ASI Children's Center Kindergarten 2009-10 Information Night

An informational meeting about the kindergarten program at the ASI Children's Center will be held Wednesday, April 15, from 6-7:30 p.m. Childcare is available. This private kindergarten is a non-traditional program which allows children to learn and grow at their own pace. We emphasize the development of competent social skills, as well as guidance and support for each child's needs. All children are required to have age eligibility (born between Dec. 3, 2003 and Dec. 2, 2004) in order to be considered for enrollment in Fall 2009. Contact the ASI Children's Center for more information at ext. 6-1267. Sign-ups are required to attend this meeting especially if childcare is requested.

Preschool and Kindergarten Space Available for Spring Quarter 2009

The ASI Children's Center has openings for Spring Quarter 2009 for staff and faculty children born March 2004 and prior, in preschool classes, Room 6 and Room 7. Full-time and part-time spaces are available. Limited spaces are also available in the Kindergarten Program during Spring 2009. Kindergarten enrollment requires age eligibility for public kindergarten (born between Dec. 3, 2002 and Dec. 2, 2003). Kindergarteners are required to attend a minimum of Monday through Friday, 8:30 a.m. to 3 p.m. but can choose longer days. Spaces will be filled on a first-come, first-served basis. For more information, visit the ASI Children's Center to complete a waiting list application or call ext. 6-1267. Mention interest in Room 6 and 7 enrollment. Please do not call to inquire about children on our waiting list that were born after March 2004. You will be contacted when space becomes available.

Financial Planning and Retirement Workshops

"It's never too early...it's never too late" is the theme of the upcoming CalPERS Retirement Planning Fair in San Luis Obispo, and serves as a good reminder for all of us to review our finances and plan for the future. On-campus informational sessions focusing on retirement and financial planning are also scheduled to help you review your Cal Poly options.
