President Warren J. Baker's response of April 19, 2001, to Response to Academic Senate Resolution AS-560-01IEC-Resolution on Calendar:

"This will acknowledge receipt of Academic Senate Resolution AS-560-01IEC, Resolution on Calendar. As the University administration has regularly done, we will seek and weigh very carefully the views of the faculty through appropriate means on any matters pertaining to the academic calendar. This input will be taken into consideration along with any Systemwide directives and policies that may affect such matters.

As a result, I am asking that the Senate Executive Committee, in conjunction with the Provost, determine the best means to gain the faculty's views on calendar and related matters. I am hopeful that this can be done prior to the conclusion of the Spring Quarter.

Please extend my appreciation to the Executive Committee for its assistance in this matter."
