County Orchestra Holds Try-Outs

Poly Furnishes More Successful Candidates Than Any Other School

FEBRUARY 20, 1932

The Polytechnic holds try-outs for the orchestra on Saturday, February 19. Students from all parts of the school were present, and the orchestra was a huge success. There is no doubt that the orchestra will be one of the best in the state this year and will perform at many conventions.

Cal Poly Aeroplane Enjoys Flying Speaker

Walter F. Fleischman, field representative of the Boeing Company, spoke to the Polytechnic Aviation Association. He discussed the new aircraft being produced and the advancements in aviation technology. Many students were eager to hear about the latest developments in the field.

Polytechnic Joins In Community Program

The Polytechnic joins in the community program by participating in the local American Legion banquet. The students were very enthusiastic about being able to contribute to their community.

Cafeteria Provides Many Students Jobs

The cafeteria at the Polytechnic provides many jobs for students. Many students work there to earn money for their education or to help support their families. The cafeteria is an important part of the Polytechnic community.

Regional Supervisors And Ag Teachers Meet

A group of agricultural teachers and regional supervisors met to discuss the needs of the agricultural students in the region. They worked together to plan programs and activities that would benefit the students.

Campus Players To Present "The Bad Man"

The Campus Players will present "The Bad Man," a play about a man who had been in prison for many years. The story depicts a role of the Wild West and the trials and persecutions of the early Christians. The Polytechnic Student Government, under its first public appearance, plans to make a commendable record during the year.

Homeless Sheriffs Have Tonals Removed

California Polytechnic's basketball team is in competition today, and the Polytechnic Student Government, under its first public appearance, plans to make a commendable record during the year.

Further information about the Polytechnic Student Government can be found in the Polytechnic yearbook, which is due for publication in the near future.

First School Named For Abe Lincoln

J. J. Hyer Attends Alumni Association Gathering At San Francisco

J. J. Hyer, popular electrical laboratory instructor, had the unique pleasure of attending the reunion of the alumni association of San Francisco's famous Lincoln grammar school on February 12, 1932. The reunion was held at the United States Bank building, where the school was located in the sixties. The building no longer exists, but the spirit of the institution and the alumni has survived.

One of the by-laws of the association requires that only alumni who have been out of school 30 years are eligible for membership. At present there are 560 active members, 150 being present at the reunion of 1932.

The reunion was held in the old office building, where many years ago, were gathered all the early classmates and teachers from the Lincoln grammar school.
WHAT'S HER NAME?

In the last few months many announcements have been made in assembly regarding the invitation list for girls for the school dances, but so far only a few names have been turned in. The task of compiling this list was given to the student body president to attend to, and it is impossible for him to make the list by himself, he has asked each student to turn in the names of at least one girl whom he would like to have attend the school dances.

It is not the first time that girls and boys at the dances. If, therefore, a list of 100 girls to whom invitations might be sent were available, at least half of them would probably come. This would insure a better time for more fellows at the school.

The average student, however, is inclined to "leave it to the other fellow to do the work." But why should there be so few girls at the dances? It is up to each student to see that the names of his girl friends are put on the invitation list.

WHAT WILL BE THE OUTCOME AT GENEVA 1932?

In 1896 the Carnegie Foundation invited to all world powers inviting them to meet at the Hague for the world's first disarmament conference.

This new idea was soon to be opposed by the German representative. Germany, having at this time both a huge army and navy, was unwilling to sacrifice her power over her neighbors.

1904 found the second disarmament question (or rather the second disarmament conference) held this time in Washington, D. C.

Again, during President Harding's administration, another disarmament conference was held this time in Washington, D. C., gaining the title of the Washington Conference.

Delegates from eight European and Asiatic powers were present as the meeting opened with Secretary of State Hughes acting as chairman. Hughes proposed a ten year intermission in battleship construction, offering the part of the United States to scrap a large number of its ships providing Japan, Britain, France and Italy would do the same.

In the past there have always been fewer girls than boys at the school dances. The student body president has asked each student to turn in the names of at least one girl whom he would like to have attend the school dances.

The question which is before us now. P. J. C.

THE POLYGRAM

Deuel Hall Notes

From the Department of Citizenship we learn that the work in the electrically run model town which has been set up in Deuel Hall has been progressing rapidly.

A group of students has been assigned to the task of making the electrically run town a success.

Jaspersen Dorm Notes

At the dormitory meeting held Monday night Mr. J. C. M. Smith, the new director of Jasper's dormitory, was elected president. Harriay Cox, vice-president, and the other dormitory officers were re-elected. The new dormitory director reported that the work was going forward rapidly with the making of suggestions for the dormitory conference.

Harriay Gilliland, Paul Armandt, and Harriay Cox, were appointed by Mr. Smith to investigate mechanical utilities for a dormitory trip.

**A Woman's Journey**

By Donald MacLehose, Jr.

(To Donald MacLehose, Jr.,

When I was a girl,

I used to dream of

your city,

With its bright lights and

its grandeur.

But now I'm here,

and I find it

is not what I

expected.

It's much
to	

different.

But I'm

happy.

I've found a place where

I can be myself,

and I'm

beginning to

understand

what makes

this city

such a special place.

I'm grateful

for

this experience.

I've

learned a lot,

and I'm

looking forward to

what the future holds.

Thank you,

Donald MacLehose, Jr.

Your journey continues...
