

# Your Portfolio

## STRATEGIES

### 114 Too Close To Your Money?

*By James H. Smalhout* • You have to master your emotions if you want to maximize your returns.

## INSURANCE

### 119 Covering the Gray

*By Lynn Brenner* • Do your parents need long-term-care insurance to protect them?

## YOUR OWN ACCOUNT

### 125 Barnes Door

*By Mary Rowland* • A new standard opens the way to comparing cash-value life insurance policies.

## TAXES

### 129 You Don't Want to Get Clipped!

*By Jonathan Burton* • By including taxes in your financial planning, you'll keep more of what your investments earn.
