Meeting Held By S.A.C. Committee

Contract Signed For El Rodeo Cover, Date Set

At a Student Affairs Committee meeting held Tuesday, February 18, a letter was received from publisher J. C. Thomas, confirming the school was discussed and acted upon.

The question of new equipment for the orchestra was brought up by Mr. Crandall, and there was enough money left in the original state budget to buy some small stage lights and a few minor instruments. Mr. Funk, as publicity director, has asked for two sets, and a survey is being made of the equipment for the material and the best bargain is to be raised from the profits. This will be made by students of the corporation.

The "Poly" cover was mentioned at the last meeting, and has been sold to the companies, and it was agreed that the cover will be sold for $4.50.

Mr. Crandall brought out the need of having a stronger publicity organization, and it was decided that the "Poly" cover and the "El Rodeo" cover will be sold to raise funds for advertising for the papers, and these will be sold at the beginning of the year.

Mr. Dunning To Lead Poultry \nation

At the annual election of the Poultry Association of San Luis Obispo, Ben H. Malikis, of the 

Malikis Repair Block

San Luis Obispo

Sunday mornings are usually mornings of sleep for most of the Poly staff, but not for Mr. Malikis, who, 17, did not get the Malikis very much sleep the morning of February 16. Mr. Malikis desired to blow the horn again, but unlike the boys of the Poly staff, he did not try to blow his horn too hard. His horn was a big success and he got up very early in the morning to be used for painting the "P" gate was even taken together.

One of the biggest problems is the painting of the "P" gate. This is a big job and Mr. Malikis was very careful to make sure that it was done correctly.

Mr. Malikis very much liked the job and he is asking for a raise. He is now asking for $3.00 a day.

THE POLY CHATTER

Galley Slaves

Jerry Cornwall has the flu and has been in torn for two days. Jerry's illness has had a bad effect on the football team this week. The team had to work hard to build a fire in the Print Shop Monday night. Let's hope Jerry returns soon.

Don't be alarmed if you enter the Print Shop and find strange little creatures running about. They are just the Poly crackers. They are not crazy. They are just trying to talk to each other.

Heshehurst's had an pick-up over the radio this week. Roy says it is lots of fun to walk on crutches.

HIGH ALTITUDE

Harry Swain, "Chief Harry," as he is known around campus, is mapping his route for the big climb in Ohio. He says he is going to make the Stag's Peak climb in October.

Florian Gourley came into class late today. He was wearing a new pair of glasses and seemed surprised.

"Can you believe it, Jonie?" he asked. "I just got my first laser!"

Judy Smith

"I'm certainly surprised to hear that," Judy said. "I've heard it was a real laser."
