El Rodeo

Editors Appeared By SAC For Next Year's Publications

The Student Affairs Council recently appointed the student editor of the Poly ships for the following year. The editor will also receive a scholarship of 100 for each issue. The editor will be selected by a committee of four members of the Student Affairs Council.

Dairy Team Wins First Honors In Annual Judging Contest

The dairy department boys have been selected as the team to win the first place and honors at the state fair. The team placed first in the judging of dairy cows at the fair. The team included four members: James Lawrence, Robert Winterbourne, Bob Vierling, and Carl Bates. The team was chosen by the judges for their superior dairy cows. The team received a total of 600 for their performance.

Poly's Greatest Yearbook Arrives Here Thursday

Coly Mustang's First Degree Senior Graduates Friday Night

A big success last Wednesday, evening was the annual spring ban, held in the new cafeteria. After a fine turkey dinner prepared by Mrs. King and her staff, everyone sang songs directed by the old maestro, H. P. Davidson. Everyone had a great time, and the banquet was a great success. The entire amount will be distributed to the Associated Student Body.

Mustang's First Degree Senior Graduates Friday Night

Every loyal son of Poly should make a point to attend the Cal-Poly commencement exercises, which will take place on the Poly campus. The exercises will be held at 4:00 p.m. on Friday, May 22. The exercises will be held in the main auditorium, and admission will be free to all students.

240 Polyites Enjoy Spring Banquet

College Club Presents Grand Closing Dance

Tonight, May 22, marks the closing night of the year for the Poly student publications. The College Club has sponsored several events this year, including the annual spring banquet and the closing dance. The College Club has been a great supporter of student publications, and their efforts are greatly appreciated.

The Student Affairs Council reservation for the Poly students who will be attending the Poly commencement exercises. The exercises will be held at 4:00 p.m. on Friday, May 22. Admission will be free to all students, and the exercises will be held in the main auditorium.

Winterbourne, Bevan Walker, and James Pappas, members of the Polyites, enjoyed the Spring Banquet held in the new cafeteria. The banquet was a great success, and everyone had a great time. The banquet was served by the Poly dining hall staff, and the food was excellent.

The Polyites, along with the Associated Student Body, will be selling the yearbook at the Poly commencement exercises. The yearbook will be available for purchase at the Poly commencement exercises, and the proceeds will be used to support student publications.

Has The Last Say

editor of the annual. The boys who are appointed to these posts do more honest labor during one week than most of the elected officials do during their entire period in office. So, you see, if any of them think that’s an exaggeration we would be only too happy to have them take a crack at one of these appointive jobs we’re talking about... for just one week.

We don’t have a business manager for the magazine. But somehow Poly’s business manager got lost in the shuffle. The title was mentioned also-rans is a word sometimes used to classify names handled by the elected officials in the student council. The elected officials ballyhoo the importance of their positions at every occasion and seemingly tend to those who loyally give time and effort day in and day out. We, the voters of Poly, show us the “politicians” attempt to limit to elected officers only the honor of having photographs in the new plaque which is to be presented last Tuesday’s SAC meeting and heard those mighty comments.

Fellow Mustangs:

Here we are almost at the end of another year, the year 1941-42, which I shall never forget. There was only one more week of classes left and then we all would go west to separate places, except for about 20 of us who would return again in the fall. We, the other half, will return to our homes and obtain the square dances which is a great many places throughout the land. Some of you will go on to work the summer and a great many of us will go into the service of the United States armed forces to fight against the aggressor who seek to blow the world’s free men with shackles. But wherever we go, we go to the knowledge that the training and experience we have gained here at Cal Poly will help us to do a great deal in making our lives better in the years to come.

To those who are going west, we wish you the best of luck and success in pursuing your individual tasks. It is your job now. We have done the best we possibly knew how.

During the past year, we who have been your student officers have endeavored to carry out the tasks you placed on us, and tried our best to bring about those things which make your stay in college more enjoyable and maintained the high standards of our student body that have been set for us. In some instances we haven’t always been successful in gaining better things and in some others we have accomplished a great deal.

I can sincerely say that it has been a distinct pleasure to be your studentbody president and an honor which I hope I have deserved. I hope and pray that I have satisfactorily filled the position of studentbody president and I am happy now to do for you for bestowing this honor upon me.

Dear Poly Royalers; To those of you in the student body and faculty, I wish to acknowledge the service each year the Associated Students of California Polytechnic College have done you with it, knowing that as the representatives of the Associated Students you have capably fulfilled your positions.

And to you, fellow Mustangs: Carry on.

Walter L. Dougherty.

Companion of Poly Royal Queen Thanks Students

Dear Poly Royals,

In spite of the fact that I was just the travelling companion of your Queen, Jo, I'd like you all to know it truly was the best royal time I've ever had or hope to have. Thanks so much for including me—it was wonderful!

Mary Lou Henningsen.

The Collegiate club members have worked very hard throughout this year to make your college years more enjoyable and have given you the send-off at the dance tonight.

Crops Club Sends
Records to Ex-Members

The Crops club just finished what they think is a very good idea, and one of the other clubs on campus, the Boy’s Soccer Club, followed with the use of Dan Day’s recording machines, have made records of the club boys saying a little piece about Poly and when they think it is a very good idea, aid to send to ex-mombors of the club who are now in Uncle Sam’s armed forces. Records have been sent to: Don Kramer, in the U. S. Navy, at San Pedro, Marvin Newman at Camp Roberts, Leroy Lady in Texas, Frank Watanabe in Minnesota, Everson Morgan in Florida, and Ralph Hanks in Florida. We, the present members, had an informal “talk” out on the records. They told the former Polyboys of the school’s recent progress, told of Poly Royal, of some of their friends on the campus, of the Crops club’s activities, and in general, all about Cal Poly.

Three Aero Majors Pass Tough CAA Aircraft Mechanics License Exam

For two and a half days, three California Polytechnic aeronautical students have been doing nothing but answering questions and giving oral demonstrations of "how it ought to be done," some people refer to as thinking of taking any kind of a test—and one longer than any in a real nightmare. But these
had to successfully complete written examinations of six hours each and oral and practical examination of six hours.

Hugh Brewer, senior aeronautical inspec
tor from the Burbank, head of the Civil Aeronautic Author
ty, gave the examinations and reported today that all three boys had passed with flying colors. John Bohrskoff, Albert Diehl and Jack Abdom are the three boys who had reason to celebrate when word was received that they had passed. The boys had attended Cal Poly for the past three years, and together had spent a total of 50, 80 hours in training under super

ted today that all three boys

Lash To Try His
"Hvaadl Accent
On Air Cadets

El Mustang staff is grooming the loss of one Buck Lash. Poly's only faculty member with a "Hwaadl" accent. For months we have used his services for many purposes—mostly filler.

But just when Bachelor Buck’s dream of going to Hollywood seems to come true . . . we thought he would be next to stay here and quit chasing those Hollywood blondes . . . a story Army officer got loose on the campus and took my Buck into the Poly's Air Cadets, and taught the student pilot at the Santa Ana pilot replacement center.

Buck left the old school for good portability to check-streaming and his eyes watering; a stranger might have thought he was really to leave the place he had been a bad case of hay fever but those who know Buck would always be jealous of Buck’s destination. He says he used to have a little bungalow down at Newport or Balboa beach and spend all his leisure moments there.

There will be no more "colorful" appearances by Buck Lash in featuring "Geetle soup, phutnik, pont, vint, wort, and grape vin," Lash Lahl. Buck’s place is jack of-all-trades and he admits—master of none—Arthur Kennedy, who emphatically denies that he will stay wearing plaid shirts all his life. To keep up the tradition set by But Not Forgotten Buck Lash.

Check-out Slips To
Be Issued Tuesday

In order to prevent the delay occasionally by check-out, it has been deemed desirable to have students check out all their property before 8 a.m. on Tuesday, May 26.

As students take their final ex-

and second-year students.
