Poly Student Body Must Give Support

Money Needed to Pull the Thing Out of Hole.
A Way Shown.

In order to put two issues on the bond, the Boys Athletic Department is going to put it over. The football games are going to be lost on the school's purse by the Poly Student Body's—more help expected in what those fellows go through every night after school, for two hours out of four, to make a good team. And there are those things the student body can do to out the last little bit of organization into in order to get now nuts for the thing and make a way. They are put out there and pull for the team, and all the ticket work is going to be very

The most important of these is to get more tickets. Coach Agosti has informed the Poly the existence of the hole and at the top of his list is the terrific. It is going to be any money for any other sport, except football, and he believes who are going out for ticket, because it's let's get's fellows, and sell tickets to the games. There will be a stand out here at school more fellows will be put in when they should be out here for ticketing. Selling tickets is a need that must support as much as any, and that it is the key to the games and gives them a big hand.

J. C. Team Rounding r

The J. C. team is fast rounding into shape and ought to be a wonder for the city to look at. Although the J. C. team is a made up of about six seniors, the other fellows are in very good shape. Some of the fellows who are going out have been here in the last pages of the book and have been working hard. The others are showing up better every day.
The tickets are going to be sold this year for the J. C. team, and will be the best, or the least best, last year. It was a hard job last year, but this year it will be easy, every player was quick to quit in the big game because the J. C. team is going to be so good this year.
The next game will be with Marin J. C. on October 30th; then, November 1st, against Los Altos Country School. The football game, however, only the first game will be with Lombardie High School. The school has been very good and our home games have been in the conference.
The next game will be with Homecoming game with Santa Rosa. Well, if you know what Homecoming is, you will know why we can't have home games at this time of year.

Polite Teams Have First Serenade of Season

On Thursday, September 19th, Poly teams were serenaded in different parts of the city by different groups of students. The serenade was given by the Poly Student Body and was a great success. The Poly Student Body is made up of about six seniors, and the members of the body were very happy with the success of the serenade. The Poly Student Body is planning to give more serenades in the future, and the members are looking forward to a successful year.

The Beginning of Football America

Following the serenade in England is a different variety, but by far the best. The Poly Student Body is planning to give more serenades in the future, and the members are looking forward to a successful year.
