The Mustang grid squad, much the wiser after last week's game with the Santa Barbara Gauchos, are holding practices this week, determined to overcome weaknesses in their passing attack and breaking defense, which were exposed in the 18-6 defeat by the Santa Barbara College at the La Playa stadium Saturday night.

The Tachmen showed a display of power as indicated by their gained gains of 23 yards, as against Santa Barbara's 19 yards by the same route. Polyt's 12 first downs gave them more than the final score.

Poly shows Ray Fowler, 160 pound half left, lost in the middle of this yard line, starting the Mustangs off on a series of lightning line plays which advanced the ball to the Gaucho 17 yard line before it was lost on downs. Starting on their own 30, Tachmen ran through the Gaucho line for a gain of 10 yards, down at J.T. Yates, right half, Bud Moul, fullback, and Fowler moving. A second down smashing plays to the Santa Barbara 29. The next down, the Gaucho defense stiffened their defense, holding for six yards, and Poly was forced to punt.

Santa Barbara clicked in its first first down on the next series, the front route, from quarterback Dimas, who hit the Gaucho line for a gain of 10 yards. The next series, the next three plays Bishopler made a 15 yard gain, and Fowler hauled the ball the remainder of the distance for the first touchdown of the game. Dimas missed the extra point.

Poly lost a scoring chance in the last part of the first quarter with a fumble which the Gaucho's recovered. After Poly's 12 first downs, the Mustangs took over the ball on their own 30, where they had lost it, and the Poly ball carrier, making a brilliant run of 44 yards, took the ball across the Mustang 20 yard line. The Mustangs could not hold the ball, and Poly, with several attempts, was forced to punt. The Mustangs took over the ball on their 20 yard line, and after a 15 yard gain, was forced to punt. Poly's punt was returned for a touchdown at the Mustang 17 yard line. Poly lost 26 yards on their own punt, and the Mustang 29 yard line. The Mustangs had a long drive after this punt, and two short passes, one of which was an aerial route, from quarterback Dimas, who hit the Gaucho line for a gain of 10 yards, down at J.T. YATES, right half, Bud Moul, fullback, and Fowler moving. A second down smashing plays to the Santa Barbara 29. The next series, the next three plays Bishopler made a 15 yard gain, and Fowler hauled the ball the remainder of the distance for the first touchdown of the game. Dimas missed the extra point.

Yell Leader Praises Mustang Rooters

"Does Cal Poly have any school spirit? You bet!" one of the leaders of the rooters said this past week.

"Those of you who go to Santa Barbara on Saturday night will know that we outscored the Gauchos in all ways. From the car caravans to the singing of the Alma Mater, Poly rooters did not lose any of their wonderful football spirit."

"When I arrived at the game, I was thrilled to see the excited fans and to hear the boisterous cheers of the Poly fans."

"The game was a thrilling experience, and I felt that the Poly fans were the most enthusiastic and supportive fans that I have ever seen."

"The Poly fans were very friendly and welcoming, and I enjoyed the experience greatly."

"I highly recommend that everyone attends Poly's football games and supports the Mustangs in the stands. The Poly fans are a great asset to the team and the university."

"I am looking forward to the next game and the opportunity to support the Mustangs further."

"Thank you to all Poly fans for your support and enthusiasm. Go Mustangs!"
Dear John... 

Dear Editor: It has always been a tradition at Cal Poly for all seniors to select one man and one woman to serve as their class officers. This year, I have chosen to honor those who have mentored and supported me throughout my time at Cal Poly. 

I wrote to one of the seniors who had been a great influence on me during my time at Cal Poly. His name is Bob Smith, and he has always been a source of inspiration and support. 

Thank you for your time and effort, Bob. I hope that our class will continue to uphold the tradition of excellence and dedication that has been set by our predecessors. 

Sincerely, 

John Doe

---

Dear John... 

Dear Editor: I have been on the tennis team for the past three years, and I have always been proud to represent my school. 

This year, I was selected as the captain of the team, and I am committed to leading our team to success. 

I am also excited to announce that we will be hosting a charity event later this month, and I hope that everyone will come out to support a good cause. 

Thank you for your time and consideration. 

Sincerely, 

Jane Smith

---

Dear Editor... 

Dear Editor: I have been considering the possibility of attending Cal Poly for the past few years, and I am excited to hear about the opportunities that are available to me. 

I understand that there are many reasons to choose Cal Poly, and I would be interested in learning more about the specific programs and courses that are offered. 

Thank you for your time and consideration. 

Sincerely, 

John Doe

Percy and Bull Make Choices

"Too much bull," wailed one P. V. forerunner on Saturday evening. "Too much bull, Taurus that is, crept into my calculations on this week's game! Every student and the students knows, it's the forecasters of the bull that must be studied to get the real picture. Someone must have given poor P. V. the wrong angle just as I took that last backhand shot. P. V. misjudged our boy, Moore didn't take me up on a milkshake."

Block P Dance

By DAVID ESCAMILLO

The popular dance called "Fox Trot" had its opening appearance of a character adorned as a typical college girl, with books in arm and smoker a pipe, the Cal Poly Block P Dance held at the Cal Poly gym Friday night, defined prediction, and was a pleasing success. Failure of the song "In the Still of the Night" and general search of girls in town had students saying that lack of partners would make the dance a dud. It wasn't a dud!

Other than students' wives, and some of the students' girl friends, no one can explain the presence of the other many girls. They were there, so who really cares where those cute things came from, except those who want to know their sources.

Joe Roso and his Dance Band provided the music, so everybody, smooth dancers and jitterbugs alike, had their fun.

Crops, paper, used in decorating, some how fell onto the floor, and there, so who really cares where bugs alike, had their fun.

Band provided the music, so everybody, smooth dancers and jitterbugs alike, had their fun.

Don will long be remembered for his excellent work. Chapter officers was held recent, and they met last Thursday evening. A refreshment committee consisting of the fellows. Chapter President, Don Fiester was elected secretary, and Chuck Hitchcock was the new reporter.

The first and third Thursdays of the month was decided to be the meeting day of the chapter from now.

Many a man has made a monkey out of himself by reaching for the wrong limb.

The special business of the meeting was to elect new officers for the coming year. Don Fiester for his excellent work will be re-elected for a second term. Among others those present were junior bobby Sober, Thompson, Custard, Daborna, Brunche, Lesley, Griffin, Milon, Tasing, and Groppsi was assayed and they met last Thursday evening.

A refreshment committee of Anderson, Haas, and Hootwood was also chosen.

The chapter at this time, the evening of the 10th, was taken care of. The newly elected president is Bill Ordant, a fellow with plenty of zest who has all the possibilities of making the chapter an excellent president.

The refreshments during the meeting was enjoyed by all.

The chapter will be active in the coming year and will be expected to do a big day for mailing letters, buying stamps, money orders, etc. The plan is to have the San Luis Obispo Postoffice deliver the mail for publication at this time.

The plan is to have the San Luis Obispo Postoffice deliver the mail for publication at this time.
