ACADEMIC ADVISING COUNCIL (Cannot be from CSM)

ASI BOARD OF DIRECTORS

Jim LoCascio, Mechanical Engineering – 29 years at Cal Poly, tenured (incumbent)

I would like very much to continue my service as the Academic Senate representative to the ASI Board of Directors for a sixth year. This continues to be the most satisfying position that I have had the pleasure to serve on. This position gives me a window to student opinions outside of my own college and this is important because it allows me to report their opinions back to my own department and the statewide Senate. To observe these young energetic Cal Poly students running their student organization inspires me to make sure that my lectures are delivered with just as much energy.

CAL POLY HOUSING CORPORATION BOARD

CAL POLY PLAN STEERING COMMITTEE (Two vacancies)
