CHRISTMAS BANQUET TO BE HELD IN CAFETERIA WEDNESDAY NIGHT

The annual Christmas banquet will be held in the cafeteria on the Poly campus December 18 at 6:30 p.m. The proceeds from the banquet will be used for the purchase of the carols to be sung by the Poly choir at the Christmas Formal on Saturday night, Dec. 21. The entertainment for the evening is to be by special invitation of the Poly band and the Poly glee club. There will be a dance after the banquet.

The event this year is the last of the long series of Christmas banquets held by the Poly band since 1942. In all previous banquets, this is the first time that a band program will not be included.

The entertainment will include a group of students who were given the opportunity of singing Christmas carols by the Poly band. The program will include many of the Poly band's greatest hits, including "It's Beginning to Look a Lot Like Christmas," "White Christmas," and "Jingle Bells."

The banquet will be held in the cafeteria on the Poly campus. All students are invited to attend. The admission is $5 per person. Cash or checks will be accepted.

What d'ya say....

In Jewelle's Store, 200 S. Higuera St., a new addition to the many attractive Christmas gift ideas that are now available, is a set of three Christmas Martins. These beautiful carol figures are designed on a red background, and they are quite attractive. They are available at the price of $3.00 a set.

Harpo's Bizarre

By Walter Doughtery

Interesting facts about railroads in California are presented in this week's column which was taken from the California Railroad Association. They include the longest grade which is the Cuesta Grade, located between the cities of Los Angeles and San Francisco. The grade is 1,352 feet long, is 51,000 feet high, and is the steepest railroad in the world.

The longest tunnel in the world is the Panama Canal which is 50,895 feet long.

The longest railroad in the world is the Transcontinental Railroad which is 2,856 feet long.

The longest highway in the world is the U.S. 1 which is 3,500 miles long.

What's going on?... Recently, I made a trip to San Francisco and was surprised to find that the weather there is quite mild, with temperatures ranging from 50 to 60 degrees.

Mustangs to seek revenge in casaba tilt

Coach Bob O’Rourke and his El Mustangs return to the San Luis Obispo area for a second tilt against the Santa Barbara Gauchos this season.

Santa Barbara, it seems, was the only team that could handle the Mustangs last season and the Gauchos were expected to give the Mustangs a fight without taking any chances on their defense for many seasons.

The Santa Barbara Gauchos

The Santa Barbara Gauchos have already encountered a lot of trouble in their opening game, and they are not likely to make the Mustangs easy prey. In their opening game, they were defeated by the Golden Gophers of Minnesota. The Golden Gophers have an excellent team, and it will be interesting to see how the Gauchos will fare against them.

Poly boxers ready to face tough opposition

Dr. Volz worthy of weight lifting as he aids boy to recovery

Here is a story of a student who was able to lift a couple of pounds in weight lifting.

Poly boxers, ready to face tough opposition

California Polytechnic’s initial attempt at intermediate weight boxing was under way and the Mustang boxers were finding out how much they had to do to make the Mustangs gain.

Befitting the center court, Ted Yundling will step into the ring with a couple of pounds on his shoulders. His running mate will be Glen Arcton, who will step into the ring with a couple of pounds on his shoulders. Beating the center court, Ted Yundling will step into the ring with a couple of pounds on his shoulders.

Santa BarbaraErds dit on and out

The Mustangs started off with a bang and a couple of pounds on their shoulders. Their running mate was Glen Arcton, who will step into the ring with a couple of pounds on his shoulders.

Students approve idea of lighting giant evergreen

The Christmas tree will soon reign on the campus of California Polytechnic State because of a suggestion by the Student Association. The front of the dormitory will be decorated with a giant evergreen. The first of its kind this year, it has been decided that the event will be so popular that it will be a yearly tradition. The tree will be lit on December 21st, according to the Student Association.

To help the cause, Sigma Phi Kappas were willing to contribute a large amount of time and effort to the effort to achieve a Christmas atmosphere on the campus. The brothers are excited about the possibility of having a tree on campus and are looking forward to the event.

Greeks on campus

The Greek community is excited about the possibility of having a tree on campus as well. They have been actively involved in preparing for the event and are looking forward to seeing the tree light up.

Constructive breeding award won by Jerseys

The California Polytechnic State University Department of Animal Science has announced the winner of the Constructive Breeding Award. The award, which recognizes outstanding achievements in breeding, was given to Jerseys.

The award was given to Jerseys for their excellent performance in the dairy industry. The breed has been known for its high milk production and excellent udder health. Jerseys have also been praised for their docile nature and ease of management.

The award was presented by the Department of Animal Science to Jerseys in recognition of their contributions to the dairy industry. The breed is known for its high milk production and excellent udder health.

AVA convention shown Poly display by Bob Kennedy

The American Dairy Association (AVA) convention was held in San Francisco in December, and Polydisplay was featured at the event. Polydisplay is a leading dairy breeders' association in California, and they were happy to showcase their products to the attendees.

The convention was a great opportunity for Polydisplay to showcase their dairy products to a large audience. They were able to highlight the benefits of their products and increase awareness among the attendees.

Bob Kennedy, a representative of Polydisplay, was on hand to explain the features and benefits of the products. He was able to answer questions and provide information to the attendees.

The convention was a success for Polydisplay, and they were able to make valuable connections with potential customers. They were excited to have been part of the event and look forward to attending again in the future.
