At the Deans' Council meeting it was decided that individual colleges and deans will make all decisions necessary to arrive at the new budget numbers, administrators will not micromanage.
- D. Statewide Senators: (Hood) Statewide Senators met the last week in January and discussed the budget situation. Another issue discussed was the effort by graduate students to organize under the United Auto Workers (UAW). There are talks about students paying full-cost fees for any units over 110% of the number of units required for their degree. There may be a 40% increase in fees for graduate level students, which will affect the teacher credential program. (Foroohar) A resolution was passed in support of Proposition 56, which will punish the legislature if a budget is not passed on time and reduces the percentage necessary for legislative approval to 2/3 from 55%. Campuses have been asked to create criteria for the use of graduate students in place of lecturers.
