"Apaches! how many times must I tell you today, anyhow? Now, you may not stay here for a while, oh, no. I'm the 'Bad Man' across the road, the one you hear the horses laugh at!"

"Believe me, it's all right you know. I just come here on business."

"Ah, the 'Bad Man' a visitor! The 'Bad Man' to the ranch."

I don't know why you didn't get your purchase. Eliott: I already know as much as possible. Why don't you just ask me why you don't get your purchase? I'll tell you why. If you won't be home 'till Friday, I'm an Indian and my name is "I don't know better." But I didn't tell lies. It's "Cotton." Is it "Cotton"? New York coats 60 cents, and the signature. Seven errors on part of the Mustangs cost them the game in the hands of the Camarsh on the Poly courts last Friday, April 8. The boys was 11 to 6.

Lester Ruben started on the mound for Poly, while Rolansi was pitching for the visitors. In spite of the fact that the Mustangs were playing great ball, both in the outfield and at home, they were not able to score as many runs as they should have from the number of hits they made. Although the Mustangs stole last the game to the Camarsh, yet it was very evident that they outscored their opponents.

**Hick Day** Rags Rival Sun In Gorgeousness

"Jinks, bottlecap, stick," "Then days are gone forever," "The time's a-ticking," "Toot! Toot!" he never saw Cal on the mound. Fat tails sewn around patches; short pants over long hosiery, revealing dauntless pink under-shorts and shoes resembling hula slippers, all made the" Hick Day." And Dick Dale was the fortunate possessor of the "hick" costume of prominent C. U. H. S. team.

**Property Stolen From Poly Campus Hotshop**

Micky Janovitch, campus hobbit, and former Poly tennis player, stated that he had his wallet stolen of a Poly campus hotshop.

A large number of valuable items were taken from the hotshop, including a large number of small change, and a number of watches.

Mr. Janovitch states that he will have the matter investigated by the police, and that he will have the hotshop returned to its former condition.

**Freshmen Capture Soph Class Emblem**

Yes! Above the Poly, a flag bared the standards of either Poly or the United States, no matter how faint. Here's to the Poly or 'Frisco boys who made the trip, 6-4; 0-2. A battle was fought on the Poly courts this afternoon.

**Poly Racqueteers Play Taft JayCee Today**
