The annual initiation of the new Block "P" Club was held last Tuesday morning. The new members—sixty—blossomed forth in all sorts of costumes. They were all very grand—and gave the student body a humorous half hour in front of the Globus.

The new members to be initiated were George Sparks, Elmer Harpur, Eric Hughes, Thornton Lee, Fred Graves, Joseph Gingg, Leslie Eberhart, Thornton, Lee, and Joseph Gingg. George Sparks was dressed as a Old West cowboy. He carried a six-shooter. He had a Jackie Coogan cap and everything. George must have been a cute little boy when he was little.

Eric Hughston was attired in the Polytechnic uniform which speaks well of his love for his school. The student body wishes to extend their greatest sympathy to his parents and relatives.

Valentine Party

Valentine's Day was the occasion for a party given by the Sophomores and Seniors for the Juniors and the Freshmen.

Valentine motif was carried out to the letter and everybody had a grand time. The decoration committee was headed by Fred Louis who with his usual artistry did his job well. Brown's orchestra furnished the music for the occasion. Refreshments were served consisting of sandwiches and punch.

The party was a great success. Among the guests were asked to help them out in any way they could.

State Visitors

Mr. H. E. Hartwell and Mr. Hartwell of the Board of Control and Mr. Geo. M. Moulthrop, State Architect, visited the school last week and discussed matters in regard to the new gymnasium.

The initiation of the new Block "P" Club was held last Tuesday morning.

New Students

Many new students have entered the Polytechnic since the last issue of the Polygram. It is impossible to mention them all. However, the students and the faculty extend a warm welcome to them. They are all a part of the "Poly" family. The new students will be introduced in a future issue.

DID YOU JUST PASS?
The first semester is over and you all have your grades to show what you have done. Many of you thought you should have higher grades, while some a year or two grades were surprised at the high grade you received. It may look at your grade, you see two columns. One is marked "Effort." If you put forth effort, you will get a good thing. Using the same ratio, if you give us your best, we can give you a little more out of your lessons. If you fail in your lessons, you are the first to blame. It is a bitter pill to a teacher to learn that you have not made the grade. The other column is marked "Accomplishment." If you have here you are your real grade, but it is dependent upon your time spent in the school. You owe it to your parents and to yourself to really get some good from your schooling.

OUR WONDERFUL GOVERNMENT is today getting real playful at times and turning the water on the female dorm, so- he makes a visit to Los Angeles every once in a while. If she knew about it, we watch out from now on. There doesn't seem to be any eagle native that the Scandal Sheet didn't flit. Charlie Damarest is another young lady that the Scandal Sheet; but just ask him how "Navy Kid," Charles, certainly keep the road hot between here and Pismo. Mr. Davis will. He at last got up enough nerve to ask her out for his two cents worth. We have all noticed a change in Thorpe since he has dropped his blonde and is going with some other Hi School Co-ed. Watch your step, Louis; this new Co-ed is some stepper.

THOPE, Damascus, and this new "Navy Kid" Charles, certainly keep the road hot between here and Pismo. Mr. Davis will. He at last got up enough nerve to ask her out for his two cents worth. We have all noticed a change in Thorpe since he has dropped his blonde and is going with some other Hi School Co-ed. Watch your step, Louis; this new Co-ed is some stepper.

Jack has came away near being successful in operaetica practice the other night. Ruth just saved her voice in time. Are, Ruth, why be so bashful; the rest of us will turn our heads.

Now suppose in history you get a three in effort and a four in accomplishment. This shows that if you put forth effort, you will get a little more out of your lessons. If you fail in your lessons, you are the first to blame. It is a bitter pill to a teacher to learn that you have not made the grade. The other column is marked "Accomplishment." Prescott Reed wrote to a college
dormitory to ask: "Why does my girl
close her eyes when I kiss her?" He
received the following reply: "If you
will send me your photograph I may
be able to tell you.

Miss Jordan: If you don't keep
quiet, some of you will get a cipher
on your card.
Harrier W.: What is a cipher?
Aryphon B.: Nothing.

Captain Deane: Who gave you those
black eyes, Davidson?
Davidson: Nobody gave them to
me. I had to fight for them both.

Gretti: Yes Watson's an inveterate
poker player.
Blind: Howard.
Gretti: Didn't you ever notice how
he shuffles when he walks?

Miller is a blockhead—naturally;
he's a post-graduate.

Green Sterling is a B. V. D. girl.
Born Very Dumb.

Dexter: You know, I got drunk on
water last summer.

"I shall now tickle the Ivories,"
said Thornton Lee, as he fingered a
toothbrush.

"Isn't it strange, Jack that this
beautiful garden should smell of
ham?" said Bandhauer as he threw down a
couple of banana skins.

"You must remember, Ruth, that
dreadfully noisy.

Here lies the sad bones
of poor Willie Wackers,
Whose grin-wild-from-wailing
Wild animal crackers.

Did you hear Dr. Jones' beccaural-
ersa?
No, but all those foreign cars are
dreadfully noisy.

Bill Lee: Did you see my black-
paced antelope?

Prescott Reed: Whom did your
black-faced auntelope with?

Gold Digger: Mister, would you
take me for a little fly?
Avator (Eric Varian): Why, not at
all. You look more like a little girl.

He was only the butcher man's boy,
and here he was every girl in town cold
shoulder.

Harriet Wright: Let's play tennis.
Jep: Can't she net's broken.

Harriet: Five! The net's always in
the way when I play.

Bus went to dad and asked him for
A brand new sorrow coin.

Said pater: "Seal won't do at all."
And then he got her goat.

There was never a pretty girl who
would not be twice as pretty if she
didn't know she was pretty.

Rip Van Winkle stretched and
snored. "By this time," said he, "the
family has finished the installment
payments.

Arline: My, but that candy smells
good.
K. McIntyre: You bet it does: let's
stop and smell it a while.

Orville: I love you.
Orville: Do what?
Grace: Leave myself.

Mary H.: Yes, is that your Spanish
book?
You: B: Yes, and Dorothy Aston's
too.

Freshman: How do you make a
store-play?
Sophomore: Take a long hole and
wrap some tin around it.

Miss Knox: Who can tell me what
a Post Office is?
Karl Miller: A place where a Scotch-
man fills his fountain pen.

"Oh gee!" said John Ivan, "ain't
this a joy of a place?"

"John, do be careful of your lan-
guage," said Louise Howley, "don't
let me hear you say ain't again.

Bill: I have a cold or something in
my head.

Mary: Undoubtedly a cold.

Poly at Santa Maria

The Poly team went to Santa Maria last Saturday night for a return game with the Santa Maria Legion, and proceeded to win by the score of 27-17.
The Legion team showed more pep and fight in this game and we had to work hard to make the win. The Legion team were only one point behind at the half. The score was 11-11, and in the second half the real fight began. The referee didn't know much about his job. The Poly students had to keep the game going.

SPORT BRIEFS

California meets Stanford on the 20th of this month in the second of a three game series. Cal. was the first, 18-17.

It seems as if Oregon is going to be the northern champ in basketball. They have won 8 straight games so far.

All of the big universities are starting track and there seems to be quite a good chance for many records to be broken this year.

The inter-class handball is coming along well and if the fresh keep up the way they have been going they will soon be at the head of the list.

Baseball is the next sport in line and we would like to see the men turn out for it as well as they have for the other sports. Come on fellows. Let's go out.

Poly's basketball team played their last game Saturday at Santa Maria against the Legion of that city. The game was quite a rough one.

As soon as basketball is over, the Juniors and Sophs' teams will go out for it as well as they have for the other sports. Come on fellows. Let's show more class spirit by turning out for the inter-class games.

Senior Rifle Shoot

The Seniors will hold their preliminary matches this Saturday providing weather permits. The Seniors have been practicing for some time due to rain, but they hope to shoot some of the matches this Saturday.

The rifle range at the range of Santa Maria and the school will be open to the students with the best range at the school at the same time.

Interclass Basketball

The preliminary games of the interclass basketball were held on Monday afternoon at the Winter Garden.

There was a large crowd of fans and everyone enjoyed the games. The Juniors had an easy time taking the Sophomores down. The Sophs didn't even have enough out for a team, but they borrowed a player.

The Fresh played a good game and everyone enjoyed the games. The Juniors had an easy time taking the Sophomores down. The Sophs didn't even have enough out for a team, but they borrowed a player.

The Fresh played a good game under Sparks, their captain, and the games were witnessed by a lot of the Poly students.

The Sophs' team was made up of McKelvy, Ingalls, Flathers and Allis. Simpson provided a great deal of the Sophs' scoring.

The real game was between the Juniors and Seniors. The Seniors trimmed the Juniors to the tune of 28-18. The Juniors had a good team and the Seniors had to work for every point.

The Senior team was made up of Lumley, Davie, Leo, Hughaton and Varian. They were able to turn tricks with the Poly team. They used quite a man - Harper, Traver, Varian, Miller, Pickard, Chappell and some others. Traver was high-point man for the Sophs' team. He has been playing a good game.

Poly Downs Legion

The Santa Maria Legion quintet went down to defeat last Wednesday to the tune of 40-20. The Legion has been unable to find any real opposition anywhere around here, but they got more than enough when they met the Poly five.

Coach Agosti started Lumley, Traver, Lee, Hughaton and Varian. The game was kind of slow in the first half and the Poly supporters were beginning to look doubtful. But in the second half they started off with a bang and walked away in the lead. Santa Maria only scored two baskets in the second half which helped out the Poly defense.

Spindola went in for Traver and played a good game, shooting them in from anywhere. Miller went in for Hughaton.

There was a real ground out to the game, while the band was out in full strength. The band at the High School refereed the game.
