Subject: Response to:

AS-518-99/EX, Resolution of Merit Pay Under the Imposed Employment Conditions
AS-519-99/AS, Resolution on Participation/Nonparticipation in Imposed Merit Pay Process

I am in receipt of the above-entitled resolutions.

The concerns of the faculty as expressed in these resolutions are clearly understood and recognized. Subsequent to the adoption of these resolutions by the Academic Senate, a successor agreement acceptable to both parties was ratified. It supercedes the imposed employment conditions, as well as the imposed merit pay process. While the subjects of these resolutions are now moot, I am hopeful that a new era of cooperation between the CSU and the CFA has begun.

Please extend my appreciation to members of the Academic Senate for bringing their concerns to my attention in a collegial and thoughtful manner.
