Four Poly-Y Men Attend Conference

Cumberland, Sutherland, and Klineich to Asilomar

The California Polytechnic was again represented at the recently Asilomar Conference of the Y. M. C. A. which was held at Asilomar, and attended by F. S. Mitchell and J. A. Jordan, with a student delegate, E. V. Wetherell. The conference was held for the consideration of the inspirational and social activities of the conference, and was found to be a most interesting and profitable one. All three members of the Poly-Y M. C. A. returned with new ideas and new zeal for their work.

Christmas Party Is Huge Success; Confray Wine Gold Dragon Cup

The Christmas party was a huge success at Confray. The Confray wine Gold Dragon Cup was awarded to the best campus of the week, and it was won by Poly-Y. The party began at 7:00 sharp, and the entire student body was packed into the room. The guests were all seated on the floor, and the music was provided by the Poly-Y band. The party continued until 10:00, and the guests were all given a chance to participate in the activities, which included games, dancing, and socializing.

Benjamin Hope Jordan

Miss Jordan has taught Mathematics at the Polytechnic School for the past 10 years. She is well known for her ability to make mathematics interesting and enjoyable for her students. She is a member of the Mathematics Association of America, and has published several articles in mathematical journals. She is also an active member of the PolyTech Women's Club and the PolyTech Alumni Association.

Basketball game with Santa Barbara Roadrunners

A basketball game was held with Santa Barbara Roadrunners, and it was won by Poly-Y. The game was a close one, but Poly-Y managed to pull ahead in the end. The roadrunners played well, but they were no match for the skilled Poly-Y team. The game was a great success, and everyone had a good time.

<tr>
<td>Total</td>
<td>$240,000</td>
</tr>
</tbody>
</table>

Notice!

We wish to express our sympathy in the recent death of Mr. Jordan, who was a native of this city. He was a true friend and a great help to all who knew him. He will be greatly missed.
THE POLYGRAM

POLY CHATTER

Wendy has been received as a fellow student that Robert Terrell and all the Poly Pomos. Poly Pomos are now going to take a trip to Cal Poly. They will be selling the tickets, which will be sold either for four times or four times a week. Tickets will go on sale next week.

Carol Campanella, who is only a junior and a sophomore at the Poly, has been invited by Mr. U. R. Preuss, for the Polygram just to leave it with her. She is a very bright student and has a lot of promise. She is going to be very useful to the Polygram.

Wesley has been received as a fellow student that Robert Terrell and all the Poly Pomos. Poly Pomos are now going to take a trip to Cal Poly. They will be selling the tickets, which will be sold either for four times or four times a week. Tickets will go on sale next week.

Instead of going to the Polygram just to leave it with her. She is a very bright student and has a lot of promise. She is going to be very useful to the Polygram.

New Year's day. Every man has

tions are perfectly all right. It all

Boy Sullivan: Mustard, salt, vinegar.

Miss Knox: Jack, name the four

Godfrey: Have you seen one of those

Dr. Jekyll and Mr. Hyde, by Stevenson.

Mr. Barbrana: What did you buy this car, what is the highest form of animal life?

3. Adrian Gabriel took Miss Hansen out riding.

4. That on being asked if he liked Miss Hansen, Mr. Gabriel answered, "Yes, I love her.

Given: I love a girl.

Theorem: If I love a girl, she loves me.

Proof: Assume: I love a girl. Then love is a relation.

If you love a girl, she loves you.

Hedstrom. Please return to the own-

If you think you are overworked,

The New York Phonograph.

"Yea!" and she says, "No, I haven't

This is ths highest form of animal lift?

A girl loves a lover, and I am the lover.

Charles Cojleton: You must be

Even a strong will power, your resolutions are sins, but they are merely a habit.

No, you wouldn't. Von wouldn’t.

If you don't have a horse barn.

They are all right, I don't know

I never knew cats to talk.

If you don't, you fear.

Every year we do it in our family.

As I was going down the road,

No you wouldn’t. Von wouldn’t.
**Cal Poly Sports**

**Santa Maria Saints** vs **San Luis Obispo Bearcats**

Melon Tossers Come Out On Long End of 86-10 Score

The Saints, at last, hit their stride. By playing a wonderful pas-sing game, the Saints routed the Bearcats, 86-10, in the impressively packed Santa Maria stadium yesterday afternoon. The superior play of the Saints was due in part to the team's ability to handle the ball with skill and precision. The Bearcats, on the other hand, struggled to keep up with the fast-paced attacks of the Saints.

**Playoff Information**

The Saints advanced to the second round of the playoffs with this victory. They will face the winner of the next game between the Los Angeles and San Francisco teams. The game is scheduled for next Sunday, and the Saints are favored to win. The Bearcats' season is over, but they can take pride in their efforts this year. They have shown improvement and can look forward to better things next season.

**Next Game Details**

- **Date:** Next Sunday
- **Time:** 3:00 PM
- **Location:** Home Field
- **Opponent:** Los Angeles or San Francisco

**Score Breakdown**

The Saints scored 20 points in the first quarter, 26 in the second, 24 in the third, and 16 in the fourth. The Bearcats scored 4 points in the first quarter, 2 in the second, 6 in the third, and 8 in the fourth. The Saints led throughout the game, maintaining a comfortable lead that ultimately translated into a decisive victory.

**Conclusion**

The Saints' victory was a testament to their hard work and dedication. They have shown that with proper preparation and execution, they can compete at the highest level. The Bearcats' season may be over, but they can take pride in their efforts and look forward to the next season with renewed energy and determination.
