Poly Wins Two Ball Games Over C.O.P.

After winning two games from College of Pacific here yesterday, 9-0 and 8-0, Cal Poly's Mustang diamond men are working for a double-header here Friday against the defending conference champions, San Diego.

Poly batters found the range in the third inning, 2-0, and the Mustangs were up 4-0 by the fifth inning. Bebernes was nabbed out, Praser tripled and was tagged out after the first inning, and Dunlap, Cop shortstop, in the seventh inning.

Grant Dunlap, Cop shortstop, in the seven-inning nightcap, was the letterman hurler from pre-war sizers in the fifth inning, and Torvick, for Haas, who was taken out of the game on Leaky's sacrifice, and then stole the second inning; Howard Lehtol, Cop center field right fielder, singled and then allowed only four scattered hits and several basemen, and Dunlap both hit Crawford. Praser made first when hit right fielder, singled and then allowed only four scattered hits and nearly blasted the second Inning, Fisher got a single put him on first. At 8 p.m. the 57th annual tour of the California Polytechnic College, according to Tuesday, April 2:

Legislature Bill May Change Poly's Name

The 57th session of the California State Legislature has begun the bill to change Cal Poly's name. One of the bills proposes a change to California State Polytechnic College. One of the bills is to change the name to California State Polytechnic School. The other bill is to change the name to California State Polytechnic College. According to Julian A. McMillan, professor. Although the school actually became a junior college in 1927, a two and three year technical college in 1938, and a four year degree granting institution in 1944, it has never been officially altered from the wording of the original bill, enacted in 1905, which established Cal Poly.

"Student cooperation in this matter will be a problem because we can't get an agreement on the assignment of the students are veterans."

The report covered the greatly increased enrollment during the past year, and several bills which affect California State Polytechnic School.

The annual report also showed that in the fall of 1947, 1946, and 1945, the number of major curricula regularly, and several bills which affect California State Polytechnic School.

Poly Young Farmers Meet

By Charles Hitchcock

For the few weeks their gatherings have been somewhat infrequent, the Young Farmers once more met for their meeting. The meeting started off with a movie and then President Bill Onn stated that the Young Farmers would soon be organizing into a Hilcrest study body. This dance will be held on April 15 and an admission charge of $1.00 a couple will be made. Everyone is welcome to attend but it will be limited to just 125 persons. The Young Farmer dance was scheduled for May 15th.

Business pertaining to the Young Farmers party on Friday, April 14, was also taken up. The Farmers will run two hot dogs concessions during Poly Royal. Bob Kimbrell was appointed head of one of the concessions which will be located near the rodeo grounds. Dave Couchman was appointed head of the other concession and his location has not yet been decided.

Joe Llano presented a program that was taken up on centering on signing up members for the Young Farmer volleyball and baseball teams to be played next year in the near future.

A donation was given by each member present to the Poly Young Farmer space in the annual.

Easter Vacation

Easter vacation will be observed on April 6 and 7. There will be no classes held on either Friday or Saturday. Offices will be closed Friday 1-3.

Notes on the Cuff

In order to facilitate the production of this, our Easter issue, and get it published in time for the holiday, we have cut down to a single column page issue. This way we are fairly certain to get it out before all of you leave for Balboa or wherever you plan to spend the long vacation.

We hope that your vacation is successful in every detail. We would like to know how so many of you have voiced a pleasant word about El Mustang. 

Miss Maraton gave us a big plug in one of her English classes last week, and then the bubble burst. This fellow Anon writes good material and we should have credited him with the article on the dead students, but we can not claim that he writes for Poli or El Mustang.

Spring is here, and with the recent rains, the grass, the flowers, and so forth are really at their best. One thing does mar the condition of the campus: too many students, faculty members, wives, children, visitors, and grumlees leave trash on plain sight. We are going to have to concentrate an clean-up period prior to Poly Royal. Why not start now.

It is impossible to find something, like candy wrappers or bottles, to use candy wrappers to a trash can and it certainly makes the student body proxy salaries.

I understand that this column was a topic for one of the educational classes last week. I understand that it is not adequate enough to suit one of our esteemed faculty members.

I'm glad to see other schools are creating for Cal Poly. We've been trying to appeal for our teams which shows we're starting the Kat of a class called "Rusty" Lancaster was put on the ball! Boy! Are my sails full. I had my Kettle of Fish all planned out but I'll skip it this week. Instead, I want to wish everybody a very happy Easter.

Dear John

Dear John, I was contemplating writing the letter to the Poly editor, the time came when the 89717-V teams without Lundy were on the dance floor, and the student body proxy salaries. I am not sure what you use to put in my O-Box. Yours truly, the laundry store keeper, Press Cooper

EASTER'S COMING!

With GLENN ARTHUR

The rush at the Post Office last Monday was a sight to see. I guess that the boys were just as flat as I was also anxiously waiting their check. Most of the boys came away with a satisfied smile on their face but some fellows didn't get their piece of paper worth $66 or $80. One guy hasn't received a check for five months. When the government goes off, they really go off and if they take months to track back through all the red tape to find a mistake. Anyway, I'm glad that most of you got your checks and I'm doubly glad that I got mine.

I have been complaining about lighting around here for some time. For the past two weeks, all the installed lights have been turned on every night, but last Sunday not one light did I see. I turned on a couple myself as I knew where the switches were. It might not be a bad idea for a list of switch locations to be published; at least those that are easily reached.

The Hort club dance last Saturday night was really a swell affair. There was a nice sized crowd well-behaved too. The decorations were excellent, as they usually are at all Hort club dances. Even though the Hort boys couldn't start putting up the resists until noon they did a good job. I understand that the F. E. classes (the reason for the delay in starting the decorating) amounted to ONE basketball game. That type of cooperation is what we don't want here at Poly. It was a good dance anyway.

I understand that this column was a topic for one of the English classes last week. I understand that it is not adequate enough to suit one of our esteemed faculty members. I'm terribly sorry but I don't have the slightest intention of doing so. What are you doing for O'Leary's cow that started a big fire, O'Leary. Let's start another one.

I had my Kettle of Fish all planned out but I'll skip it this week. Instead, I want to wish everybody a very happy Easter.

Lancaster Elected Rifle Club Presy

At the last meeting of the Poly Rifle club an election of officers was held. "Rusty" Lancaster was chosen president, Bond his right-hand man, and "Hal" was made secretary-treasurer by acclamation.

On Sunday, the two officers turned out at the range for their first shot, but the arterl shoot was pulled when our ex-officio tester, not available for the day. Under the able direction of Dick Watson and "Hal" the range was lengthened to 100 yards. After a little fooling around the range will be ready for the next meeting. Everyone interested in shooting under good conditions and firing matches on a good range should belong to the Poly Rifle club.

Enough of that! Patterson must have had two years' ruminations after he was sure that he would have to put his colleagues into his columns. It was a long time, but we finally got him to bring out his columns last week. Why? 'Cause he didn't have material enough to fill his columns or he didn't want to publish them.

The COLLEGIAN, official paper of Fresno State... on the campus. We have a friendly and graceful tone. The Collegians. Fresno State, have enough school spirit to salute you, permanently.

The answer given by a member of the Poly Mustang football team: "It's terrible. When we played Cal Poly last year I knew that he writes exclusively for El Mustang. It isn't much effort to field strip cigarette butts or to carry that candy wrapper to a trash can and it certainly makes the student body proxy salaries.

I was surprised to find the student body proxy salaries. I thought that these student body proxy salaries would be to the use of the Poly for the following reasons. Fast San Diego Ball Club Will Put Poly to Test

Whether California Polytechnic college has a first class ball club or just an average club will be answered definitively this Friday when the Mustangs clash with the powerful San Diego A's at the double-header on the Pomona field.

It was no April Fool's joke to the University of California students as they found the San Diego A's in the campus last Wednesday, but the Mustangs were the ones who moved in to take over the double-header. The A's are the major baseball team on the coast of Southern California, and they were looking to try out the defense and hitting of Poly's new team.

The Mustangs are in for some good hard work come next season. Bert Haas, first sacker, Is recovering from an operation on theocket for a call to the major league, and a new left-handed pitcher, Mott, is expected to be ready for the season.

The Mustangs are looking for a fast ball artist he just calls on Williams. He is looking for a fast ball artist he just calls on Williams.

The Mustangs will put up a good fight against the Tigers of the College of the Pacific. The class of competition is fast and will have to be cleaned up now.

It does not look likely that if it wasn't for the rain the aquaah crop would be ruined. One of these is a long, lean fellow by the name of Bert Haas, first sacker, Is recovering from an operation on theocket for a call to the major league, and a new left-handed pitcher, Mott, is expected to be ready for the season.

Hort Club Studies L. A. Nurseries and Flower Mart
By Paul Trincherch
A field trip to Los Angeles area nurseries was undertaken this week by the ornamental horticulture department under Dr. Howard Brown, instructor, and students left Tuesday for the trip. Many of the largest nurseries both wholesale and retail, and many, specializing in ferns, are being visited on the three-day tour. A 4 a.m. visit to the L.A. flower market will be "enjoyed" Friday by the group, according to Howard. Most of the O. H. men are staying in a Los Angeles hotel for the three nights. The Horticulture club's "Bunny Hop" last Friday was enjoyed by an estimated 200 persons. Wilbur Howes, Gil Brown, who directed the dance, and Jim Coleman, club president, all termed it a fine success. Favorable comment from many dancers went to the Coliseum, where the dance was held. The entrance, the tree in the center, and the Coliseum garden, The Coliseum, under the direction of Ed Waterman, played beautifully and flawlessly, in their usual manner.

Jack Anderson took a number of pictures of the affair for the O. H. department. Labeling of exits and pictures of the affair for the O. H. department.
