MEMORANDUM

To: George Lewis, Chair  
Academic Senate General Education  
and Breadth Committee

Date: March 21, 1988

Copies: Sandy Miller  
Glenn Irvin

From: John Harrington, Chair  
Academic Senate GE&B Area C Subcommittee

Subject: Course Proposal for ARCH 316X

The Area C Subcommittee unanimously approved adding ARCH 316X, California Architecture and the California Dream, to GE&B Area C.3. Professor Miller worked effectively with the committee to revise the proposal after the committee's original negative vote. The committee has only one reservation, but it is a reservation that applies to all C.3 courses: the subcommittee believes that each course in C.3 should require an appropriate prerequisite in Areas C.1 or C.2 (rather than in C.1) given the structure and original logic justifying the three areas. However, the committee will need to address the issue per se rather than focus upon particular courses at this time.
