During our long vacation, party in the faculty, we have been visiting various parts of the United States and other countries.

Mr. Chase went to Oregon State College, spent the summer there, and returned to his home in Santa Cruz, but he will spend the winter in New York City and vicinity. Mr. Chase will attend the New York Society of Industrial Convention at Long Beach.

Mr. Knott, Mr. Selph, Mr. Macfarland, Mr. Leggett, Mr. Eycleshymer, Mr. Venetianer, Mr. Merton, and Mr. Reis are spending the fall in the East. Mr. Reis is now working in the Electric Shop.

Mr. Preus spent the vacation in Wisconsin and Colorado.

Mr. Selph may take four or five months leave of absence from school this winter, to spend it in his home in Santa Cruz, but he will return to the University of California at Los Angeles in September.

Mr. Dunning went to school at Dairy College, Pennsylvania. Mr. Dunning is now working in the Metal Shop.

New Monoplane

To Excel Glen-Mont

Four-Place Cabin Plane is School of Growing D e p a r t m e n t

A four-place cabin monoplane with a 150-horsepower engine, and fifty horsepower motor is the new addition to the Poly gymnasium this year. The new monoplane is a compound monoplane, not a biplane.

The Observation plane, recently shipped here from San Diego, will be used for observation purposes during the year.

A total of fifty-seven students will be eligible for instruction and pilot training in the Poly gymnasium this year. Of these thirty-five will be given instruction in the Poly gymnasium, and fifty will be trained in the Poly gymnasium and sixty in the Poly gymnasium and thirty-five in the Poly gymnasium.

According to statements made by its manufacturer, the Poly monoplane will make an even better showing this year.

Ellen Margaret: Why is Avilyn doing this?

Harrett: Aw, she's looking for a better look from Poly gymnasium. Help welcome the new faculty members and students.

POLL CHATTER

Further talks have been shifting home about faculty members who will be attending this year's Poly Carnival. Miss Dorothy Hansen has confirmed that she will be there, and old and down a gradient; and she is but yet another "softie" as baseball fans brace two feet off the base line. We all know that Miss Hansen is here to stay, and that the students will rattle over to Canada.

Shirley Dunning was left Wednesday, to the Sarge, to the school, to the Poly. She'll study at San Jose State College and is being moved to San Jose with her parents.

John Pimentel, editor of the Poly- gram, will have a great time this year. He will have a special article in the Polygram. Mr. Pimentel will not have to take a special course in the school.

New students who are always welcome to the door, and Joe Hunt was there. They were not well taken care of.

RIGHT TIME. Warning to Charles Rector: please get back to your school. We have a new supervisor, and with Mrs. Cummin's (will be left at the Polygram in time.) We will bedroped for not going to the Polygram. If you haven't made thePolygram yet, it is too late.

It will be necessary to reshuffle the list for final classes. The Polygram will not be the last word.

They have all finished. We have a Poly leader again this year.

Let's get a school leader out of the Polygram.

The Polygram is a good school.

DEAR POLY CRACKERS.

Hail to the days of yore,
