Cal Poly Cracks Down on Underage Drinking

Concerned about a recent spate of alcohol-related incidents and injuries, Cal Poly officials on Sept. 16 announced a series of aggressive short-term steps aimed at discouraging excessive partying and promoting responsible student behavior. "Because of several recent events involving alcohol abuse in the neighborhoods near campus, we decided on Wednesday that we needed to immediately and aggressively step up our efforts to ensure that the new academic year gets off to a good start," said Cal Poly Provost Robert Koob. University Police, in collaboration with the San Luis Obispo Police Department and Alcohol Beverage Control, will increase police presence, DUI checkpoints and other alcohol-related enforcement efforts, including undercover activities, on campus and nearby neighborhoods.

President Baker Outlines Progress, Challenges in Coming Year

Cal Poly President Warren J. Baker outlined progress and challenges facing Cal Poly during the opening of Fall Conference on Sept. 14. Cal Poly has a reputation for excellence, the largest undergraduate enrollments in architecture, engineering and agriculture in the CSU, and the highest graduation rate in the CSU System, he noted. But the university needs to work on developing funding sources not dependent on the state. "Unfortunately, the state's recent cuts for the CSU were merely prologue," the president told university faculty and staff. "California's budget difficulties are not going away anytime soon."

Campus Q&A - Anderson Pool

Q: When will the Anderson Pool renovation be complete?

A: The Anderson Pool renovation will be complete within two weeks. The pool is 50 meters by 25 yards and boasts 18 short course lanes and eight long course lanes. It also has one three-meter diving board and one one-meter diving board. Additional concrete pads are in place for future

installation of another three-meter and another one-meter diving board. The pool walls are constructed of stainless steel panels which makes the pool very fast. It also has an overflow gutter system.

Faculty Asked to Check E-mail Before Line Dropping Students

Faculty are asked to check e-mail before line dropping or otherwise penalizing anyone for not attending class. To reduce the spread of illness, students are being asked to stay away from class if they believe they have the flu and

to e-mail their instructors immediately. When students return, they may not have doctors' notes confirming that they were sick. Please accept their word for it. The administration is specifically asking flu victims not to take up the time of health professionals unless they require additional care. For more information, call the Academic Programs & Undergraduate Education office at ext. 6-2246.

Earth and Soil Sciences Has Moved

Over the summer, the Earth and Soil Sciences Department office moved from the Science Building to the Graphic Arts Building, Room 100. All labs and faculty offices were moved to make way for the new Center for Science and Mathematics Building. Visit the [Earth and Soil Sciences](#) Web site for a complete list of office numbers. For more information about the Center for Science and Mathematics Building, visit http://www.cosam.calpoly.edu/science_center/index.htm. For questions, call ext. 6-2261.

Statistical Consulting Now Available

The Statistics Department provides a statistical consulting service to the entire university community to facilitate research design and data analysis in a wide variety of disciplines. The consulting service is intended to support projects and research of Cal Poly faculty and staff and to provide assistance for students working on senior projects and graduate research. Visit <http://www.calpoly.edu/~stat/consulting.html> for complete information.

Make Your Event Official - Put it on the Master Calendar

Cal Poly's master calendar is the central point of coordination and communication for scheduling activities on campus. Scheduling protocols for campus activities conducted by faculty, staff, individual students or state-sponsored student programs are outlined in Campus Administrative Policy 144.4 and should be registered with the campus master calendar. To register an activity or event, submit an online request form to University Scheduling at <http://universitiescheduling.calpoly.edu/request.html>. The form also allows the user to indicate whether they want the event publicized on Cal Poly's [Events Web site](#). Read Campus Administrative Policy 144.4 at <http://policy.calpoly.edu>. Open Enrollment Ends Oct. 9

The 2010 Benefits Open Enrollment period for Cal Poly State employees began Sept. 14 and ends Oct. 9.

Open Enrollment allows benefits-eligible employees not already enrolled in a health or dental plan to do so. For those already enrolled, Open Enrollment provides the opportunity to change health or dental carriers, enroll or cancel Flex Cash participation, and add eligible dependents. All changes made during Open Enrollment are effective Jan. 1, 2010.

This is also the time to enroll (or re-enroll) in the Health Care Reimbursement and Dependent Care Reimbursement Account plans for the 2010 tax year. These plans provide a perfect opportunity to pay for out-of-pocket health and dependent care expenses with pre-tax dollars. To continue participation, you **must re-enroll** each year during Open Enrollment.

The Benefits Newsletter, available on the Human Resources Benefits Web site at <http://www.afd.calpoly.edu/HR/benefits.asp?pid=3>, includes details about the Blue Shield NetValue plan now available in San Luis Obispo County, 2010 health plan premium rates, and instructions for making Open Enrollment changes.

A Benefits Vendor Fair is scheduled for Oct. 1 from 9 a.m. to 1 p.m. in the UU in Chumash Auditorium. Anthem

Blue Cross and Blue Shield HMO will hold health plan information sessions, including Blue Shield NetValue sessions at 9 a.m., 10 a.m., 11 a.m. and noon.

All Open Enrollment Worksheets must be received in Human Resources as soon as possible but no later than 5 p.m. Friday, Oct. 9 in order to be processed. Questions can be directed to Human Resources at ext. 6-5436.

CTL Hosts Junior Faculty Learning Community

The faculty learning community offers participants an opportunity to network and collaborate with junior faculty from across the university. Coordinated by the Center for Teaching and Learning, the goal of the program is to enhance teaching and scholarly engagement on issues associated with the responsibilities of being a junior faculty member. Participants in the community will work collaboratively to build individual and group learning outcomes. Selected participants are led by a facilitator and paid a \$500 stipend upon successful completion of the program. The community is open to full-time, probationary faculty in tenure-track positions at the rank of assistant or associate professor as of September 2009. Selected participants need approval from their department chair. The program runs from October to June 2010. Applications are due Monday, Sept. 28, at 4 p.m. Selected participants will be notified Wednesday, Sept. 30. For more information or an application, go to http://www.ctl.calpoly.edu/faculty/faclearning_community.html or e-mail ctl@calpoly.edu.
