Administration Web page has new name, new look

The Administration Web page on Cal Poly's Web site has a new name that better reflects the wealth of information now available there.

The University Organization page includes information on the history, mission, goals, organization, and policies and procedures of the university. This page also provides access to such resources as personnel directories, online forms, and a link to a list of university committee and organization Web pages. The Communications Office is responsible for updating information on this page and asks campus departments and units to forward new or revised addresses for their on-line forms and committee and organization Web pages to Danette Slack, director of communications, via e-mail.

Women in politics is topic

Political Science professor John Culver will present "Assessing the Progress of Women in American Politics" from 12 to 1 to noon Monday, Oct. 19, in the Student Dining Room.

Calver will provide an overview of the experience of women as they have been reluctantly accepted into American political life. He will also talk about the difficulties women have faced in politics in addition to economic, social and political discrimination.

Some of the questions he will address include:

What lies ahead for women and political parties as we approach a new century? What impact has the Clinton scandal had on women in politics? Has the women's movement, as reflected in politics, reached a plateau, is it refreshment looming, or can viable female presidential candidates be expected in the near future? Culver's presentation will be held at the Library Center, 8 pm.

Groundbreaking for sports complex Oct. 23

The groundbreaking ceremony at the site of the new sports complex is planned for 2 pm Friday, Oct. 23, on Homecoming weekend.

Library improves, expands copy service

The Kennedy Library has improved and expanded its copy service for students, faculty, and staff.

New equipment has been installed throughout the library, providing better-quality copies and faster service as well as color copying and sticky backs.

In addition, there's a new same-day copying service. Faculty and students can drop off printing requests in the morning at the Library Photocopy Service desk on the first floor and pick them up that afternoon.

Campus departments can obtain a PIN number so that copying charges can be charged to each department monthly. Individual PIN numbers can also be requested for faculty projects or grants. They can be obtained as completed by completing a chargeback authorization form at the Photocopy Office, ext. 6-6045.

The cost of copies through the PIN chargeback is 84 cents per copy. Cole print outs are charged to the group.
