Mize Pleads For Okay Vote
At Universal Fee Election

Needness for an affirmative vote on Universal Student Body cards at the April 15 election was emphasized today by ASB President Vern Mise. A negative vote on the part of the students would result in a probable 50 percent cut in ASB funds for the next school year.

Coed Plans Being Set In Motion
By Marilyn Mullen
Miss Marilyn Mullen, a recent graduate of Antioch and Mills colleges, has been appointed to the newly-created position of assistant activities director, Dr. Law- en announced this week. Miss Mullen is the first female to be named to this office.

Mize Pleads For Okay Vote
At Universal Fee Election

graduates of Antioch and Mills announced this week. Miss Mullen along with the title of assistant psychology and personnel work, she will work with students and personnel assistants under Miss Mullen's direction.

The following election will definitely settle the issue of universal student body fees at Poly. For years the students have been trying to get rid of the athletic fees, which are one of the 'frills' of the Poly student. The issue is now being brought to a head.

The framework for the vote of those casting ballots is necessary for the adoption of such fees, Mise said. Poly's student body has made no bones about this kind of issue, and the vote will be held on May 12. The date was set by the student body.

Ten Candidates

Three Ohio statesmen, five from each major party, listed on the ballot. The voting rate was as follows:

- Donald Stassen, national future Farmers, president, from Michigan.
- Daniel W. Hoefling, national future Farmers, president, from Ohio.

The ballots also had their own trend and lists other names on the campus.

The presidential nominees were: Donald Stassen, national future Farmers, president, from Michigan.

The democratic convention is still quite far away, as Stassen's name was added to the slate.

But the fact that he has been nominated for the presidency is a good indication of what the future of the Democratic party may be.

The ballot will also have its own trend and list other names on the campus.

Poly Royal Awards Given For Judging Showmanship

Adult judging and student showmanship contests were held under the direction of drill instructors, followed by the selection of winners and broadcasters.

Classes, winners and reserve champions were as follows:

Sheep Showmanship: Sheep showmanship contest winners.

Grand champion of the sheep division was Dick Clark. Classes were judged by Gilbert G. Markle.

Awards for outstanding work on the Cal Poly campus were made to the first place winners in the judging.

What's Going On Here? ( Continued )

Dear Editor:

I think now is the time to bring to the student body the credit for all the work they are doing. More and more of our students are realizing the importance of being good citizens. They are developing self-confidence, that will help them in their future careers.

I think it was only last year when I first saw our students working on the school. They were doing a job, with the vice-president of our school. I think it was only last year when I first saw our students working on the school.

Why should a citizen of a nation be afraid of being a good student? The pride in one's country is not measured by the amount of work one does. The pride in one's country is measured by the quality of one's work.

My argument concerns the need for pride in our nation. We need to be able to stand up and say that we are Americans. We need to be able to say that we are proud of our nation.

I will be doing a talk on this subject at the Santa Cruz county. I will be doing a talk on this subject at the Santa Cruz county.

Poly Royal Sport Roundup

Mustangs Victorious In All Sports Events

By Will E. Thomas

So it rained again during Poly Royal, huh? Tough luck, but guess it really made no never-end, since neither the Poly Royal boys nor the several junior colleges who, for the second straight year, had to do without the usual annual Poly Royal Relay. The relays had to be called off the minute rain began to fall, save a 440 yard relay of Poly's, would soon be unfit to race

Hank's how things went in the Poly Royal sports world, then, in a general roundup of events on the Cal Poly campus.

1. The Mustang baseball team, behind the throbless placing of Roy Oella, defeated San Francisco State, 6-4. Connolly earlier in the day, the game was on after about 40 gallons of gasoline were used to try the game as much as possible," according to Coach Robert Bettle, who later said seven bingles to three, but committed three errors to Poly's two. ThePoly Royal Rel. The Mustangs finished in second place behind Cal Poly in the CCAA track and field meet.

2. Poly's John Cowan, who has looked plenty good of late, has won the MVP award for the Mustangs. "He's a good ballplayer," Coach Gen* Smith's team is mighty solid.

3. In the Catalina golf tourney last year held at the course where the two conference biggies will meet, the Mustangs have no chance at all. If the visitors have no chance at all, if the visitors will get the nod tomorrow.

4. The two conference biggies will meet, the Mustangs have no chance at all. If the visitors have no chance at all, if the visitors will get the nod tomorrow.

5. The Mustang win-loss record is 7-2-1. Although little is known of the2A first choice,

6. The University of California the Mustangs lead the Mustangs, 7-0, in a grand slam victory by Tom Pollock, a pinch-hitter, in the

7. "It's better they bring a strong team, because the team here means a lot to them," Smith says, however.

8. Again with the Mustangs, the Mustangs, 7-0, in a grand slam victory by Tom Pollock, a pinch-hitter, in the

9. "It's better they bring a strong team, because the team here means a lot to them," Smith says, however.

Building Program Takes On Expensive 'New Look'

Cal Poly's progressive building program will take on a more expensive 'new look' recently when the budget for the new academic year was released. The budget, which covers the fiscal year 1952-53, amounts to $2,161,690. It includes funds for the construction of new buildings, the purchase of equipment, and other capital improvements.

The largest single item in the budget is the construction of a new power building. This project, which was approved by the state legislature, will cost approximately $778,000. The building will be used for the generation of electricity and will replace the old power plant.

Another important item in the budget is the purchase of new equipment for the agriculture department. This equipment will cost approximately $200,000 and will be used for the teaching and research programs in the department.

The budget also includes funds for the purchase of new furniture and other items for the campus. These funds will be used to replace old and outdated equipment.

Provision is also made in the budget for the improvement of existing buildings. This includes the repair and maintenance of the old engineering building and the administration building.

The budget is expected to be approved by the state legislature in the near future. It will be used to finance the construction of new buildings and the purchase of new equipment for the next fiscal year.

New Officers Seek Student Opinions

(Continued from Page 1)

The new academic year will bring new officers to the Inter-Fraternity Council. These officers, who will be elected during the fall semester, will be responsible for the operation of the council and the various activities sponsored by the different fraternities.

The new officers will be selected by the Inter-Fraternity Council and will serve for the fiscal year 1952-53. They will be responsible for planning and conducting social, educational, and service activities for the members of the council.
