Goodwill Lectures On Automobiles

Reasons Given For Great Number Of Automobile Accidents.

Mr. Goodwill, who is the leading expert in this field, was able to secure a talk on automobile safety at the assembly. He gave facts that were startling in their accuracy. His data showed the number of accidents that occur each year, the cost of these accidents, and the measures that can be taken to prevent them. He also spoke of the importance of good road work and the need for better drivers.

Seventeen New Students Start In Second Semester

Seventeen new students have entered the California Polytechnic. Two of them are from outside of the United States, one being from Sini Louis, France. The others are from Berkeley, Calix, and other places.

Mr. Wright Visits Campus

Mr. T. M. Wright, chairman of the California Polytechnic State Assembly, visited the California Polytechnic State Assembly on Thursday, March 5, with the object of looking over the school and to see if the arrangements being made for the state matters were adequate. With him were his wife and Assemblyman J. W. Wilson.

Mr. Wright holds the most important state matters of the California Polytechnic State Assembly in charge of the state matters. With him were his wife and Assemblyman J. W. Wilson.

An Interview With Mr. C. R. Fox

Mr. C. R. Fox is one of the few airplane pilots who are being trained to their work. He touches on the subject of how many years are necessary to become an airplane pilot. He also talks about the difference in the training of the pilots.

The Seniors of the California Polytechnic would be given a presentation of the new dairy barn at the assembly on Monday, March 23.

Investment of Funds

A party was given by the Amapola Club in the student union. The party was well chaperoned by Miss Jordan. The party was held at the home of Mr. and Mrs. C. E. Fox Construction Co., and, in the light of the weather, it was a better party than the last one.
