Subject: Response to Academic Senate Resolution AS-638-05
Resolution on Renaming the Distinguished Research, Creative Activity, and Professional
Development Award and Renaming and Constituting the Distinguished Research, Creative
Activity and Professional Development Awards Committee

Based upon consultation with Interim Provost Robert Detweiler, this will acknowledge receipt and approval of the above-subject Resolution, subject to the following change in the Bylaws for the membership of the newly constituted and named Distinguished Scholarship Awards Committee:

"The ex officio membership of the Distinguished Scholarship Awards Committee shall be the Dean of Research and Graduate Programs, as the designee of the Provost/Vice President for Academic Affairs, and two students - one undergraduate and one graduate - appointed by ASI."

It is our view that the Dean of Research and Graduate Programs would adequately represent the Academic Affairs Division.

Thank you, and please convey my gratitude for the continued good work of this Committee in recognizing the excellent professional development work of our faculty.
