Scribes Favor Mustangs
As Baseball Begins

By Al Barto

The Cal Poly horseflies returned to their home diamond this past weekend and another on Tuesday. The Mustangs started off on the right foot by clubbing Westminster college, 15-1, in the season opener. They dropped Oxnard, 12-8, and faced a tough one against Occidental last Thursday, 12-11. The team is currently 2-2 in conference.

Ronald Hutchings Slated For A H Post At Boys Town

Ronald Hutchings, a senior civilian baseball assistant at California State Polytechnic College has been named to direct the baseball winning department at Buckeye's world famous "Boys Town." Hutchings is a 21-year-old Texan and will enter the Boys Town in the fall of this year. Hutchings has been with Cal Poly for four years and has done an excellent job with the team. He is a popular figure among the players and is well-liked by the fans.

Musician Return From Concert Tour

"This was the best tour yet," stated Harold P. Davidson, director of music, who accompanied the Blue Club and Collegians returned from their annual concert tour. The tour included appearances before high school and public school audiences. The Blue Club presented shows at the Cow Palace and Central College. Davidson said that they were received enthusiastically and that a number of Poly Alumni were in their audience. The tour included five performances, which took place in 50 minutes.

Electronic Installs

The electrical engineering department is making its first permanent installation in the laboratory. A permanent concrete base is being prepared for the installation of George C. Abel.

Poly To Offer Farm Machine Sales Course

A two-week course for salesmen in the farm implement dealer field will be offered this summer at Cal Poly Farm Polytechnic College, according to plans conceived recently at a conference of dealers and college faculty members on the campus.

The course will be taught by seven staff members July 20 to Aug. 10 and will be open to all farm equipment dealer extension personnel.

Plans for the course were announced at the two-day meeting of the education committee of the California State Agricultural Association and faculty committee members held under the direction of C. O. Heyer, head of the college agricultural engineering department.

As a result of the conference, the following courses will be started:

- Sales psychology—report writing and salesmanship mathematics. They will be housed at Camp San Luis Obispo during the two-week period.

- Attending the conference at Cal Poly were F. W. Tarr, president of the California Farm implement dealers association; and Stewart M. Brachman, secretary of the association.

- Cal Poly has made the motion which was unanimously passed, granting permission for the signs to be placed at the north and south entrances to San Luis Obispo, County.

- The signs, each reading "Home of the Mustangs. California State Polytechnic College 1 mile S.W. of San Luis Obispo" with a letter on each, will be placed on the upper corner of the board, will be shown prior to April 1, according to a letter sent to the meeting from William A. McPhee, president of Cal Poly.

- "The purpose of the signs is the responsibility of Cal Poly," McPhee said.

- A number of students will be working at the college, was presented in the meeting in behalf of the signs. It was revealed that the signs are part of a single issue of a Christian Association, which is a cooperative effort toward the cost of the project, and that the balance of the cost and erection of the signs is the responsibility of Cal Poly.

Allyson Touch

Signaling attention to the fact that San Luis Obispo is the home of California State Polytechnic College and will soon receive another sign, and those over state highway 101, as a result of the city council's approval last night of slight restrictions of the proposed installations.

School Bus Laws Will Be Enforced

A complaint against Cal Poly drivers has been lodged by the local board of education, according to E. A. Steiner, campus security officer, who says that recently children getting on or off school buses have been endangered.

Section 688, California vehicle code, states in part, "The driver of any vehicle upon meeting or overtaking from, either direction any school bus which has stopped for the purpose of receiving or discharging any child shall bring such vehicle to a stop immediately before passing said school bus but may then proceed at a speed not greater than 10 miles per hour and with due caution for the safety of the pedestrian."

Steiner further stated that citations are being written for drivers violating this law.

Bob Steele's Article Opens Editors' Eyes

Polly's Fresh grid coach, Bob Steele, has come up with a new angle on the intricate "T" formation. Steele, constantly working on ideas for perfecting the "T," has been informed by the Athletic Journal and Bohemian Club, respectively, that his article, "An eye-opener for "T" coaches," will be printed in the new spring issues of both magazines.

Block "P" Society Reorganizes Club Government

The Block "P" society underwent a major operation at its last meeting, February 17, in order to effect closer cooperation between the various phases of the athletic department. A sweeping reorganization movement, prepared inside the society, was voted in, changing the aims of the club and calling for a new government of the Block "P". Changes in the government of the society outside the addition of six members, who with the officers will comprise a board of directors. Four of these six men will come from the major sports, and two from the minor sports which the society participates in.

The policy of the society in the future will be to align itself with the new athletic program.
