Subject: Academic Senate Resolution AS-474-97/1C: Resolution on the 1996 Advising Survey: Report and Recommendations for Future Action

Date: April 25, 1997

I am pleased to approve the above subject Resolution. In response to the Instruction Committee's recommendation, I am requesting that the Provost and Vice President for Student Affairs develop the membership of, and charge to, a Student Advising Task Force, to include faculty, staff, and student representation from both Academic Affairs and Student Affairs. It is my intent to have the Task Force report directly to both the Provost and Vice President for Student Affairs.

The Instruction Committee is to be commended for its work on this needs assessment for student advising. I look forward to the establishment of this task force and its accomplishments on this very important topic for students.
