Adopted: April 16, 1991

ACADEMIC SENATE
OF
CALIFORNIA POLYTECHNIC STATE UNIVERSITY
San Luis Obispo, California

Background Statement: Section III.1.b. of the Academic Senate Constitution identifies what members of Professional Consultative Services (PCS) shall be represented by the Academic Senate. This description is outdated and makes the selection of who is represented a somewhat arbitrary one. It is also difficult to determine if librarians constitute a separate constituency, in which case, librarians would vote for librarians and the remainder of PCS would vote for those other than librarians.

AS-353-91/C&BC
RESOLUTION ON
PROFESSIONAL CONSULTATIVE SERVICES
REPRESENTATION IN THE ACADEMIC SENATE

WHEREAS, The current description of Professional Consultative Services (PCS) is outdated; and

WHEREAS, The current description makes the selection of PCS representation in the Academic Senate an arbitrary one; and

WHEREAS, The Academic Senate Constitution is ambiguous relative to librarians being a separate constituency within PCS; therefore, be it

RESOLVED: That Article III.1.b. of the Academic Senate Constitution be changed as follows:

The following designated personnel in Professional Consultative Services (excepting directors) shall be represented in the Academic Senate by the formula of one senator per each fifteen members, or major fraction thereof. This formula is applied separately to each of the following two categories:

(1) Librarians and Audiovisual (class codes 2913, 2914, 2919, 2920, 2926, 2927); and

(2) Counselors, Physicians/I, II, III, and/Student/Affairs Officers/III, IV, and/Student Services Professionals (SSP's) I-, II-, and III-academically related; SSP's III and IV; Cooperative Education lecturers; health educators; and physicians (class codes 2341, 2342, 2359, 3070, 3071, 3072, 3073, 3074, 3075, 3084, 3085, 3086, 3087, 3088, 3089, 7737, 7738, 7739, 7741, 7742, and 8147).

Subject: Professional Consultative Service Representation in the Academic Senate

The following information clarifies the reasoning for determining which class code designations were appropriate to Professional Consultative Services (PCS) for inclusion in Academic Senate representation:

Criteria (1) advanced degree, (2) academic advising and/or counseling, (3) teaching assignments, and (4) maintenance of the traditional PCS categories—counselors, librarians, physicians, and SSP's

Included in PCS:
counselors, librarians, SSP's I-, II-, and III-academically related, SSP's III, SSP's IV, Cooperative Education lecturers, health educators, and physicians (class codes 2341, 2342, 2358, 2913, 2914, 2919, 2920, 2926, 2927, 3070, 3071, 3072, 3073, 3074, 3075, 3084, 3085, 3086, 3087, 3088, 3089, 7737, 7738, 7739, 7741, 7742, and 8147)

The following designations were not considered appropriate for PCS inclusion for the following reasons:

Exclude from PCS:
veterinarians (contracted position), health recreation technicians (contracted position), SSP's I and II (only requires bachelor's degree or its equivalency), Extended Education specialists (only requires bachelor's degree or its equivalency), and placement interviewers (no degree requirements).

The remaining classifications reviewed were in the area of health services. The only positions which appeared appropriate for inclusion in PCS were physicians and health educators because they met the criteria noted above. The remaining categories were excluded because: (1) no educational requirements were required although a license is required; (2) individuals in these positions are not
involved with students academically; (3) they do not hold teaching assignments, and (4) they are not in a traditional PCS classification. These include lab technicians, health therapists, pharmacists, radiology technicians, sanitarians, nutritionists, clinical aids, and nurses.

Based on these criteria, the following resolution is respectfully submitted to the Academic Senate:

YES

A "Yes" vote will allow editorial changes to be made to the Constitution of the Faculty with reference to the classifications for Professional Consultative Services (PCS). Existing classifications for PCS are outdated. A "Yes" vote does not change the existing representation of the General Faculty.

NO

A "No" vote will continue the listing of erroneous classifications for PCS in the Constitution of the Faculty but will not affect existing membership of the General Faculty.
