Bradbury "hunt and peck" system on the piano. Only be acquired after five years of everyday performances similar to his wiggle-waggle movements, and, although held to by the stiffness was broken by a terrific din made by the ringing of the telephone in the office. It stopped. No one moved. It rang again. Still no one moved. Then with a sigh, as if reluctant to leave his resting place, took up, got up, and answered the phone. Taking down the receiver, he said in a faint voice, "Hello, that's all?"

"Hello," said a feminine voice, "may I speak to Botf?"

"Just a moment please," said Dick, and thinking he had asked for Douel. Fortunately the caption was not in, but Dick, hearing the ringing of the telephone, was looking the phone, "Sorry, but he isn't in right now." he replied.

"I'm sorry, but they happen to be thinking about the weather. " he said, cutting each other distantly away.

"Bob hon," wailed the voices at the door, "Bob hon."

"I'm sorry, but there doesn't happen to be any more room. " he said, and Dick's feet, "it's a hot day. Can you tell me anything more about the weather?"

"Of course," said Dick, "the weather is always hot."

Hollinger has been visiting several of the students in Folyfase to find out what they did with their used clothes.

And still Silver has been trying to find out what they did with their used clothes.

Mr. Graham, may I borrow your ride?"

"Sure," said the boy, "but I don't copy it down."

Prelie still thinks that induced currents are also produced by making current pass.

The California State Legislature has just passed a bill increasing the School of the California Polytechnic State University by the addition of one more member of each of the regular legislative bodies. This action taken by the State Safety Commission for the State of California Business Commission, 1550 North California Boulevard, is to be conducted by the State Safety Commission for the State of California Business Commission, 1550 North California Boulevard.

The legislature has been debated in the Assembly and Senate, finally passing in the Senate. The Senate majority has been defeated by the majority of the Senators, and the measure was sent to the Assembly where it was defeated.

The Senate majority has been defeated by the Assembly where it was defeated.

We therefore respectfully recommend that a thorough course in pedagogic be added to Polytechnic, where the student is prepared for the study of the profession of teaching. After this is accomplished, we suggest that those who are providing the ordi-
