New Conference Planned
For 1953: Okay Pending

By Will R. Thomas

Prestige ... fewer scheduling problems ... reduced travel budget ... stronger conference. This should be evidenced by the return, for confidence for state colleges and other small schools are carried through by state college presidents.

Coach Michael McPhee of Santa Barbara, Dr. Elmer Noble of Santa Barbara, regional vice-president of Beta Beta Beta, congratulated Charles Mandor, president of the Epsilon Pi chapter at Cal Poly, on his installation, Dr. Eugene Bovee and Dr. Glen A. Noble look on (left to right).

Show Planned To Boost Funds For March Of Dimes

Annotating launching of the Dimes March of Dimes drive, Bill Maxon reports that you believe in this country and this drive a success. It means that you are a patriot.

Following the show, there will be an installation banquet held Friday, Feb. 21, 7:00 p.m. in the Engineering auditorium. No reservations and no guests. Everyone is invited.

Attention PL16 Men

President Julian A. McPhee has invited all students to attend a meeting to be held Friday, Feb. 21, 7:00 p.m. in the Engineering auditorium. No reservations and no guests. Everyone is invited.

McPhee Toasts All
Who Aided Crusade

President Julian A. McPhee this week extended his congratulations to all students who helped to put the drive over and made it a success.

For the proposed move.

AS8 Officers Take Ideas To Voorhis

With the quotation, "Misunderstanding is more moribund than reality," J. Cordner Gibson, head of Cal Poly's academic council, stressed the problem of understanding precepts of the community in his address to the ASB last Tuesday at a public hearing before the State Public Utilities Commission, it was disclosed today.

"Students and others affected may express their views at a meeting to be held in the department of Public Utilities at 6 p.m. Feb. 8.

New Office Hours

Dr. Earl Lovett, health center director, today announced a change in his office hours.

The new hours will be on the same daily basis, but will be between the hours of 8:15 a.m. and 4 p.m. Previous hours were from 8 a.m. to 4 p.m.

Those Senior Pictures

To Be Ready In March

El Notre senior portraits, to be distributed March 5th in the Student Union building, were announced by Bob McKelvey, ASB special projects chairman. McKelvey said that the pictures will be ready in time for the upcoming spring session.

Confirmation Given

President Julius McPherson reasserted the following rules governing visitors to the campus during this year's conference of College Unions, San Francisco, during the SAC meeting of student union building committee.

"Congratulations to the entire student and staff body on another outstanding blood drive. Everyone has contributed beyond the call of duty and students have been most cooperative in the blood program for the Red Cross," Chief Justice Hare, consulting with students, said Virgil Strong, southern campus coordinator of publicity.

"We have developed a new program for students, students and visitors, which will aid in the dissemination of information and provide a better understanding of campus rules and regulations," Hare said.

On hand to carry the ball for the campus were: Vincent Mike, Poly student body president; Bill Maxwell, vice-president; Bob McPherson, secretary; Don Perry, Poly Royal superintendant; and Bob McKelvey, representing publications.

The purpose of this intercampus effort is to coordinate all student activities on both campuses to further the aims and accomplishments of the college," said Earl McNicholl, southern campus coordinator of publicity.

Subjects discussed by the group were budgets, Poly Royal, Poly Vio, race parade, and intercampus cooperation, which will be given in the engineering and art sections.

Renee, winner of the annual trophy for the best student body president, was inaugurated at last night's meeting with the presentation of a special plaque to commemorate the occasion.

The group met October 6, 8 and 10 as their next meeting date with the conference site scheduled for the San Luis Obispo campus.

SAC Adopts New Visitor Ruling

Rules governing visitors were set up by the SAC at its last meeting, May 15, 1962.

The rules, compiled from those applied at other campuses, are as follows: Any visitor wishing to be on hand on any problem shall present to the chairman three days prior to the meeting a written request to be placed on the agenda. The request shall specify the problem to be presented and shall state the amount of time he needs. He shall be notified of the chairman's decision prior to the meeting.

No visitor shall participate in the discussion unless he is on the agenda or unless the chairman requests his participation. On his way to his Vroomuslan court, Mr. J. D. Hood, Poly's director of publicity, had several matters of what he feels is importance to discuss.

CSEA Meets Monday

Cal Poly's chapter of the Californian State Employees Association (CSEA) will meet at 8 p.m. May 16, 1962. CSEA representatives to the recent meeting of the CSEA state convention in Los Angeles, and Pres. T. M. Rickards, urges the directors to attend the meeting.

"We have developed a new program for students, students and visitors, which will aid in the dissemination of information and provide a better understanding of campus rules and regulations," Hare said.

Scene About The Mustang Campus

Highlights of the local blood drive which saw Poly go well over its quota are shown at the top of the page. Upper left photo shows the waiting line which started to form Feb. 13 at 4 p.m. Center photo shows a volunteer getting a blood smear. At the right is another shipment of blood loaded and ready to go.

Directly below shows Maj. Joseph Deul, recently retired, receiving congratulations from President McPhie, left, and Carl Beck.

At the left is a shot of the present CCAA hierarchy. This group is at present awaiting a decision of the State college presidents' council which is discussing plans for a new conference. See story on page one.

All photos were taken by News bureau and El Mustang student photographers.

Want Ulcers? Be a Boxing Coach

Poly Boxing Coach George Prouse shows clearly why coaches usually wind up with no hair and a nice set of ulcers. In the pictures below Prouse runs the gauntlet of emotions ranging from anxiety to smug satisfaction. Still wanna be a coach?
This Is Brotherhood Week

This is Brotherhood Week; although why anyone should think the term of brotherhood for only one week is beyond us, Brotherhood isn't something you can turn off and on like a light, and it is something that you can live with 85% days a year.

It turns up in such diverse things as the new intercollegiate blood donor record made by Cal Poly last week and the fund dedicated to improvement of intergroup and inter racial relations which was established by the students on Feb. 2. Moore, NAACP leader killed Christmas night by the explosion of an assassin's bomb placed under his car in his home.

Sponsor of Brotherhood week, the National Conference of Christians and Jews, incorporated, has as its purpose, "...to promote in every human, understanding and cooperation among Protestants, Catholics and Jews, and to analyze, modify and finally eliminate intergroup prejudices which disfigure and distort religious, business, social and political relations, with a view to the establishment of a social order in which the principles of brotherhood and Justice shall be the standards of human relationships."

But let us not reach beyond these limits. In this troubled world today where the actions of groups in some of the most remote parts of the world affect our everyday living, we must extend cooperation and understanding to all groups.

Conversion by the sword has failed wherever it has been tried. It is up to us to make true brotherhood the basis for a lasting peace. We have found that we can live here together on campus, help each other, and have fun doing it.

When we extend this feeling to groups not on the campus, we come closer to the ideal of a peaceful life. In other words, brotherhood throughout the year pays the longest long-term dividend.

The following three paragraphs tell how important the editor of the editorial pages of one of America's leading newspapers feels brotherhood to be to the world.

There is something that no one has ever told you about the world. On the contrary, this is precisely the time to begin talking about brotherhood. That is, if we hope to retain a decent sanity in this country and later to serve as an effective healing agent to the rest of the world.

The National Conference of Christians and Jews, founded by Charles Evans Hughes among others, is now engaged in the celebration of Brotherhood week. It is an annual observance, built around Washington's birthday. Surely it is more meaningful this year than ever before.

The avowed purpose of the National conference, which looks after religious, racial and cultural relationships among Protestants, Catholics and Jews, is to "make America safe for democracy."

It is overshadowing the importance of Brotherhood week to say that America will be safe for democracy not one moment longer than it remains safe for democracy.
Hams, Actors Form Theatrical Group

Any student with real theatrical aspirations or anyone who merely likes to have fun is invited to attend the first meeting of the Cal Poly Little Theatre group next Thursday at 8 p.m. in Room 558 Administration building, says Norman H. Lewis, psychology instructor and group advisor.

Not only will the club fill the needs of would-be actors, but it also will offer opportunities for set-designing, sound engineering, prop work, costume and other behind-the-scenes activities.

The campus almond orchard is now in full bloom, says Tom West, crops reporter.

**Chico Boxers Here Feb. 29: Shaw Injured**

Chico State basketball fans will have their hands full when the Mustangs face the Aggies on Tuesday night in what promises to be a hot shot. The Aggies have played well in recent weeks, but the Mustangs are coming off a loss to the Jaguars, a team that many had expected to be a strong contender in the conference.

**On The Line**

With WILL S. THOMAS, Sports Editor

The Mustangs must overcome this setback and get back on track if they hope to make a serious run at the conference title. The Aggies, on the other hand, are looking to prove that they are just as formidable as the Mustangs. This game promises to be a battle of two of the best teams in the conference, and fans are sure to be in for a treat.

**Shaw's Line**

The Aggies' line-up features a mix of experienced players and up-and-coming talent. The Mustangs, on the other hand, have a solid core of returning players who are ready to step up and lead the team to victory.

**队伍建设**

The Mustangs' line-up is solid all around, with a mix of experienced players and promising newcomers. The Aggies, on the other hand, have a solid line-up that is sure to give the Mustangs a run for their money.

Intramural Playoffs Near

By Dick North

The Mustangs, along with the remaining seven teams in their division, have pitched their slider and finished the season with a winning percentage of .750. The Mustangs had a string of three straight wins, leading them to their first ever win in the Intramural Playoffs. This year, the Mustangs were joined by the remaining six teams in their division, and they won the first two of the three playoff games. The remaining game will be played next week.

Final results are tentatively scheduled for the first week of March.

Other unbeaten squads in the Intramural Playoffs include the Egypt, the Blue Throat, and the Red Throat. Each team has finished with a perfect record of 5-0.

This year, the Mustangs have shown a marked improvement in their overall performance. They have won a total of 18 games, with only 2 losses. This is a significant improvement from their previous season, when they won only 14 games and lost 4.

Fred Lomere, head basketball coach, said, "The Mustangs have really come together this year. They have worked hard in practice, and it shows on the court."
Polymen Invited To Hear Brother Panel

Students are invited to hear three former Polymen discuss the idea of a Poly Brotherhood. The meeting will be held on the Poly campus, Feb. 25, sponsored by Selective Service. The discussion will be held in Room 121 of the Ad building. Students are invited to hear the discussion.

Student Opinions To Be Accorded Consideration

Student votes are to be accorded consideration, according to Dr. W. C. Zimmerman of San Luis Obispo State College, who says, "We have the advantage of graduating experienced men. This is the best on-the-job training the boys can have."

Cut In Revenue

Aerobic classes were cut to a net of about 4,000 in the Poly athletic operating budget if plans go through.

Rivalry is another thing which could be stirred up with formation of the new conference, says Hughes. With the president and athletic directors governing, over-emphasis of athletics in state schools can be controlled.

And while there is bound to be a big profit in the league for a school that is not a member, competition would have to level off if a fair and comparable plan, Dean Chandler said.

All school and university clubs have agreed to make the new conference the first love of 10 universities.

The league, Dean Chandler finds, "would be no chore to fix up a plume of 10 universities."

Setting a new tradition on Poly campus, Feb. 26, members of the Sophomore Class have planned activities of events that will be held in the library, which will be held in Room 121 of the Ad building. There will also be a special lunch for small theater productions, and movie. Refreshments will be served.

Soph Class Alums At Future Traditions

The conference of Christian and Jews, says Zimmerman, "will talk about brotherhood in relation to their respective faiths, says Zimmermann.

The party, held by the Intercollegiate Relations club, will celebrate Brotherhood Week, Feb. 15-24, sponsored by the National Conference of Christians and Jews. Refreshments will be served. Zimmermann says. Commuter Monthly club secretary-treasurer, is chairman of arrangements.

Applications Deadline For Defeats Test Set

Deadline for filing applications with local draft boards for taking the April 24 college deferment test is March 16, according to reports released by Selective Service. The test is to be held in Room 121 of the Ad building.

The testing service will send applications to local draft boards for use in consideration of student deferment tests.
