SAC Transfers, Votes Funds

As a means of providing candidates for the Associated Student's council, the SAC voted to make an exception of the case and allow nominations from the student body and athletic manager from the floor of the assembly.

Due to his position as a candidate, Henry House, student body secretary, requested that Graduate Manager John Coultt be instructed to count out the ballots. Ordinarily this is the duty of the secretary.

BEFF TOUR

Members of the annual beef tour sponsored by the Western Live stock magazine visited California Polytechnic campus yesterday to inspect the beef cattle herds, and to look at the improvements made on the school farms last year. They were guests of the Route and Figure club at a breakfast at the new cafeteria.

In view of the large supply in the reserve fund, and due to the overdrawing of the general fund, the SAC voted to transfer $250 from the reserve to the general fund.

CONSTITUTION

The revised constitution for the Associated Student's council will be submitted on the ballot at time of election of student body officers. John Carricbur, chairman of the constitution committee announced Tuesday evening.

$100 to $500 will buy various heavy case demolition bombs. A thoroughly trained unit of this type can do an immense amount of damage in a short time.
Glee Club and Orchestra Lauded Throughout Sacramento Valley

Actually this is being written Thursday April 9th at the Tremont Hotel, Red Bluff. Your correspondent was out last night and consequently had to delay this report a day.

Our first program for the day was opened at Yuba City high school at 9 a.m. We were well received, in spite of the fact that our voices were a trifle rough.

From Yuba City we went to Butcher high school at 9 a.m. We were awakened early and our voice were a trifle rough. One thing in particular that put on at Anderson Thursday was that our group has been putting on our best performance so far. We were really in the groove and put across in a most professional-like show. I doubt, very much if there was a single person in our group who did not receive a compliment on the evening's performance.

Our next stop was Los Molinos where we opened our second program at 9 a.m. We were well received and our voice were very good, although it did not excel the previous evening's program. Our next program was at Durham high school at 11 a.m. We improved over our first experience in spite of a few colds amongst us. gli Brown and one of the girls put on a jitterbug dancing show in the auditorium until time to leave. It is interesting to note how few girls here do jitterbug as compared with dancing In the Southland.

Our next stop was Los Molinos where we opened our third program at 9 a.m. We were well received and our voice very good, although it did not excel the Flea act went over well. The Finale brothers act put on a Jitterbug dance show and the orchestra was at its best.

We were called at 9 this morning as we had no early program, which gave us a much needed chance to sleep in at least one more hour. Our show began at the Red Bluff high school at 11 a.m. and was very good, although it did not excel the Flea act which was put on at Anderson Thursday.

We had our lunch in the cafeteria here and the orchestra then played for a 30 minute noon dance. The kids here remembered us well and seemed glad to see us. We played for the evening dance in the small gym and was very good, although it did not excel the Flea act which was put on at Anderson Thursday.

The strain and conditions here certainly had to a certain extent to blame, but nevertheless we were able to put up a good program and made a hit. Don Simpson, formerly of Poly, was at the piano again. We spoke of Whats Verm, who graduated from Orland high and who went out last year. After the show we put on an afternoon dance until 4 p.m. The orchestra was put on our best performance and we played to a full house that even grated up behind Dutton and net* crowded up behind Dutton and goggling at the girls. We couldn't help laughing and consequently "Send Out A Cheer" suffered. Then H. P. Davison, still laughing, sprayed Gil Brown and Don Carl son during "Joshua Fit's Battle of Jericho," and we're off again.

Davy explained the trouble to the audience and tagged Hal as a sheep in wolf's clothing.

Our entire group has been doing very well, especially these last few days. For the best programs we put on at Anderson Thursday night. We were rather surprised and felt complimented by the several requests that we have had to use our name. We hope to have good luck next week, namely "Hoppy Ponni," which the Don Cos each chorus, has often used and, which we used at our opening number last year. It might be well to record here that our group has been putting across our programs with professional efficiency and quality since Thursday, in spite of colds and strain.

This afternoon we put on a broadcast from station KHBL In San Luis Obispo.

Our next program was at Durham high school at 11 a.m. We improved over our first performance in spite of a few colds amongst us. Our group has been putting on our best performance so far and were enthusiastic about our Chinese songs, which want to be recorded music. You couldn't but help laugh and consequently "Send Out A Cheer" suffered. Then H. P. Davison, still laughing, sprayed Gil Brown and Don Carlson during "Joshua Fit's Battle of Jericho," and we're off again.

Country Fair On College Campus Next Friday and Saturday

(Continued from Page 1) with the plant identification contest will take place at the same arena. Following this, the agriculture contest will take place at the athletic field at 11 a.m. on Saturday. A great barbecue meal will be served at Pol-Geo 12 noon on the last day of the show. The wind-up of the program will commence at 1 p.m., Saturday, with judging of champion classes of livestock at the sheep unit, and the ladies' tractor driving contest, ladies' nail driving contest, and sack sewing contest at the rodeo arena, all being presented simul-taneously.

At 2 p.m., awards for winners four schools other than Poly entered. Teams will be at Polytechnic from Pomona, Whitter, La Verne, and Santa Barbara State. The latter school will bring a large squad of 18 competitors. The meet will be held at the athletic field on Saturday, with the same scene.

Ladies' nail driving contest, and Ro-royal expenses. The school was a bit rough for dancing but nevertheless the crowd enjoyed it. The ladies' contest was a splendid show, and that everything possible had been done in planning the show to make it enjoyable to visitors and to make it convenient for them to see all parts of the open house program.

An elaborate parade of champions and rodeo performers will start off the annual collegiate rodeo at 2:15 p.m. For the remainder of the afternoon, spectators will thrill to the bareback riding contest, steer riding contests, roping events and other features of the rodeo. Crowning event on the schedule is the beautiful coronation ball to be held in Cramond gym at 6 p.m. Queen Jueta Becher, of Fresno State College, will be crowned, at a ceremony to be presented at 10:30 p.m. at the ball.

The gym was very large and we used half of it for the dance. You can't be a movie star, a famous flier, a great statesman, or be rich and have three thousand dollars, but I'd rather be in a glee club."

Your correspondent can’t describe the activities of the trip back to San Luis Obispo because he left the campus at Sacramento and went over to his home at Davis. Incidentally he left his wallet behind the bus and was quite worried for a while. It has been a most successful tour as our entire group is willing to testify. That's for to-day and for this week of our tour. Your proxy.

Wait Dougherty.

Come to the Home Concert 38 cents. Polyites. This is the finale of the tour and for this week of our tour. You'll get two hours of entertainment for only 38 cents, Polyites.
