twitter: #CCAPC2013
We will respond to the threat of climate change, knowing that the failure to do so would betray our children and future generations.

President Barack Obama, Inaugural Address, January 21, 2013

When we think about California's future, no long-term liability presents as great a danger to our well-being as the buildup of carbon dioxide and other greenhouse gases in the atmosphere.

Governor Jerry Brown, State of the State Address, January 24, 2013
