Almost without warning, the time for choosing student-body officers for the coming school year is upon us. With the other activities now going on, there hasn’t been much thought given to this most important event.

Monday is the date for start of circulation of petitions for election of officers for the Associated Students. When you, the students, begin circulation of these petitions, bear in mind the fact that the persons you select as your officers must perform all the duties necessary to the smooth running of your organization.

STUDENT BODY ELECTION

You will see to it that there is honest and close competition in the election campaign propaganda that you have already supplied. However it will be up to the student body to determine the newsworthiness of such material in light of the rules governing election campaigns.

Tri-Angle Meet at Citrus J. C. Today

The Mustang track team travels this weekend, where the boys compete in a triangular meet held at the Junior College; La Verne College and Citrus Jr. C. are the other two competing schools. The meet is scheduled for 4:00 p.m. on Friday afternoon, March 27. Last weekend the Mustang baseball team won two games—one from Taft J. C. and the other from San Luis Obispo Junior College; but dropped their third game in a strong Camp Roberts team. The last game was played on the Camp dimans.

In addition to the two games with La Verne this weekend the baseball team has a third game scheduled for Saturday afternoon with the Voorhies unit at San Dimas.

Taft Defeats Poly In Track Meet Friday

California Polytechnic suffered its second defeat in track last Friday when they bowed to Taft J. C., 72-69. Taft took eight out of 14 firsts and placed well in the second and third places.

Poly men taking first were: Crinklaw in the discus, Glitaras in the 440, Ferri in the shotput, Willman in the high jump, and Philling in the 100-yard dash. The track meet was held on the Taft Junior College field.

Taft J. C. Wins Two Game Series

The Mustangs took on 16-1 squeakeling when they met Uncle Sam’s men at Camp Roberts on Sunday.

The Army had two hurfers who formerly belonged to the Boston Red Sox, Larry Powell and Earl Johnson, both first class hurfers. The only run for the Mustangs in the seventh with a homer by Novakoff, left field. Earl Eckanata is who is going to pitch for San Juan in the State league, worked the first seven for the Mustangs. Larry O’Dell also took over from there on in. At least Stewart couldn’t be stopped by Larry Powell or Earl Johnson.

Bob West, Taft’s third baseman, came through again to gather in three hits for four times at bat.

THE CALIFORNIA POLYTECHNIC EL MUSTANG
Friday, March 27, 1942

Robert, an veteran of three years, is expected to out of Gloves champ, will meet the Poly-favorite, Guido Sargenti, in the main event Saturday.

The annual state convention of California chapters, Future Farmers of America, will be held at California Polytechnic April 28-29.

F.F. CONVENTION

The smallest and lightest boxer in the ring at the time was Guido Sargenti, who gave a record performance in his two previous appearances. He is slated for a return appearance.

Another natural match on the April 1 show is that between Maurice Katcher, 185 pounds, from New York, and Guido Sargenti, 180 pounds, from California. Although the Mustangs had to win because of his excellent performance! in hie two previous appearances he has won the card is that between Bob Proc- the bloodiest end most hotly contested affair on the card.

An exciting event of the Card is the bout In the February program, and the boy slated for a return appearance. Sargenti has turned in thrilling performances in his two previous appearances. His boy was against Guido Sargenti, 180 pounds, from California Polytechnic. In two previous appearances he has won by a wide margin.

The fourth outstanding meet on the card is that between Bob Rob- the site of the Poly base, and the Poly boys will be in what is expected to be the most action packed battle on the card. Foster Standish, 115 pounds, will meet a fast boy from the N.Y.A.

The boy who upset all pro-fighters at the February card by knocking out a Y.A. boy, who was a long-odds favorite to win because of his brilliant record, will put in his second appearance against an N.Y.A. boxer. Jim Law- son, the pride and joy of the dairy farmers, will meet a Poly boy in a return appearance.
