SAC votes to keep Stags from studentbody dance

To have, or not to have... girls at our dances? That is the question to which the student affairs council devoted a great deal of time and attention at the meeting last Tuesday night. A spirited discussion arose when comparisons were drawn between the Cal Poly student body dances and those of the Poly Royal. In his report, Mr. Craig said, "I am particularly interested in Poly Royal at the moment, for in the past few weeks, the Poly Royal organization has put a great deal of time and attention into the dance."

Mr. Craig proceeded to point out some of the comparisons between the student body dances and the Poly Royal dances. He noted that the Poly Royal dances are more strictly enforced and that a motion "that all dances be held on weekends" was more strictly enforced. It was also pointed out that a motion "that all dances be held on weekends" was more strictly enforced.

The Twelfth Annual Farm Mas-tery Conferences were held at the University of California, Berkeley, last week. Among those who attended were Bill Brad-ley, Bob Hartman, Robertson Cob, Paul Jones, and Mr. Paul Winter, the advisor. According to Three Poly men the conference was quite a success.

The conference included many interesting and educational exper-iments and tests, handled and cali-brated by the manufacturers of farm implements, the agricul-tural extension representatives, and the farmers. Each talk was the prob-lem of a certain board or committee and the manufacturer presented his Tuesday night plans of equipment which he thought would overcome this problem. The agricultural extension representative would put be-fore the conference what might be done in the future to overcome such obstacles.

Interscholal relation board plans tri-school dance next month

This year the Interscholal Re-la-tions board has been quite active and has found out many of the problems which have arisen from the student factories of Poly, the C. E. S., and the High School. This commit-teee has planned a regular meeting for every Tuesday of the year. The regular meeting date of the board has been set for the first Tuesday of every month, the meeting being alternated between the High, the C. E. S., and Poly.

The Poly Mustangs opened an amazing, fast game of basketball and the Jay Vee's were dropped into fields of angles from all angles of the court.

The Poly J.V.'s were first in the game of the city league by a large margin until the Jay Vee's discovered something they had been missing until now; they sold this to their opponents. The Poly Mustangs were able to take a lead and run this lead all the way up to 13 points as they went into half time. The Mustangs were able to maintain this lead and bring this lead all the way up to 11 points. It Category II

**Boost for A.A. Stagg**

"Pop" Warner of San Jose State College sent along a few notes to the Daily regarding the future of his friend and fellow-coach, A. A. Stagg. "Warner believes that the Stanford coach is preparing to crack."

"I believe that Coach Fogg's College of the Pacific football team shows the best placers this fall in the Pacific, and I have heard from a source this season, that Stanford coach has good material as the team can crack the Pacific Coast Football league." The probability of this season should be high.

The probable lineup for Cal Poly southpaw has a great season high.

**Japanese basketball team trumps Arroyo's squad**

Last Sunday the Cal Poly Japanese basketball team visited the old West Coast. Cal Poly's basketball team was held last Sunday to an unsatisfactory score of 31 to 21. The positions on the squad are still wide open and all Japanese basketball players are urged to come out and support an up-and­coming squad.
