El Rodeo Plans Complete; Book Reaches Printers

Baseball Team on Road For San Diego Conquest

Coach Bob Mott and his Cal Poly Mustangs point the nose of their bright yellow bus northward this week as the nines invade the Montesano Mesa of the San Diego Antezas for their first road encounter of the season in a battle of the second division powers. In the first of the three dual contests today will be a duel of the pitchers with Jack Schmalz of San Diego and Bud Gardner of the locals. Both pitchers have been in fine form recently and the best of the KCA will be on hand and both will be out to prove it in today’s opener. The Mustangs will probably follow with Harry Oliver and Ben Cookman, while Coach Mott will counter with Ralph Simms and John Williams.

Brosnan Reports

Brosnan, California—San Diego State has the San Diego State aggregation, which generally tries to get the better of the locals at least once a year. The Mustangs will likely score on the strength of their pitching and the batting of the KCA, and they’ve sent out almost countless pictures to the photoengravers. At last the job is done, and those on the inside predict the 49 Cal Poly will be Poly’s best to date.

Weary smiles... Art Gandy, right, martyred editor of El Rodeo, presents the completed summary of this year’s yearbook to advisor Hugh Knagg, suit and tie, as the equally martyred Art Gandy looks on Strategy for the 49 El Rodeo. The book, which has swept out the term’s artistic, social and scholastic functions; its written reams of copy and sent out digits counting the last job is done, and those on the inside predict the 49 El Rodeo will be Poly’s best to date.

49 Grid Parade

A revision in the opening game of the 1949 Cal Poly grid season was announced today. Robert Mott, director of athletics. March Field airbase, located at Riverside, will take the place of Abilene, Kansas, dis­ stalled for the opening date of Septem­ ber 17. Mott stated.

Also changed was the date of the San Francisco State-Cal Poly game from October 6 to October 8. The Mustangs have scheduled 10 games for the season. The first California Collegiate Athletic As­ sociation contest is set for Sep­ tember 24 with Fresno State.

The schedule: Oct. 13, March Field at San Jose; Sept. 24, Fresno State at Fresno; Oct. 1, San Jose University at Redlands; Oct. 2, U.C.S.B.; Oct. 15, Cal Poly at San Juan College; Oct. 18, San Francisco State at San Luis Obispo; Oct. 22, San Francisco State at San Luis Obispo; Oct. 29, Whittier College at Whittier; Nov. 2, San Jose State at San Luis Obispo; Nov. 9, San Diego State at San Luis Obispo; Nov. 16, College of Pacific at San Luis Obispo.

What’s Doin’

Monday, May 16

• At Los Angeles—American Red Cross meeting.

• At San Luis Obispo—El Rodeo Booster meeting.

Tuesday, May 17

• 3:30 p.m., Hilliard lounge—CWCW bowls session.

• 7:30 p.m., KFC—El Rodeo Booster meeting.

Wednesday, May 18

• 7:30 p.m., Old Los Lecheros club meeting.

NOTICE

The spring quarter final ex­ amination schedule starting date has been moved up to Tuesday, May 18, rather than Wednesday, June 1, as was previously an­ nounced. This change has been made necessarily since Commencement is to begin at 8.00 a.m. on Friday, June 5.

A copy of the examination schedule will appear in next week’s El Rodeo.

President McPhee

Recovering

At Local Hospital

President Julian A. McPhee is recovering at the local hospital from an emergency operation and is expected home within a few days. His operation, done today afternoon, May 11, was designed as a radical gall bladder and it was removed in the emergency operation.

The president expects to spend next week at his home convalescing following the release from the hos­ pital.

Frosh Pigskinners

Stated to Tangle

With Bronco Colts

A six-game schedule for the frosh football team which includes the Santa Clara frosh was announced today by Robert Mott, director of athletics.

The Poly will open the 1949 season in September 10 game against last year’s undefeated San Francisco junior college eleven.

The Colts will face the Santa Clara frosh-year man in Santa Clara October 18.

Two California Collegiate Athletic Association frosh squads are on the schedule—Fresno and San Luis Obispo.

All games will be at night.

The Schedule:

Sept. 5, San Jose State at San Luis Obispo.

Oct. 2, Hartnell College at Salinas.

Nov. 10, Santa Clara at Santa Clara.

Nov. 18, Fresno State at San Luis Obispo.

Nov. 29, San Jose State State at San Luis Obispo.

Soils Lab Analyzes Home Farm Earth Samples

With the addition of the new soils laboratory last fall came a new and improved level of soil service to the student body. The improvement of existing facilities and equipment have greatly increased the scope and usefulness of the service. The soils laboratory now provides a wide variety of services to the student body. The new laboratory provides electric ovens, scales, and all of the other necessary utensils needed to adequately and scientifically test soils. The new laboratory has been used to its full potential by the students and has been a great asset to the soil science department.

There are a number of students who are now able to bring soil samples from their farms, and under the able supervision of Carter, they conduct all of the standard tests used to reveal the hidden properties of soils that are so necessary to the plant sciences.

One of the tests which students conduct is the nitrate in-cake test. This is done by forcing several types of potting plants, each with identical soil. Many kinds of fertilizers are applied to these plants, with the objectives being to determine fertilizer needs for a particular type of soil. By this test it is possible to determine the best fertilizer for a particular type of soil. A number of available plant nutrient tests and methods are known as the available plant nutrient test. This test is used to determine the amount of available plant nutrients in the soil. The results of this test are used to determine the amount of available plant nutrients in the soil.

The soil science laboratory at the University of California at Berkeley, under the direction of Alan Carter—will do the work on this project. The laboratory has the ability to test for a wide variety of nutrients, including the major plant nutrients, plus many others which are used in the laboratory. The laboratory has the ability to test for a wide variety of nutrients, including the major plant nutrients, plus many others which are used in the laboratory. cal Poly Club News

Gamma Pi Delta

The Gamma Pi Delta honorary national agricultural fraternity elected its new officers last Tuesday for the coming year. They are Baker Clark, president; Melvin Proffitt, vice-president; Charles LeAnder, secretary-treasurer; William Heller, sergeant at arms; and George Olney, reporter.

In order to celebrate the election and more fully appreciate spring, according to Facility Mark, the Gamma Pi Delta will meet next Tuesday, May 28 at the Arroyo Grande county park. Steve Hines is chairman for the event, and will be joined by Bob George and Curtiss Lynn.

Poly Freshmen

The Poly Freshmen club met in room 105 last Tuesday to hear Mr. Corona, manager of Pacific Telephone and Telegraph company, discuss employment possibilities for graduates.

The club is making plans to have a dinner meeting in the near future to formally install next year's club officers. The newly elected officers are Charles Mott, president; Dean Ahoudara, vice-president; Gordon Yunker, secretary-treasurer; and Art Wassell, Poly Royal chairman. In addition, there is an executive board committee composed of Bob Chorley, Bill Dewitt, and Elvert Est.

Outgoing president Everett Lack announced that the last spring quarter meeting will be held at 8 p.m. Tuesday, May 17, will be a social meeting.

POLY PENGUINS

New officers were elected at the last meeting of the Cal Poly Penguins, campus motorcycle organization. Don Johnson was elected president; Milton Brown, vice-president; Jack Anderson, secretary; and Leo Hoffmeister, treasurer.

A barn and bounds chase was planned following the elections. May 31, at 8 o'clock. Participants will meet at Ray's Motions lab. Higuera street.

The Cal Poly Amateur Radio club will meet next Tuesday, May 12, at 5 p.m. in Ag Sci. 105. It was announced. Election of officers for the next school year will be held at this time. Eugene Ireland, secretary, stated.

Los Lecheros

Three committees were appointed at the Los Lecheros club's April 29 meeting. They were a nominating committee for club officers, a dance committee, and a barbecue committee.

Tonight's dance club-sponsored dance, the "Butter Ball," was discussed and planned, and details were announced for the annual club barbecue. The affair will be held this Saturday in the Arroyo Grande county park, Robert Dooley stated.

Jasperson

A nominating committee for the new Jasperson dorm was appointed by president Dave Brothers, at the club's meeting last Thursday in Jasperson lounge. Committee members are Don Garner, Curtiss Lynn, and John Bergepost. A "beer bust" has been set for Thursday before the Fiesta de los Flores, Jim Dave announced.

AG ENGINEERS

This time of year seems to be election-time for most clubs, and the Ag Engineers did too, at their May 8 meeting. The slate includes Frank Pyne, president; Roy Marson, vice president; Gordon Yunker, secretary-treasurer; and Art Wassall, Poly Royal chairman. In addition, there is an executive board committee composed of Ron Ruff, Bill Dewitt, and Elvert Est.

Outgoing president Everett Lack announced that the last spring quarter meeting will end for the year. Tuesday, May 17th, will be a social meeting.

Letters to the Editor

Dear Editor,

I am opposed to the idea of having a new dormitory on the campus. The present dormitories are adequate and the new one would be an unnecessary expense.

Sincerely,

[Name]

Dear Editor,

I would like to express my concern about the current state of the cafeteria. The food is not up to the standards we have come to expect. I believe that the administration should take action to improve the quality of the meals.

Sincerely,

[Name]
200 Future Farmer Judge Teams Hold Finals At Campus

Approximately 200 Future Farmer judge teams took part in the last Belgrade's statewide judging contest finals. These teams competed in the fields of agronomy, nutrition, poultry, dairy, and meat judging. The judging categories included dairy products, and tree judging.

The judges were a part of the registration facilities in their own areas. Classroom '17, 18, 19, and 20 were converted into sleeping units and handled approximately 100 students, while Carson Dan Luoho of Hartford. A two-room hotel was used to make it the success it was.

The new format with a smile on the participants' faces in comic strips, jokes, and satirical articles, such as a report on a trip that will be at the district of the school. It was certainly a beautiful structure and it had the smell of something that will bring the joy of the dancers' Wanda. It was just before Poly Royal. It's that the Polynesian of the 5th and one of the girls who helped them.

This is slightly better, more Poly Royal, Nancy Rosen and Mary Helen Lohse recently took part in a trip to the city for the first time. They showed the school's stores and its activities, at which time Poly Royal was just before Poly Royal. It's the only way Poly Royal can have a week after a week of activities in the city.

Several weeks ago, Owen, the head of Morgan Lewis, gave an architected talk on a guided tour of the college, which was an interesting talk and certainly a lot of fun.

Several weeks ago, Owen, the head of Morgan Lewis, gave an architected talk on a guided tour of the college, which was an interesting talk and certainly a lot of fun. Mack Wins Broad Jump, San Jose Takes Crown

Thirty-six hundred fans saw San Jose win its third consecutive 2C2A track and field championship last Saturday night at Fresno's Radcliffe Stadium. In the course of the two others were tied. San Jose were followed to the wire by second, San Diego were fourth, Stanford Santa Barbara fifth, and Cal Poly sixth.

The first record to fall was the quarter mile. In this event a new standard of 4:27, 8 was set by Eddie Mann of COP. San Jose's Eddie Mark had run this particular time of 4:27, 8 in every race he has entered throughout the season. The 800 record all season, established a new mark in this event of 2:04. The 800 was led away by Stan Delamo of Fresno, then Judy Hall of COP, with the new mark of 2:04.

San Jose's clean class relay, quarter proceeded to chop off 4 seconds in this event, establishing a new mark of 4:27.8. Martin of Fresno tied his own conference record of 2:04. Dickie in the hurdles, Bobby Crow was by far the hottest man on the track. B. Crow ran for a fourth place award. The win in this event was enough to down all opposition for the day.

Mack Wins Broad Jump, San Jose lead Loops

By Bob Hardy

Pitcher H. Kimbrough's masterful one-hit game against the Boats and Spurs gave the Mustangs the high light of the season's (extra-mural) softball campaign. Kimbrough was assessed for one error in this game. The Mustangs were favored to win the tournament.

The Mustangs played in the finals to a very tight 8-4 11-0 match. The Mustangs' only loss came in the semi-finals event.

The standings are as follows: Diamond I league

The Mustangs played in the finals to a very tight 8-4 11-0 match. The Mustangs' only loss came in the semi-finals event. The best experienced players on the Poly team, Smith and Chaves, took on Huesman, a freshman and a sophomore, respectively, who played for the first time in a CCAA tournament. Won and Huesman played well and worked hard for every point before dropping a close match to the Bernard-Mendel doubles combination of Frees, who then went on to take a second round.

The final score: COP-7, Santa Barbara-1, Cal Poly-11, San Jose State-9, San Diego-6.

**17TH CENTURY OF LAST AERA ON A FRIDAY, MAY 13, 1940**

"The students are showing the field than you do in the stands." — Coach Bob Mott

The Mustangs' combination of literature and sport has come to the stage, but it did add up to a second place. Tom Pfiater of COP in a 9-3 victory over Joe Bears made a couple of errors for the game, but at Paton, who had just seen his 8-1 victory over last weekend's Relays confirmed, really turned in a 1-0 victory in the forking with a 9-3 Paton's time slipped one tenth of the former 8-8 record. The world's fastest mile was set again in the open end of the big stadium.

The Mustangs won another victory, and their opposite quarter miles (in 8:04) to pick up 2,100 points. Not a bad after night after the sermon In the other 74. On the first Saturday, when you have more players on the mound in his nottorial

**NEW RECORD**

For the horseback fans, the three CCAA series of the weekend went in the same place. The famous Poly smoke-eater has put out more blazes than the famous Poly smoke-eater has put out more blazes than Charla-Redden which hummered the San Jose State. The famous Poly smoke-eater has put out more blazes than Charla-Redden which hummered the San Jose State. As expected, the Mustangs have not taken the second place, which they are now practicing the sermon In the third on five hits and a walk. They added single counts in the third and eighth innings while Cal Poly could chalk up but one run. When Bingham singled and scored on Paton's fly to left field in the fourth. As expected, the Mustangs have not taken the second place, which they are now practicing the sermon. When Bingham singled and scored on Paton's fly to left field in the fourth.

The San Jose State won the second game by scoring four runs in the third on five hits and a walk. They added single counts in the third and eighth innings while Cal Poly could chalk up but one run. When Bingham singled and scored on Paton's fly to left field in the fourth.

The third game San Jose went to starter Ralph Blast for four runs in the third innings to take a 4-3 lead, and added a run in both the fourth and fifth innings for a total of six runs. Trailing 6-3 in the seventh inning, the Mustangs got an inning against the blast of Bob Coghlan and had the runners on the bases. But Blast made an error on the mound in his nottorial. As expected, the Mustangs have not taken the second place, which they are now practicing the sermon. When Bingham singled and scored on Paton's fly to left field in the fourth.

With two more wins under their belts, the Mustangs have a lead with a record of seven wins and two losses. In fourth position with four victories and four losses. As expected, the Mustangs have not taken the second place, which they are now practicing the sermon. When Bingham singled and scored on Paton's fly to left field in the fourth.

Following are the CCAA league standings in the third 10-2, 11-3, 9-3, and coaches in the stats than on the field. But as far as that long foul ball to center field and Christensen's coming in for that "Chris" will more than likely see a lot of action this weekend when Coach Bob Mott's Mustangs tackle the San Diego State Aztecs on the southern diamond.
