WHEREAS, The Agricultural Engineering Department has requested the name of its department be changed to the BIORESOURCE AND AGRICULTURAL ENGINEERING DEPARTMENT to better reflect the program the department is currently offering; and

WHEREAS, The request for this name change has been approved by the College of Agriculture Council, the College of Agriculture Academic Senate Caucus, the Dean for the College of Agriculture, and the Academic Deans' Council; therefore, be it

RESOLVED: That the name of the Agricultural Engineering Department be changed to the BIORESOURCE AND AGRICULTURAL ENGINEERING DEPARTMENT.
To: Harvey Greenwald, Chair
   Academic Senate

Date: March 13, 1996

From: Paul J. Zingg
   Interim Vice President for Academic Affairs

Copies: Joseph Jen

Subject: Request for Department and Program Name Change—
Agricultural Engineering

This is to inform you that at its meeting on Monday, March 11, the Academic Deans' Council
unanimously approved of the departmental name change of Agricultural Engineering to "BioResource
and Agricultural Engineering," based upon the following motion: "It was moved and seconded to
approve the name change with the understanding that the curricular content reflect that similar to the
programs and departments with that departmental name at other comparable colleges and universities,
and based on the expectation that the Department will proceed with the implementation of the plan
noted on Page 2 of their revised proposal dated March 6, 1996" (copy attached).

As a result of the action taken by the Deans' Council, I would appreciate the Academic Senate
reviewing this matter as soon as possible. If you have any questions, please do not hesitate to contact
either me or Dean Joseph Jen. Thank you.
