Faculty and staff members may nominate students for the university's 2010-11 Outstanding Student Employee of the Year (OSEY) award. Nominees must have completed at least six months part-time student employment during the academic year, June 21, 2010 to June 12, 2011. Eligible candidates include State, ASI and CP Corporation student employees. Nominees can be Federal Work-Study and non-Federal Work-Study students.

Cal Poly's 2010/11 Outstanding Student Employee will be announced in April. The winner is entered into the state competition and may go on to the regional and national competitions. The national winner is announced National Student Employment Week during the second week of April. To print the 2010-11 OSEY nomination form, visit <http://www.afd.calpoly.edu/payroll/forms.asp?form=20>. ## **Student Financial Aid and Scholarship Deadline is March 2**

The Financial Aid Office asks faculty and staff to inform students that the Free Application for Federal Student Aid (FAFSA) deadline is March 2. To apply for federal aid, state aid and Cal Poly scholarships, students must complete the FAFSA every year. Questions should be directed to ext. 6-2927.

## **2010-11 Federal Work-Study Program Update**

Due to increased use of the Federal Work-Study (FWS) Program, there are a limited number of students with FWS funds. We regret that no new FWS awards will be made this academic year, and there are no current plans to increase existing Federal Work-Study awards. Should utilization level out, the decision will be reconsidered at a later date. FWS was awarded to applicants with a high need who filed a FAFSA application before the March 2 deadline. Be sure to encourage students to complete the 2011-12 FAFSA at [www.fafsa.gov](http://www.fafsa.gov) starting Jan. 1. Since we were unable to grant additional requests for Federal Work-Study in 2010-11, students currently on the FWS waiting list will be given priority for FWS in 2011-12, providing they meet the need requirements and file their FAFSA before the March 2 deadline.
