#### Endowment to Honor President and Mrs. Baker Established

Friends of Cal Poly recently established **The Baker Fund for Excellence in Project-Based Learning** as a tribute to the 31 years of leadership provided by Warren and Carly Baker. Nearly \$700,000 has already been raised for the newly-created endowment. Cal Poly President's Cabinet Chairman Steve Ciesinski and Rick Bergquist of the Cal Poly Foundation Board of Directors presented the Bakers with an award naming the fund after them at the Cabinet meeting dinner May 2.

The Baker Fund is a lasting acknowledgment of the vision and accomplishment of the Bakers. It will help enhance Cal Poly's hallmark hands-on approach to learning that combines practical, professional and experiential learning opportunities. Support from the endowment will help fund collaborative student projects across disciplines to address real-world problems, engage in innovative research and participate in national competitions. Contributions to the fund can be made by visiting the [Giving website](#),
