"What's the load on the truck?" was the question asked by the Aud how many times as they came out of the kitchen door. "You don't know what to do with it, do you?" Mr. Warren asked.

But the truck contained more than was told in that sentence of reply. For there was part of the story that the Navy Air Station Depart­

First Home Appearance Will Be First
League Mixup For Mustangs And
Chico State College Eleven.

Cal Poly’s football squad will make its first appearance of the season on the home grounds tomorrow when it tangles with the powerful Chico State College eleven on Poly field. With one victory, one defeat, and a tie, all played on foreign soil, the Mustangs will be watched with unusual interest as they play their first league game of the year.

Coach Acker’s Wildcats are out after their fourth consecutive championship in the California Coast Conference and from advance reports, the dope has it that Chico will show tomorrow what, to all of which means nary a thing to the Mustangs, their coaches and school.

Chico State College, lying a large school, has had a world of football material in past years and this year seems to be no excep­
tion. They enjoy the presence of a number of former prep stars on their squad. The northerner’s main strength lies in their ability to execute trick plays when hard-pressed for yardage. Their de­
ception is keen and they are heavy and aggressive. Without a doubt they are an all-around fighting outfit.

Cal Poly sees Chico just as represented and is not considering this game lightly. Coaches “Al Agost, “Mel” Rider and "Ray" Self have been putting their four elevens through some rather stiff
and rugged training with the one objective in mind: beat Chico! And with plenty of stress on the “beat.”
