E. GENERAL CHARACTERISTICS
The following general characteristics are expected in proposals for a leave with pay or with difference-in-pay:

1. An abstract or summary of the proposal

2. A detailed outline of the proposed plan of study, research or creative activity.

3. Supporting documentation from universities, employers or institutions that might be sponsoring the project (if appropriate).
4. Annotated literature search indicating the need for the project (if appropriate).

5. A statement of the benefits that will accrue to the University, to your profession and/or to the students.

6. A statement of the probability of completion of the proposed project. This should include a statement of
   a. The feasibility of the proposal;
   b. The applicant's background in relation to the proposal;
   c. The amount of preparation for the leave, as evidenced by advanced study or research (if appropriate).

7. A statement of the urgency of the proposed leave in terms of its benefit to the University.

F. PROCEDURES
1. Each member of the UPLC shall individually and separately review the professional leave applications, which shall be kept in the Personnel Office.

2. Each member of the UPLC shall make such notes as will be adequate to enable him/her to make comparative judgements on the relative merits of the applications for leaves with pay.

3. After each UPLC member has been allowed sufficient time to examine the professional leave applications, the UPLC shall meet in plenary session to discuss the relative merits of the proposals.

4. The UPLC shall adhere to established quotas by school (Library), based on the number of faculty eligible.
   a. The number of sabbatical leaves allocated to the University will be distributed on an equitable basis among the schools and the library.
   b. Guidelines for distributing sabbatical leaves include an initial distribution of one professional leave to each school and the Library, with the balance of the allocation to be distributed according to the ratio of eligible faculty members in the respective schools and the Library to the total eligible faculty in the University.
   c. In the event sufficient applications are not received by any school or the Library, the UPLC will recommend a redistribution of the unfilled leaves to the other schools
(and/or the Library) after considering an equitable distribution in accord with the past practice.

d. In the event the actual University quota of fundable leaves is less than the projected quota initially used the UPLC shall compute the revised school quotas.

e. The UPLC shall annually review the rounding-off of fractions of leaves allocated to the various schools and the Library and use this information to establish an equitable allocation pattern over a period of years.

5. The UPLC shall examine the school-wide rankings to
   a. Verify that proper school procedures and criteria for evaluation were used.
   b. Identify apparent inequities in school rankings because of failure to use proper procedures and/or criteria at the school level;
   c. Identify apparent deficiencies of applications in one or more of the general characteristics enumerated in E.1 - E.7 above.

6. If an application is found deficient in one or more of the general characteristics enumerated in E.1-E.7, or if additional information is desired by the Committee, the Chair of the UPLC shall request the information from the Chair of the appropriate SPLC or from the LPLC.
   If the information requested is not provided, the UPLC shall include in its report to the Provost a statement of the apparent deficiency.

7. If the UPLC determines that an apparent inequity exists in the rankings of a SPLC or the LPLC, the Chair of the UPLC shall report the apparent ranking inequity to the Dean of the appropriate school (or to the Director of the Library) and to the Chair of the appropriate SPLC (LPLC).

8. In a conference of three, the Chair of the UPLC, the Dean (Director of the Library) and the Chair of the SPLC (LPLC) shall either affirm the ranking of the SPLC (LPLC) or shall put forth a revised list.

9. The UPLC shall not provide an "a priori" University-wide ranking. Rather, it shall make ad hoc recommendations concerning the filling of such vacancies as may exist.
a. If a faculty member granted a leave subsequently withdraws his application, the UPLC shall recommend a candidate after considering the highest alternates on the priority lists submitted by the school (Library).

b. If the vacancy cannot be filled from among the remaining applicants of the school (Library) involved, the UPLC shall recommend candidate(s) after considering Item F.4.e above.
MEMORANDUM

To: Lloyd Lamouria, Chair
    Academic Senate

From: Warren J. Baker
    President

Subject: ACADEMIC SENATE BYLAWS CHANGE FOR UPLC
        AND UPLC 1985-86 LEAVE WITH PAY GUIDELINES

I want to acknowledge both your October 19 memo with which you transmitted a proposed bylaws change for the Senate that would establish the University Professional Leaves Committee, and your November 18 memo with which you transmitted the proposed 1985-86 Leave with Pay Guidelines. As you know, both Provost Fort and I were in attendance for at least a portion of the Academic Senate discussion on these two items last Spring as well as earlier this year. While there are some specifics of the two proposals which both the Provost and I would prefer to see modified, we recognize the real differences of point of view among the Senate members and the faculty generally and are willing to accept the general concepts and principles which are embodied in the two proposals.

However, before these documents are officially approved, there are a few minor inconsistencies which I believe should be resolved. Attached is a summary of some of the conflicts between the two documents and/or the documents and the current Senate bylaws which need to be corrected. In the meantime, the UPLC is authorized to operate during the 1985-86 academic year as proposed by the Senate. After the Senate has had an opportunity to assess and take action on the conflicts as outlined, I would appreciate having the documents resubmitted for formal approval.

Attachment
Discordant Provisions of UPLC By-laws, Guidelines and Academic Senate By-laws

1. Academic Senate By-laws
   a. Section VII.B Committees -- should reference that UPLC is an exception to the policy that all committees will have representation from professional consultative services.
   b. Section VII.G.2 should substitute UPLC (elected) for Personnel Review.

2. Proposed UPLC By-laws
   a. If UPLC is to replace Personnel Review Committee, then proposed Section VII.I.12 should be VII.H.12. Also, under current proposal, the title should include the word "University" (University Professional Leave Committee).
   b. Proposed Section VII.I.12.b, Responsibilities, should be parallel with proposed UPLC "Guidelines" Section C, "Functions".

3. Proposed UPLC Guidelines
   a. Section A, "Membership", should parallel "Membership" of proposed By-laws regarding UPLC Section VII.I.12.a.
   b. Section C.6 and F.9 should be compatible.
From: Raymond D. Terry; Chair: UPLC

Subject: Discordant Provisions of UPLC By-laws, Guidelines and Academic Senate By-Laws

President Baker, in a memo dated 12-2-85, indicated that the C & B Report (approved by the Senate on 10-1-85) and the UPLC Report (approved by the Senate on 11-05-85) were unofficially approved. Official approval would be contingent on the resolution of minor inconsistencies within and between the two reports. The inconsistencies fell into three categories. Those inconsistencies noted in Item 3 may be removed by the Senate's adoption of the following amendment:

Amendment 3a: On page 3 of the UPLC document "Leave with Pay Guidelines" the following two items will be added:

A. 2. The Associate Personnel Director or his /her designee shall be an ex-officio, non-voting member of the UPLC.

A. 3. The Provost or his /her designee shall be an ex-officio, non-voting member of the UPLC.

Amendment 3b: On page 3 Item C. 6. shall be changed to read:

"C.6. Review the priority rankings submitted by the several schools and the Library; inform the Provost of any apparent inequities in those rankings; and make recommendations based on its findings."

Amendment 3c: On page 3, another function should be added to C:

"C.7. Make ad hoc recommendations concerning the filling of such vacancies as may exist."

The other four inconsistencies noted by the President fall within the scope of your committee. I suggest that we get together sometime in the next few weeks to draft amendments that will remedy the other two types of inconsistencies.
