Track Prospects Good

With "Sweetie" Witter throwing the "crew club" 121 feet already this season, and with Poly's "green horn" feeling in tip-top shape, prospects do not look too bad for the cross country team. A good race is a very good possibility, but a state title is rather hard to come by. However, the President of the club, W. Witter, has run or would like to run the distance for the state title.

Basketball Squad Elect Bill Coffman Captain

In a close vote, Coach J. C. Farmer selected as captain next season Monday, "Bunny" Coffman was elected. Although he has been somewhat off all season due to illness, the scratchiness of the team throughout the season, and in most deserving of honored bestowed upon him. The squad that will have a good chance is as follows: Mark, Hogue, and the Poly students will add to the support in the future.

Mechanics-A-Game

Two evenings ago, Field St. at two o'clock sharp, the Mechanics and Ags played a good game. Executive Secretary A. M. H. tried to get the Poly out but in a score of 35 to 10. The Ags are not on account of the score-keeper. Referee Burum acted as the score-keeper. Referee Burum, time-keeper, Hedstrom.

What, the boys haven't heard "Tilly" the barman say. Give me my hat. It's hard to tell whether "Tilly" is going to take it down over the close house when Mr. Thompson is coming to have it washed for the boys. The how the hat very much, and Mr. Hatcher wanted to know if he could have it washed.

SANTA BARBARA AGAIN VICTOR OVER COFFER

With Halsehurst and McMillan again leading the score, and their fourth successive game to the Santa Barbara State Teacher's Association at the High Gymnasium in Santa Barbara last Saturday afternoon.

The games was very new in the first half. Poly scored only 11 points, but in the round half and Coffey found the loop from the middle of the court near four field goals. After this one spot of scoring, the Mustangs were unable to rally well, and their team looked much better than the rest. Poly Lineup: Kreps, Guirman, Stetson, Coker, Coffey, Carter, Anderson.

The Cash Register was a noisy squeak or whistles* what's this? You all hear. That's all I say any wider than you are.? And wanting them over a streetcar and finding them standing there, quoth the Robber. Finished, what else besides an E and 71?"
