Dear John...

Letters expressing the opinion of students are welcomed by the editor of this paper, but not all can be used, but the name of each writer will be published upon request as long as the length of the letter suffices. All letters must be signed by the editor, letters should not exceed three hundred words, and should not be sent to the office. Letters may be placed in the EL Mustang box in El-Corral.

Do you have an aunt in your past? Those who don’t get one in your lunch tray, isn’t it rather ridiculous to suppose that you’ll take such extremes in the run with ants? Students are only the characters that are crowding California Poly, and I get to eat at times through such a mechanism, but the effect of a series of such conflicts is always a situation that is going to ground down the student body, or—why can’t they offer me a job? Courtesy is the responsibility of pedestrians. Walk on the left of the road or on the sidewalks. Be alert; a driver might not guess correctly next time you swerve out into the middle.

Ed Note: Maybe this is a good course for the student body to do some reading. These memberships carry the responsibility of being introduced to the students of the local schools and their problems.

Student Body Prexy’s Honored

Leon Garnett, sophomore accounting major, has been named Student Body Prexy of the 1948-49 membership of the Student Body Association. Garnett is a member of the Student Body Association for the last eighteen months. Garnett is also a member of the Student Body Association, the Legislative Council, Businessmen’s Club, and a member of the Staff of El Mustang.

Local Softball Season Ending

A week ago today marked the completion of the softball play of the S. L. O. town leagues. In the American league, the El Coral team played the first half of the series but dropped out during the second half when most of its players left for their three weeks school vacations, leaving them out of the field.

In the National league, Watson's sponsored team of Cal Poly players, winners in the first half of the series, came back to repeat in the second half with a perfect score of six wins and no losses. The Cal Poly Faculty team came from their first half cellar position to up in the tie for second place at the end of the series. This amazing reversal was a source of Interest to the spectators, and the faculty nine should receive commendation for playing good ball.

This week, the town league will have It's Little World Series play­offs. Monday's winner of the Dennis Dally vs. Pepe Cola—
