CAL POLY REPORT

October 10, 1997

Reminder: Short form of name is 'Cal Poly'

Offices should review publications, Web sites, forms (both printed and on line) and other places where you use the university name to be sure that, when you use the short form, you say just "Cal Poly."

"Cal Poly State University" is a no- no. If you want the word "university" included, please use the campus's full name, with "California" and "Polytechnic" spelled out.

"San Luis Obispo" can be used with either short or long form when it's needed to avoid confusion with Pomona. It takes a comma: Cal Poly, San Luis Obispo.

If you have questions, please call the Communications Office at 6-1511 or e-mail polynews@polymail.

Assigned time available to develop proposals

To stimulate research activity, the Research and Graduate Programs Office is considering requests for assigned time for the special purpose of preparing grant or contract proposals. Many faculty members have indicated that it is difficult to prepare proposals—especially multidisciplinary projects involving several investigators—while carrying a full teaching load.

Faculty members who wish to apply for assigned time should request it in writing and indicate the number of WTUs requested, the academic term for which the request is made, and the program or agency to which the request is directed.

Forum on garage EIR set for Tuesday

A public forum is scheduled for Tuesday, Oct. 14, on Cal Poly's proposed parking garage and a draft environmental impact report on the project.

The forum is to begin at 7 pm at the Monday Club, 1815 Monterey St. in San Luis Obispo. Representatives of Cal Poly and ENSR Consultants, the firm that wrote the study, will be available to answer questions.

The structure would be built near the Performing Arts Center, where the tennis courts are now located, chiefly to assure ample parking for events in the center, Mott Gym, and the Rec Center. The draft report analyzes the effect the garage would have on geologic hazards, traffic, air quality, noise, views, and public safety. It also considers a number of alternatives.

Anyone can review the draft EIR at the San Luis Obispo County-City Library, the Kennedy Library, and the Facilities Planning office. Written comments must be submitted by 5 pm Oct. 31 (that's an extension of the previously announced deadline) to Bob Kitamura, director of facilities planning. The fax number is ext. 6-7566.

For more information about the impact report, call John Rieckenbach of ENSR Consultants at (916) 885-5990. For more information about the forum or the project, call Kitamura at ext. 6-2581.
Sports writer Kahn to speak at Madonna Inn
Roger Kahn, one of the country's foremost sports writers and authors, will speak at 7:30 pm Thursday, Oct. 16, at the Madonna Inn as part of a two-day visit to Cal Poly and San Luis Obispo. Kahn will also lecture on campus Wednesday and Thursday, Oct. 15 and 16, to journalism students and to workshops in writing and sports broadcasting course.
Kahn has published several acclaimed books on baseball, including "The Boys of Summer," a best-seller about the Brooklyn Dodgers in 1951. Kahn earned a master's degree in library science at the University of California at Los Angeles and began teaching American literature and began teaching at California State University, Fullerton which he is now a professor.

Cury-Curry, 52
Statistics professor Joyce Cury-Curry, a teacher at Cal Poly for 30 years, died Sept. 29 at her home in San Luis Obispo.
She was born in San Francisco but lived nearly all her life in San Luis Obispo. Cury-Curry earned a bachelor's and a master's degree from Cal Poly, she be­gan teaching in 1967 - first in the Math­ematics Department and then Statistics. She also taught mathematics at Cuesta College for the last four years.
She had been active in civic and edu­cational groups such as Mothers for Peace, the Civil Ballot Guild, Friends of the Performing Arts Center and the Edna Arts Advisory Council. An avid photographer, Curry-Curry served as the photographer for many theatrical and dance events in San Luis Obispo.

Anger management support group forming
A seven-week support group is form­ing for staff and faculty members who would like to explore issues and con­cerns related to anger management.
The meetings, to be from 5:15 to 6:45 pm on consecutive Tuesdays begin­ning Oct. 14, will include open discus­sion and self exploration.
The group will be led by Jean DeCosta, director of the Employee As­sistance Program, and John Reid, a psy­chology intern. Members of the group will learn:
• To understand anger.
• What triggers anger.
• How to track anger.
• How angry outbursts create problems.
 Those who sign up are asked to make a commitment to attend all seven ses­sions. To register or for more informa­tion, call Jean DeCosta at ext. 6-5198.
Sports writer Kahn to speak at Madonna Inn

Roger Kahn, one of the country's foremost sports writers and authors, will speak at 7:30 p.m. Thursday, Oct. 16, at the Madonna Inn as part of a two-day visit to Cal Poly and San Luis Obispo. Kahn will also lecture on campus Wednesday and Thursday, Oct. 15 and 16, to journalism students who write for the student newspaper, the Poly. The guest speaker is part of a three-decade career that includes five books and has been recognized with two National Sportscaster and Sportswriter Association awards. Kahn has written for such publications as the Los Angeles Times, Los Angeles Magazine, Sports Illustrated and The New York Times. Kahn's new book, "Wild Pitch," is due to be released in October and is a behind-the-scenes look at the Los Angeles Dodgers during their 1981 World Series run. Kahn is a Stanford University graduate and间隔 the 26-member Thang Long Water Puppet Theater will perform a series of thematic shows that include dragons and turtles. These cultural performances will be held at the assistant professor rank, step 1 - not a requirement.

Dear Editor:

It made me smile when I walked past a grounds worker who was wearing one of the new Cal Poly Staff T-shirts. I felt a sense of pride and recognition knowing that I was a part of a wonderful group of people who help make up our Cal Poly campus community.

The Staff Council made these shirts possible and has increased the visibility of staff in other ways as well. We now have staff representation on College-wide committees and are "in the loop," like never before, when it comes to issues that affect us. Although there is a grey line between "working conditions" and general staff concerns, the Staff Council has done a great job of improving the climate for, and giving a voice to, staff members on this campus.

Attend a Staff Council meeting and see what they are all about. The monthly meetings are first Thursday of each month from 6 to 7:30 in the second Wednesdays of the month in the Biological Sciences Museum (Fisher Science, Room 205).

For more information about the council, see its Web page at www.calpoly.edu/~staffcfn.

If you are interested in getting your very own green Cal Poly Staff "Making It All Happen" T-shirt for only $8, contact Pat Browning at ext. 6-2279.

Delilah, the1997-98 Staff Council president, is a Folklorist who has been active in civic and educational programs as well as in local churches. Delilah is a member of the Los Angeles Central Committee and the Los Angeles Central Committee of the Jackie Robinson era.

Water puppets to come to Cal Poly

With a specially designed 30-foot-by-30-foot tank, the premiere puppet theater of Hanoi will bring fire-breathing dragons, angels, and other mythical creatures to life in a performance at 7 p.m. Thursday, Oct. 14, in the Performing Arts Center's Coban Center. The 26-member Thang Long Water Puppet Theater continues a form of folk culture that dates back to the 11th century. The show uses folk poetry and songs with rhyming texts to describe everyday activities, celebrate historic and mythical events, and to remind people of man's relationship to his natural surroundings.

The company's eight musicians play wood and bamboo xylophones, gongs, large, small and cylindrical drums, breathing dragons, angels, and other mythical creatures. They are used to add additional sounds effects.

Standing almost three feet tall and weighing up to 35 pounds, the puppets portray a host of characters that poke fun at everything from the follies of farm life to the pourquoiing of mythical dragons and turtles.

Tickets are $8 to $10 dollars and can be purchased at the Performing Arts Ticket Office from 10 a.m. to 6 p.m. weekdays and from 10 a.m. to 4 p.m. Saturdays. To order by phone, dial ext. 6-ARIS (6-2787). For more information, call Cal Poly Arts at 6-6556, or if you have Netscape 3, you can visit their Website at www.calpolys.org.
