Business Item B: Resolution on Faculty Merit Increase Policy

Changes made to draft #4 Faculty Merit Increase Policy pp. 15-23 in April 13 Senate agenda:

1.2.1 No candidate shall receive an FMI that results in more than a twelve and one-half percent (12.5%) salary increase in any year.

1.5 There is no requirement to expend all funds dedicated to the PSSI-FMI program in any given fiscal year. Any portion of the funds not expended in any fiscal year will automatically carry forward to the PSSI FMI pool in the next fiscal year. In the event that the PSSI-FMI program is eliminated, any funds that have been carried forward shall be used for the professional development opportunities identified in Provision 25. of the MOU.

2.3 For FMIs retroactive to July 1, 1998, evidence submitted in support of an applicant/nominee a candidate should emphasize the period since the application deadline of the employee's last PSSI award. (The deadline for 1997-98 PSSIs was January 30, 1998; 1996-97 PSSI deadline was November 7, 1996; and 1995-96 deadline was January 25, 1996). For those who have not received a PSSI, the candidate should emphasize the 5 year period prior to the current PSSI-FMI evaluation; or the interval since their initial appointment at Cal Poly if less than 5 years.

3.4.2 (3.2 and 3.3 reordered) Academic departments/units shall constitute the highest level faculty review committee with regard to PSSI-FMI recommendations, applications/nominations unless replaced by a Review Board. All faculty unit employees on campus during Spring Quarter 1999 are eligible to vote for members of a departmental FMI committee or Review Board. Votes are weighted in proportion to the incumbent's time-base (i.e., the vote of a lecturer with a half-time assignment would count as 50%; a FERP with a one-third assignment would count as 33%).

4.1 [last sentence of paragraph]. . . The total cost of all steps salary increases recommended by the Dean shall not exceed the target allocation for the college/unit.

[On agenda page 21 entitled California State University Faculty Activity Report replace paragraph at bottom of page with the following paragraph:

The following information will be accessible to departments and faculty members NOT REQUIRED to include it on their FAR. Faculty Assignment by Department (FAD) reports for the past five years will be accessible to FMI reviewers at department and college levels. FAD summarizes data regarding courses taught and enrollments by term for each faculty member. Academic personnel will send each department a report to include: rank/classification; tenured or probationary or temporary; if tenured or probationary, date of initial tenure-track appointment; if temporary, date of first appointment; years in present rank/classification; time base; and monthly salary.
