Our Annual Home-Coming Day, held November 7, was a very en-
这样一着 success to those that worked
put it over.

The boys left here at six o'clock in the morning and traveled in a body
was ten-fifteen with the Poly boys im-
the ex-soldiers. The band as always, preceded the military.

The American Legion furnished transportation for the boys and the
new flag, presented by the Elks
was very beautiful and noticeable
the parade. The parade was over at eleven-thirty and the young ladies of the Christ-
church where they were given a very
in the afternoon their uniforms were
the school's growth. She is at
the present teaching at Shandon.

Among the older alumni whose at-
tendance was greatly appreciated was Mr. George Wilson of the class of 1908. Mr. Wilson is at present in
charge of the western division of the Inter-
national Correspondence School, a position of great responsibilities and
importance. Another old graduate who was greatly enjoyed by the old
graduates was Mr. Hubert Loflin of the class of 1917. Mr. Baldwin is en-
gaged in the funeral business at Santa
Barbara. He is one of the most loyal of the alumni with whom we oth
enjoy the banquet speeches were
being heartily enjoyed by the old
graduates, and we were greatly impressed to hear what fine, suc-
cessful men the alumni are making.

Now of the alumni attended the dance
as any other feature of the day. The girls from the city of "Boy cut"
had a little after noon. Just as we
arrived was to eat lunch. Then we
arrived in the city of "boy cut"
and the girls left with many Ideas
for their pass to all functions. Many at-
tended the football game held there
between King City and Paso Robles.
Planes had been made to stay over for the
evening dance but since the after-
noon classes, who were to come
were cancelled and the boys returned home.

Mrs. Crandall At Home
Mrs. Crandall was at home for her lunch. She is one of the oldest grads present having
one of the most arduous jobs. Her work is
very important. Another old graduate who
was present was Mr. Martin Martinson '17, of Santa
Barbara. At the banquet speeches were
erenounced that there would be a "punch
trip" on the next day. The boys with their "boys
not a great deal of
un announcing articles will be several win-
ning teams from Poly, Cambria, and Atascadero competed in the Live stock judging.
He was not much of a
crowd the second day.

The third and last day of the show was
taken on largely by the auction sale. Purified cattle, horses, poultry
and swine were sold at open auction. Some very good cattle were
sold but not on account of the small number of buyers there was not a great deal of
stock bought. The afternoon of the
last day was taken up by football games
and the fair grounds were closed very early.

New Water Mains
New water mains are being laid
throughout the city. This improvement will be a
great advantage to the school. It will
make the whole school more efficient.

Our Guests
Miss Vivian Bonetti of New York,
visited the school on November 16. She is a cousin to Miss Tinsall of
California. Our Assembly on November 4, the names of the students whose work
was a two or better than any other feature of the day. The students were urged to remember that
this six-week period is almost up and very
soon another Honor Roll will be an-
tercuted.

The American Legion furnished transportation for the boys and the
rifle. The program was carried through
as it had been planned. The football
was very well attended. Mr. Cunningham wishes to state
that all those who have not purchased
the lathe and learn to use the lathe, the main feature being Its Indi-
vidual motor drive This makes It
possible for the operator to do other
work in the school. This Improvement will be a
great advantage to the school. It will
make the whole shop more efficient.

The lathe is set up yet but will be
soon. Mr. Knott's electrical class
made the whole shop more efficient.

The Print Shop has completed an-
other big advertising job for the school. Five hundred large posters, printed
in red and black and containing the differ-
ent phases of the work around the school, were put out and will be sent to
the teachers and students.

Printing Posters
The Print Shop has completed an-
other big advertising job for the school. Five hundred large posters, printed
in red and black and containing the differ-
ent phases of the work around the school, were put out and will be sent to
the teachers and students.

The Poly Drama Club
The Poly Drama Club
holding a meeting in the afternoon in their new
building. The meeting was for
the purpose of finding out what
was going to be performed in the show next year.

The Poly Drama Club
has charge of the electrical Insti-
tution which is found in no otter
unit. Our Second Annual Home-Coming Day will be a
success. It could not be
otherwise. All those that worked
put it over.
There are two places in school sports where sportsmanship should be exercised. First, in the rooting section, and second, on the playing field.

In the rooting section there are several ways in which sportsmanship can be shown. First of all, always respect the officials. If the ball is out of bounds, don't try to make a good play or you'll be only cheating yourself. Never try to make a good play or you'll be only cheating yourself. Never try to make a good play, even if you think you can make it better. Always be polite to each other and to the officials. Remember that they are there to do a job and that they want to do it well. Always respect the rules of the game and never violate them. Always respect the other team and never insult them. Always respect the other team's celebrations and never Insult them. Always respect the other team's seating arrangements and never block them. Always respect the other team's playing conditions and never interfere with them.

On the playing field, sportsmanship is even more important. Always respect the officials. If the ball is out of bounds, don't try to make a good play or you'll be only cheating yourself. Always be polite to each other and to the officials. Remember that they are there to do a job and that they want to do it well. Always respect the rules of the game and never violate them. Always respect the other team and never insult them. Always respect the other team's celebrations and never Insult them. Always respect the other team's seating arrangements and never block them. Always respect the other team's playing conditions and never interfere with them.

Thanksgiving

Thanksgiving is a time to look back and away and to many of us it brings visions of roasted turkey and all the rest that goes to make a Thanksgiving dinner some- thing to remember. To those of us who live away from Poly it gives a chance to visit our home and relatives. It is a chance to visit our home and relatives. It is also a chance to see how much noise they can make. It is always a good time to be with family and friends.

The girls' Physical Ed. class wants to know how Alan Seidleschik made the field and the football field from one of the best and most stylish hydrants in front of the Print Shop.

On the whole, the Polytechnic Bat- teries made a very commendable show- ing at Paso Robles on Armistic Day, but a much better appearance would have been made if some of the fellows had taken military drill ser- iously. A little more "snap" would not be out of place in our military organization.

The parade was too much for Wil- liam Stout. He fainted a couple of times while waiting in the line for his lunch, and was unable to attend school the next day.

A bunch of the Poly shone brightly in their stuff at Paso Robles. Spinola, Horroba, Petit, and Pfeif- fer were among those who were able to withstand the attraction of the ladies' charm and were among the most colorful in their favorite out-door pastimes. Vernon Langenberg, being a man of foresight, took his friends with him and made a day out of it, as many of the others did. Nels Jeppesen, likewise a believer in preparedness, took two girls with him and is said to have attended school the next day.

It is interesting to note that Jep and Harriet are no longer rubbing com- petition for a certain San Luis High School Alumna. Jep has dropped out of the run and is now directing his attentions toward another of the fair sex, one who had seen his smiling face in her parlor before even in her grammar school days.

Some of the students still persist in driving their co-called automobiles only on the long road that goes to school. They are not aware how much noise they can make. It is always a good time to be with family and friends.

Edith Aumaier has vacated a Poly student's position.

When some of the boys asked him why he didn't go out with the girls he said, "I'm afraid I'll have to walk home." He is learning the ways of the world fast.

Andy Miller must be on a diet; he hasn't been down to the dining hall for supper on Sunday night for six weeks.

Andy says that we didn't win the Dorm-Town football game that we did win the other game.

L. H. Horban is a member of the Dorm company, he is living in the campus.

Frank Quinonez is back at school again. He is still carrying his arm in a sling this week.

Considerableconditioning was heard amongst the Dorm boys when the Cap- tain announced that first call would be sounded at 6:15 Wednesday instead of 7:30.

Langenberg soon got out with girls while he is going to school. Every time he goes out he is absent from school for a couple of days.

Some of the Dorm boys haven't got their childhood days yet. There were several of them out (the other night trying to stay up late to make their childhood days.)

Andy Miller myst be on a diet; he hasn't been down to the dining hall for supper on Sunday night for six weeks.

Pay me cash for what one wants is a good way to break the habit of wanting to much.

Heidi (consulting cook book) Oh my cake is burning and I can't take it out for five minutes yet.

A cowboy is a sailor-on-horseback.

Orilla Hackalins: You are the sunshine of my life. You shine in my heart. Without you life would be a cloud.

Grace Sterling: Is this a proposal or a weather report?

There are so many knighta. I:-----—

She said, "Without you life would be shine of my life. You alone reign in my heart."

Ages called the "Dark Ages?"

My cake is bunting and, I can't take it out for five minutes yet.

A girl hears goes in both ears and out the other, while anything a hoy hears goes in one ear and out the other, while anything a hoy hears goes in one ear and out the other.

How far is it to Lismo?

My birthday is July 4th.

I want a girl. I want a girl! Wanting mother; I'm just telling him what not to say.

A man from the back seat. "What's the trouble?"

I thought the young lady said, "Slow down the driver."

"She wasn't speaking to you." I can't study in the fall. Can't study in the fall.

What not to say.

Jones: A broom and a bucket of paint.

Mother: "Stop using such dreadful language.

Jones: Well Shakespeare says it."

Mother: "Then don't play with him any more.

McGuire, with trousers on fire; with fright.

Poly-Santa Maria

Poly and Santa Maria met in their annual football game at Poly Field on November 7. Santa Maria, after being beaten in one game so far this year, was not to keep that record while, on the other hand, Poly was out to avenge a 38-0 defeat of last year.

First Quarter

Poly kicked to Santa Maria. Santa Maria returned the kick of 20 yards. Then they were held for three downs. They then kicked, Poly returning 15 yards on a series of runs by Cap- 
tain Lumley and Gingg. Poly placed the ball on the 30 yard line where on the next play Gingg, with perfect inter-
terference, ran 30 yards for the first score of the game.

While converted.

Poly kicked off over the goal line and the ball was put in play on Santa Maria’s 30 yard line. From here on both teams played fairly good ball and as the quarter ended Poly had the ball on Santa Maria’s 50 yard line again.

Second Quarter

Poly was held for three downs and on the fourth White played kick the ball over their own line. The rest of this quarter was some real action. After Poly had placed the ball on the 10 yard line they were held for downs and Santa Maria took the ball. They kicked from behind their own goal line, giving Poly 2 more points as the half ended. The ball was possession of Santa Maria on her own forty yard line—score: Poly 12, Santa Maria 0.

Third Quarter

The second quarter ended with Poly kicking off to Santa Maria. From the half the game was on again. Poly started the quarter the Santa Maria team had Poly on the go with some long passes and line boots. Santa Maria scored the first touchdown of the game and converted. Poly kicked off to Santa Maria and the ball was kicked off the 20 yard line. They advanced the ball 20 yards. They then passed but were unable to complete. Santa Barbara punished out of danger. The quarter ended with the ball on the 40 yard line. In the second quarter the ball went back and forth in the middle of the field with neither side scoring until the last few minutes of the first half. Poly put in several new men. Santa Maria completed a 20 yard pass and then carried the ball over for 2 yards and a touchdown. Their try for point was blocked. Poly kicked off with the ball in Santa Maria’s possession at the end of the first half.

The starting lineup went in at the beginning of the second team. Poly received and then stayed in the middle of the field for the rest of the game. Santa Maria and Poly were both unable to score during the rest of the game and the game ended with a final score of 6-6.

Both sides had a number of injuries suffered. On the Poly side, a player was put out in the second quarter with a broken arm. On the Santa Maria side, a player was taken out.

Unable to Get Bleachers

In order to obtain bleachers for the football field, it was decided to put up new men. The result was put in at Santa Maria in the beginning of the second team. Poly received and then stayed in the middle of the field for the rest of the game. Santa Maria and Poly were both unable to score during the rest of the game and the game ended with a final score of 6-6.

Fourth Quarter

The starting lineup for the game for the second half. Poly was unable to score and did well in holding the score down so low.

SPORT BRIEFS

One of Poly’s old football captains, Kressen Parchett, better known as "Line Pig", was the high man in scoring in the Stanford-Columbia game. Poly was last Saturday.

Washington, by defeating both Stanford and California, is the Pacific Coast Conference Champion.

By being defeated by Washington, California lost its first college football game in five years.

Saturday Poly plays its second conference game and if she wins she will finish up in the conference quite well.

Santa Maria 20 yard line was the only unbeaten team in the Hac-Tac conference.

In the close of Poly’s football season and as Poly has had some very good teams it makes some good trips, she can end her season and we say she has had quite a successful season.

Santa Barbara Defeats Poly

Poly went down to defeat last Satur-
day at the hands of the Santa Barbara Teachers College at Santa Barbara with a final score of 6-0. Poly played a dandy game and showed up very well against the Teachers.

The game was played in the Pea-
body Stadium with its turf field which we were unused to. This interfered with our playing as we have been used only to a plowed field.

Poly kicked off in the first quarter with Santa Barbara receiving. Santa Barbara tried line graduation when Poly held and took the ball down the field to within scoring distance on wide end run. Poly passed but was unable to complete. Santa Barbara punished out of danger. The quarter ended with the ball on the 40 yard line. In the second quarter the ball went back and forth in the middle of the field with neither side scoring until the last few minutes of the first-half. Poly put in several new men. Santa Maria completed a 20 yard pass and then carried the ball over for 2 yards and a touchdown. Their try for point was blocked. Poly kicked off with the ball in Santa Maria’s possession at the end of the first half.

The starting lineup went in again at the beginning of the second half. Poly received and then stayed in the middle of the field for the rest of the game. Santa Maria and Poly were both unable to score during the rest of the game and the game ended with a final score of 6-6.

Both sides had a number of injuries suffered. On the Poly side, a player was put out in the second quarter with a broken arm. On the Santa Maria side, a player was taken out.

Unable to Get Bleachers

In order to obtain bleachers for the football field, it was decided to put up new men. The result was put in at Santa Maria in the beginning of the second team. Poly received and then stayed in the middle of the field for the rest of the game. Santa Maria and Poly were both unable to score during the rest of the game and the game ended with a final score of 6-6.
