The Dorm barbecue that was to have taken place a week ago Friday May 5, was held instead Friday

It was postponed on account of the rally for the track meet. The rally was the scene of the
crowd and every member that attended had plenty to eat and a good
time all around.

GOES HOME

Three of our distinguished members departed Friday A. M. for the valley with Coach Ager, who

attended a junior college conference in Fresno. The party consisted of Howard Hay Foster, Cyril Nelley
and Little Eddie Pickle.

SOMETHING TO THINK ABOUT

The story is told of three brothers who worked for a New York export house. Tom, Jim and Hill.

Tom received ten thousand dollars; Jim, the oldest, three thousand dollars; and Hill, twenty-one hundred dollars.

Hill, being the youngest, especially Tom, respected more than he did. Finally, Hill took the employer, who by the way of reply, Hill came back shortly and said.

"Mr. and Mrs. Albert McKeen

arrived on April 21. As soon as he can find a house he

In the University of California along educational lines and in cooperation from May of the year, the University of Los Angeles, to afford amusement and education and any of the student body in their spare time.

Freshmen Take Notice

We, the Sophomore class, wish to thank the said class for the kind way in which they received our small but well-intentioned present. It is hoped by all the Sophomore class that the little party was well taken care of as it would not be a bad moment to be handed down to the succeeding Freshmen classes.

Signed Sophomore Class.

Varieties of John Brown.

In Latin John Smith became Johannes Smithius; in Italian he is known as Giovanni Smith; in French he becomes Jean Smith; the Scottish call him Joseph Smith; the police know him as Jim Smithfield; the Welsh as Rhon Smith; the Hollander as Esmo Schmidt; the Greeks as Ion Sokkon and the Spaniards as Juan Smith; while in Turkey he is disguised as Yee Sook.

3
SCHEDULES MADE OUT FOR NEXT YEAR

The following schedules for games were made for the Central Coast Conference meeting last Saturday:

Football, Northern Division
Poly at Santa Barbara, Nov. 4.
Poly at Los Angeles, Nov. 11.
Santa Barbara at Poly, Jan. 22.

Football, Southern Division
Santa Barbara at Poly, Apr. 27.

Baseball
C. P. B. at Fresno, May 10.

Track Meet
Track, the almost forgotten sport at Poly, has come back to us with a victory for Poly. Poly staged a track meet on the sixth of May, inviting the four high schools of the county. The high schools had the privilege of running junior college men if desiring, but all of this did not deter Poly winning by the larger end of the points.

With the hard work of Mr. Angell, Mr. Gary and the students, the track was put in shape and was in first-class condition. Much interest was given to the track meet and a large crowd of spectators was present. There were three cups donated for the meet and Poly holds two of them. The team winning the most points and the winning relay team. Harry of Paso Robles won the high point man cup, in which he showed capability of running.

Space forbids the printing of the complete score, the time, and the events. Those are all posted on the bulletin board.

The final score stood Poly, 64; Paso Robles, 6; San Luis High, 6; Arroyo Grande, 6.

The slugging nine will journey to Santa Barbara next Saturday to play the Junior College. Here's hoping for another victory.

News of Special Students

One of the special students who was visiting in San Francisco for a few days brings back some news of the "payment or ball" that was held in the Civic Auditorium on Friday evening, May 5. One hundred students were in attendance, each one having been wounded while serving in the world war, and weredecorated for service worthy of praise. The very best vaudeville acts that could be obtained from the different theatres were presented. The leading actors and actresses of the movie world were present for the grand ball, and the presence of a person like Rudolph Valentino caused quite a sensation amongst the ladies. This payment was held for the benefit of the Disabled American Veterans, in order to raise funds for the coming convention to be held in San Francisco from June 14 to 18. There's no doubt but what it was an excellent affair as they went over the top and raised $11,000 in one night.

K. E. Stave, adjutant of the Disabled American Veterans, has returned to the school after an absence of one week, due to sickness. Special students desiring any information as regards the organization can receive same by calling at his new address, 1402 March street, at any time after school hours.

Time flies, or better known to the Federal students as "The Englishman," has been sick and been receiving his bed in the hospital. He is recovering rapidly and with a smile on his face. He expressed his gratitude for those who have helped him during his illness. The Federal students are very much interested in his recovery and hope that he will be well soon.

BASEBALL

The slugging nine of Poly is still undefeated, winning seven games straight, and ready for the next victim. The team this year is one of the strongest teams of the junior college, rating on the coast and it is hoped that a game can be scheduled with some northern or southern team to decide our standing.

The team this year is one of the strongest Poly has ever turned out and through this work other schools will have to look up to Poly as having the strongest team. A trip to Santa Barbara is expected on the twentieth to begin with the Santa Barbara State Teachers' College and Poly is looking forward to a victory over the "Ocean Breeze Nine." A further schedule of games is undecided, but at least two more are expected. A game may be scheduled for Memorial day.

DECATHLON CONTEST

Mr. Richards says he has the boys a half day off Wednesday for the decathlon contest.

It seems, that it should have been a day instead of a half day because only a portion of the events were run through. The groups were divided according to age, height and weight and the scores are red. The points will not be posted until all of the events are over, then the boy having the highest percentage will get the medal and will be classed as the best athlete in Poly. The winner will in all probability get more praise than the winner of the decathlon contest.
