Receptions Held For Poly's Royal Queen "Katie" Dupont

Queen Catherine Dupont arrived in San Luis Obispo yesterday afternoon and was met at the Southern Pacific station by a large proportion of Cal Poly's student body. After a serenade by the college band and introductions, the queen was escorted to the campus in a mile long parade that wound through the streets of San Luis Obispo. Transportation for the queen was provided by a beautiful Chrysler Town and Country sedan, provided for the occasion by David Fahl, local Chrysler agent.

Upon arrival at the campus, Queen "Katie" immediately met President McPhee and took part in a broadcast in front of the administration building.

In the evening, following the "Sons O' Guns" show, her Majesty was guest of honor at a reception held in the Hillcrest Lounge, and sponsored by the Students' Wives club. Katie and her princesses, Jo Ann Miller, Carolyn Waite, and Eva Brebes, received a hearty welcome from the students who could attend.

During the celebration the reception was provided by the orchestra from the music department, and the Symphonettes, the Students' Wives' glee club. Sally Fahl, local Chrysler agent, and Oboe Bud presented sells numbers. The entertainment was divided into two sections, and all reports, was enjoyed immensely.

Receptions were provided for all, with Betty Wollers in charge of that committee. The lounge was decorated with spring flowers by Ruth Sherborne, chairman of the decorations committee.

Highlight of the evening were Pat Grobe, president of the Students' Wives' club; Margie Gestebake, vice president; Doris Grigovius, chairman of the reception committee; Cecile Heald, Dixi Garrett, Betty McLaughlin, Sue Drake, Marjorie Cordier, Jf Roney, Olve McLaughlin, Dick Gough, Jane Hall, and Elizabeth Briston.

---

CAMPUS CUTTER... Queen "Katie" Dupont giving a helping hand at the reception held in her honor by the Students' Wives club today after her arrival on the campus. Katie was greeted by the student body during the reception and introduced as the fifteenth Poly Royal. Besides her appearance as the fifteenth Poly Royal, she will be introduced to the student body in a rally and stage review during the coming week. The reception was held in the evening.

NEW ATHLETIC FIELD TO BE DEDICATED TODAY

Cal Poly's new $800,000 athletic field will be dedicated today at 1:00 p.m., in the presence of President McPhee, Robert E. Kennedy, chairman of the Board of Trustees, and W. E. McMillan, Poly athletic director. The dedication ceremony will be televised across the country, and the queen will be one of the Honorary Beggars who will take part in the football game.

---

FROSTY STUDENTS COLLEGIANS TONIGHT

William Nolas, Poly Royal Fun Frolic, will open the Fifteenth Annual Poly Royal assembly at 7:15 p.m. tonight in the gym.

---

COAST-TO-COAST RADIO SHOW "KICKS OFF" 15TH POLY ROYAL

Radio listeners from coast-to-coast are aware that today is the first day of the Fifteenth Annual Poly Royal, thanks to last night's one-half hour nation-wide broadcast of the Army's "Sons O' Guns" program over the Mutual Broadcasting system. Nearly two thousand students from Cal Poly and local residents learned the grandstand and temporary bleachers were opened for the opening assembly as early as an hour before the 8:00 p.m. curtain time, to hear and see the Army's historic missile show featuring Cal Poly's glee club, Julian A. McPhee, Lenae Cervini, student president; Milor Brown, Poly Royal Superintendent, and many others. The entire program of only one-half hour was broadcast over the net-work, was produced and directed by M-Sgt. Rulon Johnson, professional radio show man, now done his bit for Uncle Sam's recruiting program. Assistance with the script had been supplied by Col. Paul McPhee.

The entire 26 piece Hamilton Field concert band, under direction of Warrant Officer Saltn, with so-called "radio artists" a mere" mark setting the scene of the show. Narrator was Col. Dave Feust, who brought in the background information about Cal Poly through his excellent dialogue and interviews with Poly Royal participants.

Announcements for the coast-to-coast broadcast were made by Cal Poly President McPhee and Robert E. Kennedy, with the assistance of Warrant Officer Saltn, Poly recruiting sergeant; Lee Hamilton, Poly Band director; Allan Wise, Mutual executive of Los Angeles, Col. Dale W. Smith, Poly Army relations director and M-Sgt. Rulon Johnson.

The program opened with a brass section fanfare from the Hamilton Field concert band, "All Hall, Green and Gold." Immediately following the announcer's opening remarks, the scene of the broadcast, President Julian A. McPhee's opening words. President McPhee welcomed the Army show and the visitors to the opening of Poly Royal and made use of the opportunity to tell the coast-to-coast audience some of the reasons why Cal Poly is a leader in the field of vocational education.

From the Cal Poly band, Faust led the audience and the listeners at "the flag ship band" with a good change of pace between talk and music, the "Sons O' Guns" performance received a tremendous ovation from the crowd at the completion of the program.
Local Radio Stations Cover
Many “Country Fair” Events

For the benefit of those people who will be unable to attend certain features of the Fifteenth Annual Poly Royal at California Polytechnic College on May 2 and 3, Mutual stations, KVEC and KPRL (Pasco Bobble) will broadcast ten of the special events in the two-day show, it was announced today by Lee Hacker, manager of KVEC and KPRL.

Winding up a “pro-Poly Royal” series of 20 programs given from campus to advertise the college’s “country fair on a college campus,” KVEC and KPRL broadcast the reception of Queen Katie Dupont, from San Jose State, after she was brought from the depot to the front of the administration building.

Opening assembly of the two-day show, which begins at 10 a.m. the athletic field, will be broadcast from 10:10 to 11 a.m. Speakers will include President Julian A. McPhie, Superintendent of Public Instruction Roy E. Epp, and Don McMillan. The broadcast also will include a portion of the inter-squad football game between Howie O’Donnell’s “North” squad and his “South” gridsters.

The entire dedication of Poly’s new 45,000 barrel sale colt will be broadcast from 1:10 p.m. until 3 p.m. If possible a portion of the Poly vs. Pepperdine baseball game also will be aired.

From 3:10 to 4 p.m. the stations will air a number of minute special shows featuring the exhibits and demonstrations of the Poly department and the Industrial Department.

Starting on Saturday there will be the Poly from and owner, of noon, featuring the adult livestock judging contests, a sheep and swine contest and other contests from the Poly, and the Mon Royal will be the Coronation Ball at 10 p.m. From 8 to 10 p.m. Saturday night.

Sunday’s events will include bull riding, calf roping, team roping, and calf wrestling. Poly student will contest in all these regular rodeo events as well as in musical chairs and a boat race. Rock is being furnished by Manuel Cardona, and will be in good shape to do its part.

During the rodeo performance, Zuncho, the Chilean stallion who heads the band of Thoroughbreds now in school, will be formally presented to the college by its owner, Walter Wells. The stallion has been loaned to the college for several years. Zuncho has sired many colts that are racing on California tracks now. He has a good racing record which he made in races in South America before coming to this country.

Supervisor Euan, Dean of Rodeo, Walfar, has been rearing a crop of stud members and has made many members for several days in the performance of a small cardella. This has been one of the finest of past Poly Royals, and will furnish visitors an exhibition of precision horsemanship.

A special treat for all Poly Royal visitors has been arranged in the form of trick riding by Francisco Brox of Prossis, Btuell, New Mexico. Miss Stiroll is a professional trick rider with experience at various Southwestern rodeos.

Area arena and operation of the arena will be taken care of by Poly students who have competed in numerous rodeos, so all should be a smooth running show in every respect.

Professor: “Who was Talley?”
Student: “A fan dancer, and you can talk plainer than that.”

All arrangements for the Coronation Ball are being handled by the Poly Phase Club with John Sen­ton, hall chairman. AnSitting Sees are Paul Billmoch, floor decorations; Max Decker, stage decorations; Erwin Cove, lighting; Keith Southard, reception.

The Club House will present several specialty numbers during inter­mission, singing the popular tunes, “IT Close My Eyes,” and “Guilty” as part of the Coronation ceremony.

From 9 until midnight the student store, El Coral, will be open to provide refreshments for those wanting them.

The dance, which is not open to the public, but only student bodies members and alumni membership card holders, is strictly formal, according to Chairman Southard. Formal for the girls and dark suit or Tuxedos for the men, he added.

Another special feature of the dance will be a “pétit” ball just outside the entrance to the gym­nastics where the dance is to be held. The area is to be fenced off and provided with lawn chairs, swings, tables, etc., according to Keith Southard, chairman of the reception line.

A program dance, no stags, either men or women, will be permitted to attend, said Chairman Sees.

Industrial Division Plans 
Tours of Dept. Exhibits

Tours led by guides who know the details of each exhibit, will be conducted throughout the Industrial Division according to Vernon Luce, head of industrial exhibits. These tours will leave the Power plant every half hour this evening from 7 until 8 and tomorrow morning from 9 until 10 and will include stops at each of the displays from all the industrial exhibits. Luce stated that the guides on these tours would be able to answer in detail most of the questions visitors may ask. Visitors will be able to better see and understand the work of the industrial majors if they accompany one of these tours according to Luce.

Some of the highlights demonstrated on the tours will include the exhibits of the Mechanics Engineering division, the Architectural department and the Aero department.

Visitors will see both diesel and steam engine operation. There will be brief lecture covering these operations and the duty throughout the day.

The committee. She announced with Mrs. F. F. Whiting in charge of the Ladles Faculty club, who brought small children to the Poly Royal, will be available to view the construction shop of the Engineering department, the Architectural department and the Aero department.

When the tours reach the Architectural exhibit the visitors will view presentation drawings of homes, and blueprints of homes designed and built by the students of the Architectural department will be in operation and some of these will be on exhibit.

The Architect department exhibit is divided into three parts. Visitors will see the line-up with a Slimane and three Texline that were under construction at the Southwestern university. This machine will be in operation and some of these will be on exhibit.

All stops on the tour will include the Architectural Engineering exhibit which features the power end of electricity, and the Air Conditioning and General Engineering department of the Industrial Division. The Electronics department, not included in the tour, has no exhibits. That department is handling all of the wiring and address systems for Poly Royal.

Day Nursing To Care
For Kiddies Tomorrow

A day nursery, for the guests with small children will be available at Poly Royal, will be available tomorrow afternoon. The nursery is under the sponsorship of the Faculty club with Mrs. F. P. Whiting in charge of the same. The Faculty club stated that a registered nurse will be on duty throughout the day.

The nursery will be located in the Hillcrest building, and mothers with small children are invited to make use of the facilities available.

Music Dept. Has
Active Month

Cal Poly's music department has been so busy during the past month that the boys are seeing notes that will play both at the Poly Royal and at the Coronation Ball to be held in the Poly gym tomorrow evening.

Architects Plan
Apartment Unit
As Work Project

By Robert W. Sanders

Oil display in room C of the Engineering building is a presentation of the work projects started on in the Architectural department at Cal Poly.

The architectural students are completing work on an apartment unit which is typical of the project work done by this department in the project the students have taken a site located on the campus, surveyed it, and are designing an apartment unit to the specifications provided by the department head.

The Architectural department was officially organized last fall. In this project the students are putting in more overtime.

As Work Project

Two Stands Will Serve
Coney Island Red Hots

In addition to directing the Arrangements Division, the Poly Young Farmers are operating two hot dog concessions on campus during Poly Royal.

These concessions are operated for the purpose of satisfying the hunger or thirst of a visitor might feel between meals or when hoppily from one activity to another and not wishing to take too much time out.

One of the hot dog stands is located on the southwest corner of the agriculture mechanics shop and will serve hot dogs and cold drinks to the Poly Royal.

The second hot dog stand, which is the hot dog concession of the agriculture mechanics shop and will serve hot dogs and cold drinks to the Poly Royal.

The other stand is situated near the rodeo grounds and is under the direction of Don Couchman.

Three hot dogs and a soft drink will cost 50 cents at the Poly Royal.

Poly Boots and Spurs Club
Activity During Poly Royal

Events at this year's Poly Royal to be sponsored by the All-Imus H膻anity Department include the livestock show, the barbecue and the rodeo. Both events will be sponsored by Jack Verendred. In charge of the hot dog show, Don Bowers, has charge of the错heen show and "Shifty" Smith, in charge of the rodeo show.

The livestock show will include breeding animals from Poly barns not exhibited in open competition, as well as project animals owned and fitted by students. The exhibitors will be judged on their showmanship, and winners will receive awards. Many of the project animals to be shown will appear at some of the large shows next fall. Preliminary judging of hogs will take place at the warm room this afternoon, and all beef, sheep and final hog classes will be shown in the rodeo arena starting at 4 a.m. tomorrow.

The pieces which have been on feed at the Poly beef unit will be held for further processing to Poly Royal visitors in Poly Grove tomorrow from 11 to 1:30. Tickets to the barbecue will be sold at $1.00 each, and will entitle their owners to plenty of beef as well as Poly royal concessions. A special tent is being arranged in front of the college church and all of the players will get to view the rodeo.

Tomorrow, a Poly student who has contacted many rodeos, will be in charge of the rodeo. The cutter is to begin at 8 p.m. tomorrow. The Poly Royal Rodeo, it is anticipated, will include such events as horseback riding, riding, calf roping contests and special exhibitions. Poly students will participate in both riding, calf roping contests and special exhibitions. Poly students will participate in both riding, calf roping contests and special exhibitions. Poly students will participate in both riding, calf roping contests and special exhibitions.
Whites vs. Golds Today In Intrasquad Football Clash

The spring football session will be wound up today with an all-session practice. There will be a total of regulation 15-minute quarters. The two squadrons have been fairly well balanced, with the advantage lying in the backfield for the Gold team and the defense in the opposite direction.

Viewing both squads from an overall picture, each team should have about an equal share of power. The Gold team seems to have a little better rated than the Whites due to the strong backfield of Few, Conner, and Shrader. Varrio Jim Yates, who will captain the Gold squad, will start at fullback. Jerry Carter will handle the ball in the backfield and these two will be in turn supported by Culver and Bob Wood, two hard running backs. Moving up into the Gold line, Dizette and Winstone will be the ends, Hank and Benkle at the tackles, Rushings and Garver at the guards and John Fitzner at center. The Whites, who will be led by Joe Griffin, will come up with a hard going line and a backfield that will bear watching. In the backfield, Estopar will start off at quarterback, Jefferson and Hunt at the halves and Hug will probably start at fullback. On the defensive line, there are six lettermen from previous Poly teams who are backed up by several other good ball players. The backfield seems to have everything to stop them. As Carter, Culver and Griffin are according to last reports seen to be their backfield game. The game will start at 10:45 and will appear to be a little better rated. Jim Yatea, who will captain the backfield they will field. 'Jarrin' and Bolton, at the tackles will be according to last reports they seem to be their backfield game. Out on the Whites' line will be Hume and Colby and complete the line. On the defensive side, Van Herxler and Clark and Coner and Land and the guards Griffiths and Erasse. The center position will be filled by Anderson or Green.

First Wrestling Teams Go In Good Competition

Cal Poly's entry to the California Collegiate Athletic Association meet will come in with the first intercollegiate wrestling session of the history. The Mustangs, under the guidance of Charlie Pavlacka, the new Green and Gold Justice in their first year, are in a very good shape. They are made up of seven men, of whom three are full blooded wrestlers, Clark, fastly, Paul Adams, 120 kg., and Gurney, 130 lbs. All but Wilmot will return next year.

The wrestling team entered these meets this year, two AIA meets and two major meets, by winning the Tri-Mountain and Wilmot Carnival. In these meets the team performed with close to 100% consistent, and in seconds, a creditable showing against tough competition.

BOWIE O’DAIRE
Poly head football coach

Bulldog Golfers Trim Mustangs

Cal Poly's golf team was selected last week from a number of teams to compete in the 10th Annual Invitational Tournament at Whiting Field, taking the medalist 121 to 94. According to the information received the Mustangs consumed one match with the Bobcats of the University of Missouri. The Bobcats, 377, had the course shot an 88. The Bobcats were won by Jim Emming, Darby Gabby, Joe Hoff, and Jack, Reesman. Plans for future matches are yet to be made and will be posted in the near future. Ar dis Ancor, who wishes to enter the competition should report in at the athletic office.

Boxers Look to Coming Season

Having completed a successful boxing session, the Southern California Athletic Conference, with the exception of Pepperdine, has no champions in the 166 lb. class. In the 175 lb. class in the ECSA, Winter, who is currently working as a tough schedule with Cal Poly, will be a yardstick and a dividend, says Davis, will be hard to replace. Davis is graduating and is a second, student coach. Davis is graduating and is a second-year

DON CRAWFORD...the dean of the Mustang pitching staff, will be posted in the near future. Crawford will be a hard task for the pitching in the Golden State College.

Here is Mustangs Coaching Staff

By Ray Botel

Carl D. Valtman—Director of Athletics, Dr. Valtman was added to the staff last September with the duty of director of athletics. He is also a member of the board of directors of the Metropolitan Athletic Association, and has been on Cal Poly's coaching staff since 1959.

MARSHALL SAMUELS...on the coaching staff, he has charge of swimming and gymnastics. He was director of athletics and football coach at Mission High School and the University of Akron in 1938, he was high school assistant football coach at Mission High School, and was an assistant football coach in several schools. Sometime of the fighting)

For 2C2A Competition

The Mustangs have announced that they have planned to compete in the 166 lb. class, and a second, student coach. Davis is graduating and is a second-year

Splash Artists Find 2C2A Meets Tough

Looking back on the result of the Mustang swimmers, little can be said of the effort they put into the sport. One of the most consistent boxers in the conference, Burt Crawford, currently being a veteran of 13 years, in his regular right fielder, is the son of one of the best boxers in the country. But Crawford, currently being a veteran of 13 years, in his regular right fielder, is the son of one of the best boxers in the country.

Bob Mott's boys will have to hustle on the event this year, but rather spotty to date, but there are some hand jobs here running the schedule at 2:30, and root for Poly in the near future. Crawford throws out the first ball.

This is the big day, Poly Royal time is at hand. No classes, no homework, no worries. Exhilaration, excitement, and activity are the order of the day. To our visitors a hearty welcome. You see this is Poly's "country fair on a college campus" only occurs in California, and only once a year.

To the people who have come to visit our campus for the first time and to those of you who are unfamiliar with Cal Poly's efforts along athletics lines a brief word about the student body. In general, I would like to give you a brief sketch of some of our outstanding athletes and the reasons why they are outstanding. In the near future (May 23) student body elections will be held to elect the student body officers for the coming year. It will be at this time that the student body will also vote on the most valuable and outstanding athlete of the past school year. The party chosen, in turn will be the recipient of a beautiful trophy donated by Adams Hats and Sports. Meanwhile, the present time is it on display in El Corral. Here are a few of the possible candidates.

Going back to football season and to the Mustang's successful grid accomplishments, there were about 44 men on the field. In most cases, the boy's decided to work hard in the winter to make the spring backfield. Of these, five were outstanding. Bob McBozell was a good fullback and kick. Fred Brown and Don German were backfield stars. The poly team was the best team to be featured by the excellent Autumn League, but Poly still had to work on their team.

Football, Win 6 and Lose 2

May 2, 1947

Cal Poly Sports In Review

Hank Moroski, in one of Poly's finest basketball seasons, broke the college scoring record and placed all conference honors. Moroski, a stand-out player all season with the best all-round basketball player at the San Jose State basketball tournament on the ladder, placed one man on the All-Conference team.

Hank Moroski . . . is shown here receiving the most valuable player award at the annual 2CA basketball clinic. COACH DON GERMAN, basketball and baseball, made the presentation. Hank broke all scoring records here at Poly when he scored 100 points during last basketball season.

Mustangs Squad Successful at Football, Win 6 and Lose 2

The Mustangs opened their '46 fall season with a loss to the Santa Barbara Gauchos, but that ball game was no indication of what was to come. After recovering from the first game, the boys came back to win six games, the one loss and one move this fall.

The second game was played at San Diego State, where the Mustangs defeated the Aztecs 74 to 72 in the third straight home game. The Mustangs defeated Whittier, 12 to 7.

Journeying to San Diego again, the boys from Poly whipped the Naval Training Station 64 to 6. On the second game of the season, the boys played against La Costa, and it was gold invaded Los Angeles and dropped a hot ball game to the Peppertree boys from Poly. After winning four games from the bottom team on the ladder, the boys from Poly whipped the favored Antec team, 21 to 15, in the first game, the boys came back to win six games, tie two, and lose two.

In the second game, the boys from Poly whipped the Antec team, 6 to 5, in the third straight home game. The way the Mustangs have been playing this season, they have been more or less on top of the ladder, so in other words, they are capable of knocking anybody off the ladder.

They started out by travelling down to Santa Barbara to play the Gauchos. That was the first time they had played Don German had checked good enough ball to win the narrow margin of a squeaky win in the first game. They went on to lose to the Gauchos by the score of 47-45. That wasn't as bad as it sounded because, they came home and saw in the very tough San Jose bunch, that was a changing week 8-4 and 8-4. That game looked as good as the league standings, so they played the Gauchos to their next two double-header games in a row from Fresno to Antac. In the first game的结果 was 8-6 and 6-5 from Fresno and 8-4 and 8-4 from C. O. P. These two double-header games were hotly contested and were featured by the exciting batting of Crawford, Williams, and German. Don Brown, who definitely looks like the team to win the crown, didn't have too much trouble in winning four games from the Mustangs, two down there and a double-header here. The boys from Poly took the win and the second win in their last series from the Gauchos; winning the first game, when Don Crawford twirled a stinker, 7-3 and losing the latter one 7-2. That brings us up-to-date with a record of 8 and 6, with six remaining games to play.

As far as the team goes, their reputation of being the fightingest team in the conference stands, so they have been more or less a head of the pack. Their collective work on offense and defense has been splendid, with the bottom team on the ladder. The way they have been playing the games, the boys from Poly have been shown to be one of the catchers on the Mustang nine. Finishing up with the other two, we have the outstanding work of Moroski. Moroski, a stand-out player all season, was responsible in part for the outstanding work of Moroski.

Although the Poly ball team was picked to end up in the cellar by the majority of sports writers, the Mustangs now find themselves in fourth place in the league standings. The way the Mustangs have been playing this season, they have been more or less on top of the ladder, so in other words, they are capable of knocking anybody off the ladder.

One of the most outstanding on the Poly team this fall has been Hank Moroski, a stand-out player all season, and he was voted the most valuable player for the season by the football writers.

Poly Royal Visitors to See Fine Poultry and Egg Show

By Herb Handewald

This year's Poly Royal is featuring one of the finest Poultry and Egg shows on the West Coast. The Poultry and Egg Show is one of Poly's annual activities and is the climax of the courses in poultry science. The visitors will be under the supervision of the department's chairman, Dr. H. B. King. The students and guests will be entertained with all the trimmings of field conditions. The show will be held on 10 a.m. on the school rodeo grounds.

The Egg show is located inside the main arena of the Poly Pot. The classes are comprised of the show and prizes are being awarded in the main arena with three rooms. Eggs and also oranges are entered in their respective rooms.

The Crops club, which is comprised of the students of the department's hard work of carrying full responsibility for the success of this year's Poly Royal. They will be responsible for the success of this year's Poly Royal. The Crops club will have a very interesting display of several types of grains, the results of the harvest of the crops, and the results of the results of the crops.

The egg show will be held tomorrow at 10 a.m. on the school rodeo grounds. The Egg show will be held tomorrow at 10 a.m. on the school rodeo grounds. The Egg show will be held tomorrow at 10 a.m. on the school rodeo grounds.

The Egg show is located inside the main arena of the Poly Pot. The classes are comprised of the show and prizes are being awarded in the main arena with three rooms. Eggs and also oranges are entered in their respective rooms.

Committee Makes Plans to Ease P.R. Traffic Congestion

The Poly Royal traffic and parking committee, under the guidance of Ken Andrews, chairman, has announced the completion of preparations for the handling of the large numbers of cars expected at Poly Royal. The committee, working directly with Mr. Barrett, security officer, has submitted the following program to be followed during the two-day open house.

1. The main flow of traffic will be along Campus Way, Cuesta ave., Mt. San Luis st., from there to Pepper Lane, to Mt. Bishop road and then to the grounds. No parking will be allowed on these roads.

2. The main area bounded by Cuesta ave., Poly Vue Drive, Pepper Lane and Mt. San Luis st. will be closed to traffic by road blocks.

3. There will be no parking on California ave. between Cuesta ave. and Pepper Lane.

4. All students are urged to direct their guests to the three main parking areas, one south of the Aero lab (No. 02 on map), one in the paved region between Deuel Dorm and President McPhee's residence (No. 01), and the third adjacent to the Main Arena, which is located west of the Sheep Unit (No. 03 on map).

5. On Saturday all students and their guests are urged to leave their cars parked at the rodeo grounds when going to the barbecue.

6. Don't miss the Industrial tours conducted today and tomorrow.
