FOOTBALL GAME.

On November first, 1919 the California Polytechnic School played its first game of football for the year. The game was between Paso Robles and Poly. Before the game, Yell Leaders Mathison and Gardner called their rooters together and gave a few yells for both teams.

At 2:30 p.m. both teams were lined up on the field for action. The whistle was blown at 2:31 p.m., Poly having the kick off. With the speed of our team Paso Robles did not gain much from the kick off. To start things going, John Brown made a long run to within 10 yards of the goal line. Miller went through Paso Robles' line for a few yards gain. Blake carried ball within two yards of goal line. Martinsen tries for a touch down but is denied. Blake again to make a touch down and is blocked, he tries to score. The goal was made at 2:39 p.m. after just six minutes of play. The goal was not converted and the score remained 0-0 in favor of Poly. Poly kicked off. Paso Robles got the ball. Paso Robles was penalized five yards for off side. Brown made the fourth touch down, time 3:14. The kick was not converted. Score 0-5 in favor of Poly.

Second Half, time 3:28 p.m. Paso Robles spills forward pass for Poly. Cass goes through scrimmage for a few yards. Miller makes another gain, J. Brown gets within 5 yards of goal line. O Hodel and Marquart replaced by C. Hodel and Boys. At this time J. Brown made the fifth touch down. The goal was converted. Rowan replaced Hicks. Poly's kick off, J. Brown layed out pair of Paso Robles. Poly replaces Brown until last quarter. Kerr, Tuley and Flugger replaces Burton, Burr and Miller until last quarter.

The game was between Paco Robles and California Polytechnic School played its first game of football for the year.

A CHANGE IN THE POLYGRAM.

Those who have read last year's Polygram will probably notice that a decided change has been made. When the Junior English Class, to whom was assigned the duty of editing the first issue of this term's Polygram met, it was decided that, by reason of the very large number of ambitious new students and new faculty members, there would be more student activities than in the last two years, and hence a school paper that would contain much more reading matter than the old Polygram would be a necessity. But how was such a paper to be put out with the limited funds?

After much consideration it was decided that, first, they must reduce the size of print, but not so much as to be a detriment, and second, that we must obtain funds to aid the cause. No. 8 type was found to be none too small, and that it allowed about as much printed matter as the old Polygram, and hence a school paper that would contain much more reading matter than the old Polygram would be a necessity. But how was such a paper to be put out with the limited funds?

Bulletin Supplement. Entered at the Post Office at San Luis Obispo, Cal., as Second Class matter.

THE KELVIN CLUB BARBECUE.

The Kelvin Club entertained its new members with a barbecue Tuesday evening of last week. Twenty-six members and associate members assembled under the aromas of a little dell in Pettit's Canon.

Miss Chase supervised the barbecue proper, and Mrs. Bland brewed the coffee. Mr. Hudspith rendered professional assistance in constructing a screen for the fire, as did also Mr. Figge in keeping a good fire glowing under the coffee. But time and space suffice not to chanti the doings of all the busy crew. None were idle but the new members.

The beef was finally done to a turn, and the aroma of coffee mingled with the fragrance of the green bay tree. Then the multitudes were caused to sit down by companies while the hosts disposed into them barbecued beef, salad, sandwiches, coffee, and sundry cates and dainties. All went smoothly except that Mr. Bendel failed to get his second cup of coffee, Mr. Hess and Mr. Verry each took three doughnuts, Miss Howe ate her own and another that she purloined from Mr. Hudspith, and Mr. Nord so many that his car broke down twice on the way home.

When the feast was finished Miss Hoover announced that they would now proceed to initiate the new members. The principal stunt in the ceremony was an impromptu speech by each of the candidates. Miss Hoover officiated as Most Exalted Leader of the Goat.

W. Lelshman— I got a "dickens" of a cold in my head.

Burr—Never mind, don't grumble. Even if it's only a cold, its something.

Booting the Ball

Coach Livenars is giving the football squad some of the ‘real stuff.’ For the last week scrimmages have been indulged in quite frequently. The mixing of a first and second team gives the men “that fighting spirit,” and the ability to “Hold that Line.” It also gets them accustomed to a few hard bumps that might be expected in a real game. It’s great stuff if you don’t weaken. Poly has never known to weaken; so get out, fellows, and get into the game.

The Senior Surveying class had a little practical surveying a week ago last Monday, in which they surveyed the football field. If you don’t think they did a good job, just take a look at the field. The Freshmen in the Dorm had the honor of lining the field off with lime.

Arnold was the first man to get injured in football practice. His left knee was bruised badly, causing him to quit chasing the pigskin, for the time being.

“Bud” Ferrell was wounded in action during a hard scrimmage. His right hip was hit by a 9 point 2 (Coach Livenars’s shoulder) which developed into a “Charlie Horse.” It will take about a week for Bud to fully recover.

P. Martinesen wrenched his right knee during practice. He was unable to get into the scrimmage, Friday, but reported for practice again on Monday.

Due to the injury which he sustained in practice captain Ferrel was not able to play in the game Saturday. If he had been playing the game would have been a riot instead of a walk away.

Perry Martinesen was the outstanding star in the game Saturday. If we had eleven men like Perry there would be no doubt as to who would be state champions this year.

SCHOOL NOTES.

Last week was Institute week for the teachers of the Public Schools of San Luis Obispo County.

Unfortunately the Poly teachers didn’t have to go. However, we had a vacation Thursday morning so that the faculty could go and hear Will C. Wood, State Superintendent of Education, and therefore a trustee of the California Polytechnic School.

At a meeting of the Amapola Club, held during the noon hour October 27th, the club decided to give a short play entitled “The Voice of Authority.” This play will be staged before the Christmas recess. Try outs for the various parts will be held soon.

At a joint meeting of the Junior and Senior classes on Wednesday October 20th, Perry Martinson and Claude Arnold were elected to the boys Athletic committee and Margaret Baker and Cecile Bello for the girls.

In the past few weeks several new students have been enrolled at Poly. They are Jesse Corbey from Atascadero, William Hendry from Santa Barbara, Everett Wickes from Salinas, Emil Capinha from San Luis, Neil and Max Brubaker from Hollister, and Margaret Chapin from the San Luis High School.

The motion pictures in Assembly were all right; but careful, gents—that one on long distance cooking might put foolish ideas into the heads of prospective young brides.

The Santa Clara Indians hold all the credit for making the famous black pottery. The horse is entirely overlooked.

The school needed a yell leader and made Mathison the goat. Matty promises a big noise if the kids turn out.

Miss Bello became quite fussed at pronouncing the word dammed, while reading in English. Evidently unaccustomed to pronouncing such words, especially in the presence of such an audience.

A party was given by the Philomenea Class and the Epworth League of the Methodist church on Halloween Eve. All of the guests met at the Church, and then journeyed on over a spooky trail to the home of Mrs. F. M. Smith, where the evening was pleasantly spent in games appropriate for the occasion. Later in the evening refreshments were served and the party ended in a ghost story by Rev. Mr. Butterfield.

Herman Hall was the scene of a very enjoyable social gathering on Friday evening, October 17th, which was held in Polytechnic students attended. The members of a society of the Presbyterian church were the entertainers of the evening and certainly proved worthy of the task. The evening terminated in a candy pull and everyone went home with sticky hands and faces, but in a very happy state of mind.

On Friday evening October 27th, the Sophomores entertained the school at a dance in the Dining Hall. The room was prettily decorated in the class colors, purple and green. Also many palms were placed about the room in order to disguise the old familiar place of eating. Dutton’s three piece orchestra furnished excellent music which was thoroughly enjoyed by all present. In spite of the rain there was a large crowd present who partook of the hospitalities offered by the class of ’22.

Miss Alta Mayhall was hostess at a delightful party on October 17th. Those who enjoyed the evening were: Marion Vincent, Jeannette Sanders, Margaret Ditmas, Ruth Smith, Carl Gill, Sam Wright, Lewis Ramage, Harry Ditmas, Richard Wright, Rae Mayhall and Alta Mayhall.

On October 25th, Interclass meeting of the Junior and Senior classes was held in Room 10. The purpose of the meeting was to elect two girls and two boys as athletic representatives of their respective classes. Those elected were Margaret Baker and Cecile Bello for the girls, and Perry Martinson and Claude Arnold for the boys.

He—What detained you?
She—I must tell you a secret; I’ve just reached twenty-one.

THE FOOTBALL CAPTAIN.

Last Friday afternoon the football squad choose Bud Ferrel to be their captain for this year, and according to our views on the matter, a better choice could not have been made. For “Bud” Ferrel is right there when it comes to football. He knows the game from start to finish and when he “hits the line” it is surely felt. We feel assured that our captain will lead us to victory in both games, winning to the tune of 28 to 17 and 38 to 14.

THE COOK.

We of the C. P. S. are about to lose one of our best friends. Our cook, Mrs. Heald is going to leave us. Mrs. Heald has been with us for over a year and is liked extremely well by all the “steady boarders.”

Nobody has ever been heard to kick about her cooking and you will all remember the Thanksgiving Dinner last year. She has been “Mother” to all the fellows who live at the Dorm and a Mother in the real sense of the term too, and it is with sorrow in our hearts that we all see her go. We feel assured that we never shall get a cook quite so good as Mrs. Heald.

SAN LUIS vs ARROYO GRANDE.

The first and second teams of San Luis High and Arroyo Grande High clashed in Basket Ball, Saturday October 18th, on the San Luis court. San Luis came out victorious in both games, winning to the tune of 28 to 17 and 38 to 14. Renetsky and Righetti were credited with their fast playing for San Luis. Coach Liversage from the Polytechnic refereed both games.
