This will acknowledge receipt of your June 10 memo with which you transmitted the resolution adopted by the Academic Senate at its June 3 meeting relative to recognizing Women's Week at Cal Poly.

I am pleased to endorse and approve this resolution. As I know you are aware, there has been an active Women's Week Program for the past several years, primarily coordinated through the efforts of Willie Coleman in the Student Affairs area. I agree that official recognition of Women's Week by both the Academic Senate and the University as a whole will call even further attention to this important activity.

By copy of this memo to Vice President Strom and Director of Public Affairs, Stan Bernstein, I am asking that appropriate public announcement of this resolution be made in connection with the publicity relative to the Women's Week activities.

Eli - you are getting results! Thanks for your input.
