Monsen belongs on the staff of the club. He is the team's star, and was one of the best scoring forwards in the league. With the exception of Vandam, who will be plenty hard to pass through and ought to give the opponents a good game, he turned the first fine game against the Mustangs of Menlo.

The team had failed to get all their spring work in, and had to meet the Mustangs at full strength. It was 2:00 a.m. in Bakersfield. A bus was driven up to the rear of the hotel and the Mustangs were loaded into it. The bus disappeared, and the Mustangs were away.

Among the stars of the team were:

"Swede," and "Chuck," an old stand-by from the school last year's high school squad.
