Subject: Unc: Business Items...10/15/96 meeting

From: Margaret Camuso
Academic Senate, x1258

To: Academic Senate Executive Committee

(1) A priority matter has occurred that will require Executive Committee attention at our Tuesday meeting. An "intent to circulate petition" for the recall of two senators was received on Wednesday of this week. A memo regarding this matter was sent to you through the mail yesterday. Due to the short timelines for attending to a recall election, this matter will be placed as the first item of business (before curriculum proposals) on Tuesday.

(2) In order to conclude our discussions on the position of Vice Provost for Institutional Planning, we will have to nominate an individual to serve on the search committee for this position on Tuesday. PLEASE BRING NAMES OF INTERESTED FACULTY TO THIS MEETING.

If you have any questions regarding the above matters, please let me know. Thank you, Margaret

Academic Senate, x1258  

To: Academic Senate Executive Committee  

I have heard back from everyone (except 2) regarding the choice of whether to  
continue next Tuesday's Executive Committee meeting to 6pm or schedule a  
second meeting on the 22nd. The vote was 9 favoring a 4-6pm meeting on the  
15th and 3 favoring a meeting on the 22nd.  

Therefore, THE EXECUTIVE COMMITTEE MEETING OF 10.15.96 WILL BE HELD FROM 4 TO  
6PM IN ADMINISTRATION BLDG (01) - ROOM 133. If the Senate meeting is concluded  
before 4pm, we will start the Executive Committee meeting immediately  
thereafter.  

Please calendar this extended meeting and PLEASE let me know if you WILL NOT  
be able to attend. We need to have a quorum of members from 4-6pm in order to  
agendize the items on the Executive Committee agenda for the next Senate  
meeting (Oct 29). The agenda for this 4-6pm meeting include:  

Committee vacancies, GE&B course proposals, Cultural Pluralism proposals,  
curriculum proposals, Vice Provost for Institutional Planning, CAM Review and  
Revision Process Committee, and 1996-97 enrollments.  

\very large package of materials for the October 15 meeting will be in the  
ail tomorrow. Don't forget to call me if you CAN'T attend this meeting.  

Thanks, Margaret

Based upon the requests you prepared for Year Two Cal Poly Plan-funded faculty positions and your marginal cost analyses, the Cal Poly Plan goals and objectives, our discussion of September 3, and individual follow-up communications, I am recommending to the President the following distribution of Cal Poly Plan revenues to support 16 new tenure-track positions that should be in place for the 1997-98 academic year:

These positions should reflect the prioritization of new faculty through the Cal Poly Plan that you developed over the summer and which were discussed at our September 3 meeting. They should also reflect the principal parameters for these positions as follows:

* The calculations for these positions include salary, benefits, and a modest O&E allotment.
* These positions will be funded at the above noted levels with Cal Poly Plan revenues for a minimum of three years. Although Cal Poly Plan revenues may increase in subsequent years to support funding beyond three years, Colleges should plan on meeting the costs of these positions with their own budgets beginning with academic year 2000-01.
* Cal Poly Plan positions are for new, permanent, tenure-track positions.
* Cal Poly Plan positions should be at the entry level.

* Cal Poly Plan positions must reflect the stated goals and purposes of the Cal Poly Plan. This means, in particular, that these positions must offer more than increased access to classes, gap-filling in targeted areas of need, or replacement. These positions must clearly address the Cal Poly Plan's commitment to strengthen institutional productivity, student learning, and educational quality. In keeping with the Cal Poly Plan, these positions should be seen as agents of transformation for the University through the energy, creativity, and innovation they will be expected to bring to teaching and learning, curriculum revision and development, and the application of information and instructional technology.

* All descriptions of Cal Poly Plan-designated positions must be reviewed by me before they can be posted. Similarly, I intend to work closely with you as these searches progress and candidates are identified for campus interviews and selection.

** Colleges may choose to leverage or arrange their allocations to generate more positions than these targets. However, any such positions funded in part through the Cal Poly Plan must be clearly identified as a Cal Poly Plan position and they must meet both the intent of the Cal Poly Plan and all criteria for the fully funded positions.

The willingness of our students to support the Cal Poly Plan and to invest in new faculty has created a unique opportunity and responsibility for us. Our students have essentially provided us with a $20 million special initiatives endowment. And like such endowments, we must be true to its purposes. I look forward to working with you to ensure that we are effective stewards of an endowment from which we expect bountiful returns.
