CAST FOR "MISS CHERRY BLOSSOM" IS ANOUNCED

At last, after much discussion and quite a little talk, the cast for "Miss Cherry Blossom," the spring operetta, was finally announced. Mrs. Stonebella is to have the title role and also the leading role of Jack, played by Frank Sommers, otherwise known as Dutch, is to have the leading role of Jack. Jack's ardent lover is to be none other than our "Handsome Hank," Albert Hankerson. The villain is Palmer Powell, in the role of Togo, a wealthy politician, and an
chorus of American girls and a chorus of Japanese hostesses. The program for the evening was humorous as well as original. As a matter of fact, the program was the party show was given. Some of the numbers most worthy of mention were the dorm boys' song, that of a dorm boy and his horseman, the fancy dance by our little girls in blue and her red
headed bowl, the baby and his papa, little "time to retire," and the wedding ball for after that. All of the numbers were adjudged successes. Following this came a five minute intermission and then games were played, then a relay race, and then songs were sung, and finally came the refreshments and dancing. About 10:15 the party disbanded saying as a whole that the affair had been a grand success.

This is to be a weekly custom at the dormitory, since Saturday night has been declared absolutely "closed night," although each Saturday the party may vary.

AMAPOLA GIRLS ACT FOR EASTERN STAR

On the eve of January 22 the cast of "Aunt Maggie's Will," having done credit to themselves in one of our former assemblies, gave a performance at the historic Masonic Temple for the Eastern Star. Some of the members of this order now play in the assembly and asked the girls to give the performance at the close of the lodge meeting. Following the usual greetings to the guests in honor at a banquet. After the banquet cards, billiards and other forms of amusement that the lodge rooms provided for were enjoyed until about midnight. Those in the cast included Ethel Van Wormer, Gertrude Truesdale, Helen Rutherford, Margaret Ditmas, Muriel Sellers, Dorothy Hoare, Muriel Wood, Bella Tomasini, Dorothy Lebo and Alta Mayhall. Two others who were included in the banquet were Palmer Powell and Neil Perry who pulled curtains for the show.

DANCE FOLLOWS GAME

Following the basketball game held at Dana Hall Friday evening, January 19th, the Sophomores gave a dance. This dance was a great success, partly due to the effort of the Sophomore and Junior girls, and the fact that we were victorious in the game with Pano Robles. The Melody Sextette furnished the music, and in spite of the fact that the power was turned off at 12 o'clock, "Sweet Home," was played at that hour and the lights went out so there was nothing left to do but to go to our homes, sweet homes.

SNEER JINX IS GREAT SUCCESS

Last Friday evening in the Household Arts building the Seniors gave the Hi Jynx. Diamond waffles were rattled off about suave Elo and noted fabulous suma. Following the basket lunch, candy was sold downstairs.

On the second floor waffles were sold for the sum of 15 cents each. A gossip told fortunes in a tent. A class on the second floor contained some rare specimens of "Four Faces," feet, and a few other things seldom heard of or seen. The dancer proved the greatest source of pleasure throughout the evening, even many enjoyed the music. In Mrs. Thelen's room.

About 800 was voted in with unanimous approval.

ATTEND: Basketball Game.

AMAPOLA ELECTS NEW OFFICERS

At a meeting of the Amapola Club, Thursday afternoon, January 24th, the new officers for the coming semester were elected. This is a regular custom of this club, the election of new officers for each semester. Those elected were: Muriel Sellers, president; Helen Rutherford, vice president; Bernice Birovom, secretary; Wihara Bouquet, treasurer, and Elaine Tersis, sergeant-at-arms. Those who went out as officers for the past semester were: Margaret Ditmas, president; Ethel Van Wormer, vice president; Belle Tomasini, secretary; Dorothy Hoare, treasurer, and Edna Hayden, sergeant-at-arms.

In the near future, but no details as arrangements were made because of the absence of Mr. Knott. Orders have been placed and it is expected that they are expected here soon. Their song for this year is: "A swimming hole in Poly canyon."

A SWIMMING HOLE IN POLY CANYON NOW UNDER WAY

While looking over the water supply for the Polytechnic Club the hydraulic class ran into what you might call a dingy of a place to build a swimming pool for the students of Poly. It is about a mile from the Poly building we decided then and there that we should have a swimming place in the near future. The surveying class will do the surveying and estimate the cost, and the drilling class will do the drilling and filling old fashioned lumber.

Mr. Rieciardi has guaranteed a starter in the money line, but not enough to push it through, so an appeal is to be made to all the school organizations for a little financial help. A hundred dollars will give us a swimming hole thirty feet wide, one hundred and fifty feet long and at least ten feet deep by the last of May. Will you help boost it in your organizations? Every mechanical is behind it, but Mr. Rieciardi is behind it, and it is known that the students will get behind it.

Every student's cry should be "A swimming hole in Poly Canyon."

There are 66 cities and towns represented at Poly.
APPEAL FROM THE MOTORISTS

During the wonderful development of our school within the last few years (the motorists) think that one thing has been overlooked, and that is, the line of palms along what used to be the Palm Drive, but changed recently to Poly Boulevard.

The palms are probably one of the first things to strike a visitor's eye, so to trim the lower branches would not only make it safer for our twenty mile an hour speed demons, but would also add to the beauty of the drive.

Pedestrians may ask what trimming the palms had to do with auto-lint, but if careful notice is taken it can be seen that the lower branches prevent one from seeing autos approaching from the many cross roads that lead into Poly's Boulevard, thus making possible a serious collision.

Many suggestions would be—obey the speed signs, watch the cross roads, and remove the lower branches of the palms so that we may enjoy life a little longer.

A JOKE A DAY

Everyone knows that a good joke is enjoyed by all providing they hear it, so it is up to us to see that when a joke is told in some class, on the grounds, or in the dormitory, that it gets to the rest of the student body. If this is done it will make school life go so much smoother, you will get the pleasure of writing it down, and the honor of handing it in, but we must contain jokes in order to the Polygram not being a joke paper.

The Polygram is a newspaper, so to trim the lower branches would not only make it safer for our twenty mile an hour speed demons, but would also add to the beauty of the drive.

Remember the Polygram is not a joke paper, but must contain jokes in order to the Polygram not being a joke paper.

POLY-WINS 44-26
FROM PASO ROBLES

Before an over-crowded house Poly started the basketball season by defeating the fast Paso Robles Alumni aggregation in one of the fastest games ever staged in San Luis, by a score of 44 to 26.

Paso Robles was outclassed in every stage of the game, Poly’s team-work being the feature of the game. S. Patchett was individual star for Poly, shooting baskets from almost every angle. Lumley’s playing was not up to his usual standard, but he played a good consistent game, as did Bundy. Annin and E. Patchett kept the ball well in Poly’s territory, allowing the invaders but few open shots at the basket. As a whole, the team showed up very well and some real playing is expected before the season is over.

Paso Robles has defeated some of the fastest teams in this section, this being their first defeat.

In a practice game with the San Luis High School, Poly came out with the big end of the 44 to 10 score, but the date has not yet been set.

The first game will be with Atascadero on February 10 at Atascadero, and at other times that the Poly men adjusted and three minutes before the game was over the score was 23-20.
